OREGON EGGS HAVE DROPPED

Larger Receipts Causes Slump in Market.

Nearly All Grades of Fresh Meats Show a Slight Advance Today.

Several advances will be noted in today's local wholesale quotations. Fresh meats show an unusual strength and advances in prices. Pork is in especial demand, and is bringing top quotations. Beef is now bringing 7 and 7 1/2 cents a pound, while pork is selling at 11 1/2 cents. Mutton and lambs also show an increase in price.

Receipts of pork were small today and retailers were clamoring for a supply. Although very little beef is arriving, there is enough of that product retained to supply all wants.

EGGS GOING DOWN.
Oregon ranch eggs show a decided weakness today on account of larger receipts. Prices went down 2 1/2 cents this morning, and it now looks as if further declines may follow. Eastern eggs are selling at usual quotations.

POULTRY PRICES RISE.
Advances in the price of poultry may be noted today. This condition is due to the unusual demand and insufficient receipts.

The steamer Columbia arrived from San Francisco last evening and brought a small cargo of California fruits and vegetables. The arrival of the California steamer is not so anxiously awaited as in former years, since the tying up of the boats during the summer, most of the vegetables have been shipped overland.

Today's quotations, as revised, are as follows:
