

TELL TALLS OF MARRITAL WOE

Four Women Granted Divorces Today.

Desertion, Cruelty and Non-Support Alleged—One Very Peculiar Deserter.

If Zella Rouse was heartbroken at the severing of the tie that bound her to James Rouse, the smile that played about her pretty face in the divorce court this morning did not betray the fact. She tripped lightly up to the witness stand, held up her daintily gloved hand and took the oath to tell the truth as she knew it, and she made her answers to questions in a blithe, cheerful manner. And she wore her usual dress.

CHARGED WITH AN IMPORTANT TASK

Senate Committee Will Devise Plan for State Investigation.

The special committee appointed by the State Senate to devise some method of regular and systematic investigation of state institutions and of the books and accounts of state officials, is charged with a task of great importance to the taxpayers. The practice of making biennial investigations by Legislative committees has proved utterly unsatisfactory, and the expense has been out of all proportion to the results.

MARRIED AND FLED

Blushing like a June rose, Elizabeth Treber crossed the witness stand in the divorce court this morning, and said she was married to Adam Treber in 1899 on the East Side, Portland.

Cromwell is a negro and he and Mrs. Rice have had difficulty of room rent.

DIED IN THE CITY BASTILE

A. J. Porter Came to an Untimely End There.

A. J. Porter died in a cell in the city jail this morning at 10:15 o'clock. He was brought in early this morning by Officer Franklin, who found him dead conditions at sixteenth and Gilliam. He was quite drunk and admitted to "a few drinks." He left the Good Samaritan Hospital at 12:30 a. m., after giving the nurses much trouble. He has had his head dressed there for about 10 days. When he was brought in by the officer his wounds were apparently those of a fight and his condition was pitiable. It is stated that his mind was in a state of delirium and he caused endless trouble. When he finally left it was to go to Sixteenth and Lovejoy.

HEARDEN IS NOT ELIGIBLE

Cannot Serve on City's Executive Board.

Mayor Williams will have to make a change in one of his proposed appointments under the new city charter, if attorneys are correct in their interpretation of certain of its provisions. The Mayor has announced that he intends to appoint William Hearden to the Executive Board. The charter provides that none but citizens of the United States shall be eligible for any municipal office, and it seems that Mr. Hearden, who is a native of Denmark, has never become a citizen.

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

On the official register of voters for 1902 appears the entry: "William Hearden, residence 355 Sheridan street. Born in Denmark. Age 60 years. Declared intention to become citizen August 22, 1896, in Trinity County, Cal., 15th District Court." Mr. Hearden's signature was appended to this entry and he made no claim that he had ever completed the steps required to make him a citizen.

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

Though not a citizen, he is an elector, and as such he has held office in the past, both as a member of the City Council and as Police Commissioner. But under the new charter full citizenship is an absolute prerequisite for holding any municipal office, and Mr. Hearden is ineligible until his naturalization is completed.

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

Mayor Williams was informed of this obstacle to his proposed appointment a day or two ago. When interviewed on the subject this morning, he said:

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

"Yes, I was told that Mr. Hearden is ineligible, but I think the argument is mistaken one. Section 160 of the new charter provides that: 'No person shall be eligible for appointment as a member of said Executive Board unless he is and has been for at least five years preceding his appointment an elector of said city.' Mr. Hearden has been an elector for many years; he has held office, and I consider him eligible."

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

Were the section which the Mayor quoted the only one applicable, he would undoubtedly be correct in his conclusion, but there is an earlier and a broader provision which recites the necessary qualifications of all officers of the municipality. Section 29 of the new charter reads as follows:

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

"No person is eligible to any office of the city, except as otherwise herein provided, who at the time of his election or appointment is not a citizen of the United States and a resident and voter of the City of Portland for three years preceding his election or appointment, or who has not resided for three years next preceding his election or appointment within the city at the time of such election."

HEARDEN IS NOT ELIGIBLE

He Is Not a Citizen of the United States and Mayor Williams Must Find Another Man.

Attorneys say that the foregoing section, being general in its terms, must govern the appointment of the Executive Board, and that Section 160 does not supersede it, but merely provides an additional qualification which must be possessed by members of that body. In other words, only a three years' residence in Portland is in general required from city officers, but members of the Executive Board must have had a five-year's residence, in addition to being citizens of the United States.

HEARDEN IS NOT ELIGIBLE

CITY ATTORNEY'S VIEW. This is the opinion of City Attorney McNary, who said this morning: "My view in general is that the charter contemplates citizenship as a prerequisite to occupancy of office under it, within the city. The City Attorney declined to discuss the question whether Mr. Hearden is eligible for the office to which the Mayor intends to appoint him, saying that he knew nothing as to whether or not he is a citizen, but he had no doubt as to the correctness of his own interpretation of the two sections of the charter bearing upon the subject. It is taken for granted that Mayor Williams will not disregard the provisions of the charter, but will select some other person, who possesses the necessary qualifications, to fill the office which was to have been given to William Hearden."
