

GOVERNMENT ENGINEERS MEET

To Discuss Purchase of Canal and Locks.

Are Now at Willamette Falls Examining Property of General Electric Company.

The board of engineers on the acquisition of the canal and locks at Willamette Falls are examining the canal and locks this afternoon, after which they will discuss the result behind closed doors.

They want \$1,200,000. The canal and locks are owned by the Portland General Electric Company, who have spent on an average of about \$5,000 a year in maintenance of it, and have received an income of about \$2,000 a year from it by collecting tolls.
