WILL ASSIST THE BIG FAIR

O. L. Miller of Baker City Enthusiastic.

Large Crowds Are Expected Here From the Eastern States.

East Oregon is in line for the Lewis and Clark Fair.
O. L. Miller of Baker City, member of the Board of Directors of the Lewis and Clark Exposition, has a number of interesting things to say concerning the Fair, and also of the country east of the mountains.
In speaking of the proposed Exposition to an East Oregonian reporter, Mr. Miller said:
GREATEST FAIR YET.
"It is my opinion that this will be the greatest fair of the sort ever held on the Pacific Coast, and efforts will be put forth to make it equal to any exposition ever held in the country. This Fair will be a great thing for the West. It will bring such vast crowds here from the East as were never seen here before, and of course not only Oregon, but California, Washington, Idaho, Montana and Utah will all reap great benefits from it, though the probability is that Oregon will reap the greatest reward."

LARGE CROWDS EXPECTED.
"Of course transportation will be greatly reduced from all points East during the Fair and lower rates will enable thousands, yes, hundreds of thousands of our countrymen to visit the Pacific Coast, who never would visit otherwise. This is going to be a first-class fair in every respect, and it will be worth millions of dollars to Oregon and her sister states."

Mr. Miller was not inclined to speak further upon the Exposition question, and the matter of irrigation in Eastern Oregon was brought up. This was a question he was very much interested in, and he said:
"Lack of proper irrigation facilities has been the greatest drawback in fact the only real drawback—that Eastern Oregon has ever known. We have hundreds of acres of land in Baker County subject to irrigation, and when this land is properly watered it will be as good land as can be found anywhere in the state, and worth from \$15 to \$100 per acre."
—EASTERN OREGON JOURNAL.

The citizens of Eastern Oregon are jubilant at the prospect of the Government taking hold of the matter of irrigation, and expect a series of investigations and reports upon their findings. There will not be any more of the "water for irrigation" as some people seem to believe, but water will probably be stored in immense reservoirs. There is water enough wasted in Baker County every year during the months of April, May and June to water twice the amount of arid land we have in our country. This water will be stored, as I have said, in reservoirs for use during the summer months.

DEEP SNOW IN THE MOUNTAINS

Indians Are Excited Over the Prospect of Hard Winter.

Hon. W. H. Hale, member of the Legislature from Yakima county, Wash., reports an unusual snowfall in the Cascades and on the eastern slopes of the mountains, says the Pendleton East Oregonian. This is the first time in many years that the snow has backed up so soon after the first snowfall. The snow is in order at Ellensburg, where there is snow to the depth of 18 inches. In Yakima the weather is cold and the snow has disappeared.

INDIANS EXCITED.
"The Indians are very much excited over the weather," said Mr. Hale. "They predict deep snows and a hard winter. Many parties will die and dogs starve in the snow. Before spring they will begin the Chinook dances and make things merry. Several years ago we had snow before Christmas and a severe winter. The Indians went wild and danced for many days and nights before the weather moderated. One chief stabbed himself with a knife until he died from the effects of his wounds. He did this to appease the wrath of the bad spirit and bring on a Chinook wind to melt the snow."

ALFALFA \$1 PER TON.
"Alfalfa hay is selling for \$1 a ton in the stack. It is estimated that over 10,000 head of cattle are being fed on the Indian reservation. Those having lands leased have received more for pasture and the strawstacks than the annual rental of the lands. No one is crying about overproduction of alfalfa. There was a large crop grown this year and most of it will be fed on the farms to sheep and cattle. Farmers are expecting high prices for hay next spring and are holding their hay. The hay buyers on Puget Sound will figure without their alfalfa crop."

"To My Lady Customers—From time immemorial the Christmas cheer has been a time-honored joke. Therefore I will, as I have always done in the past, offer only select cigars by the box for holiday trade of well known brands, thereby encouraging any possibility of making a purchase of cigars for a Christmas present that would not be satisfactory. Our cigars are in a box for \$1.50, \$2.00 and \$2.50. We also have a full line of cigar holders, \$1.00, \$1.50, \$2.00, \$2.50, \$3.00, \$3.50, \$4.00, \$4.50, \$5.00, \$5.50, \$6.00, \$6.50, \$7.00, \$7.50, \$8.00, \$8.50, \$9.00, \$9.50, \$10.00,
