

PERMANENT EXHIBIT FUND IS GROWING

Over \$10,000 Raised—\$15,000 In Sight—\$25,000 Necessary—List of Donors.

The committee out for subscriptions to the permanent exhibit fund is meeting with unprecedented success. No results have been received by it and none are expected.

The resolutions which head the various subscription lists state that a large number of people are being brought into the state by the railroads centering here.
