## BREAKFAST BACON LOWER

Prices Are Down a Half Cent Today.

Sauerkraut Is Up Four Cents a Gallon on Account of Cabbage Shortage.

There is no change in the salt situation since the large decline in quotations exclusively reported in Saturday's Journal. It is likely that the market will remain at present prices during the week.

**BREAKFAST BACON DOWN.**  
The Union Meat Company announce a decline of one-half cent on their price of breakfast bacon. The new quotations today are 15 1/2 and 18 cents. Other grades of packed meats of both the local and Eastern brands are unchanged.

**HEAVY DEMAND FOR PORK.**  
There is still a heavy demand for pork products. Receipts today on the "street" were very light and unless more hogs are received within the next few days, there will surely be a rise in prices. Beef and mutton remain as formerly.

**SAUERKRAUT UP A NOTCH.**  
Local dealers were notified today the price of sauerkraut had advanced 4 cents a gallon. This is directly due to the shortage in the cabbage crop throughout the Northwest. The new quotations are 26 cents a barrel, two cents higher for half and four cents higher for quart barrels.

**RICE MARKET HIGHER.**  
Although no changes occurred today in the quotations on rice, still the market on that product is higher all over the country and some revisions are expected to be made in the local prices as soon as some of the jobbers sell their present surplus stock. Reports from the Orient state that the crops are three-fourths ruined.  
Salt salmon is quoted from 75 to 80 cents a barrel higher today than Saturday. Prices of kites are also up.  
The poultry market was not opened this morning, on account of light receipts and demand.  
Today's quotations as revised are as follows:
