Rival Leagues May Kiss and Make Up.

Journal's Exclusive Announcement of Probable Amalgamation Created a Stir. -

The exclusive announcement in The Journal on Thursday that an effort was being made by the officials of the two rival baseball leagues to drop their quarrel and effect a reconciliation carried considerable surprise among the local followers of the baseball controversy. The plan while it may be a pear probable this season. In a dispatch to The Journal from Spokane the scheme

as outlined is as follows: The proposition is to form a 10-club league, including San Francisco, Los Angeles, Oakland, Sacramento, Portland, Seattle, Tacoma, Spokane, Butte and Salt Lake. According to this achedule Helena is to be dropped out of the race and Sait Lake substituted. When President Lucas was seen about

the proposition he said: "I know nothing about such a propo sition. It has not been made to me and I do not believe that the clubs would consider it without consulting me. I am against such a scheme and do not be-

lieve it will work." President Garratt of the Spokane Club said that he was not officially aware of any such plan. The matter of settling the difficulty has been left in the hands the national board, and they have written that they expected an early settlement of the difficulties, but on what basis no one knows.

Harley of Los Angeles and Harris of San Francisco, have been in communication with Powers and Farrell and have come to some agreement. private telegram to one of the officials of last year's team states that there is a fair prospect of the above plan going through; that it is now under consideration. When seen, Chief of Police Reddy who it is stated has a hand in the franchise Green wants to secure for Spokane in the Pacific Coast League, said today that he was not in the deal, and that Green would not back a team in that league in spite of his protestations to the contrary. Reddy also stated that he was at the first meeting held in Seattle and that he had agreed to as-sist in backing a team in Spokane for the Pacific Coast League if it proved He states that success this year. should the invaders make a go of the league this season Spokane will be in the Southern circuit next year.

Cannot Agree on Terms.

The 20-round boxing contest between Jimmy Britt and Young Corbett may not place, after all, in San Francisco next month, as scheduled. The Yosemite Club of San Francisco offered a sub-stantial percentage for the bout and Young Corbett was about to accept Britt's proposal to weigh 128 pounds at 3 o'clock when a representative of a rival San Francisco club offered him a purse of \$5,000 to meet the winner of the Attell-Hanlon bout. Corbett was inclined to accept this offer until informed that, the Yosemite Club was the only organiation authorized to give a contest during February. The Yosemite Club refused to make an offer for Corbett and the winner of this bout, confining its efforts to the matching of Cor-

bett and Britt.
Unless Corbett agrees the Yosemite Club will match Britt with Benny Yanger or McGovern for its February date. Trying to Bait Britt.

Al Herford, manager of Joe Gans, has advanced a novel proposition to bait Jimmy Britt of San Francisco into meeting the lightweight champion. Herford has taken the step in view of the fact that Britt has come out repeatedly with the assertion that he would never meet a negro. Herford offers to sign articles calling for Gans to meet Britt and "stop" the white boy inside of 20 rounds. As further incentive Herford says that Gans will give Britt 20 seconds in which to recover in the event of being knocked down. Should this meet with Britt's approval, which is not at all likely, Herford will be ready to post a forfeit and sign articles at once.

Simms and Kerns Meet.

MILWAUKEE, Wis., Jan. 30 .- Five good bouts have been carded by the Milwaukee Athletic Club for its first boxing show, to be given tonight, and in the wind-up an event of unusual value will be offered in the contest between Art Simms of Akron and Tim Kearns, the Boston lightweight. Both men have been training faithfully and appear to be in splendid condition for the go. If Simms is successful in beating Kearns he will be matched to fight Otto Seiloff, who recently broke Kearns' winning streak by securing a decision over him in a six-round bout at Chicago:

Tammanyite Against Corbett.

At Albany, N. Y., recently, Senator James Frawley, one of Tammany's new men in the Legislature, put on the gloves with Ex-Champion James J. Corbett at a local gymnasium. Several of the Senator's legislative friends witnessed the exhibition and did what they could to cheer him. The boxing bout lasted two rounds The ex-champion of the world was in good trim and he landed several blows which Senator Frawley thought were unconstitutional. Corbett was able to appear with his show, but the Tammany Senator retired early.

"You see," Frawley explained, after he left the gymnasium, "I wash't feeling first rate, and so we only boxed a couple of rounds. I let Corbett off easy."

Kid Parker Talks.

Kid Parker still believes that he will be Jimmy Britt's next antagonist, notwithstanding all this talk about the pride of San Francisco fighting Young Corbett next month. The Denverite is dead certain that Corbett does not want any of Britt's game. The Reliance Club of Oakland, Cal., has informed Parker and Britt that in case they agree on terms they can have the March date at their club. 'Kid'' Carter and John Willie of Chicago, the heavyweight, meet before the Reliance Club Febrauary 12.
