THOS. C. DEVLIN,
Auditor of the City of Portland.
March 30, 1903.

CITY NOTICES.

PROPOSED IMPROVEMENT OF WASHINGTON STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Or., held on the 18th day of March, 1903, the following resolutions was adopted:

Resolved, That the Council of the City of Portland, Or., deems it expedient and proposes to improve Washington street from the west line of Third street to the east line of Sixteenth street in the following manner, to-wit:

First—By removing from the surface of the street all worn-out asphalt and debris of every kind.

Second—By bringing the street full width with full intersections to the proper sub-grade with concrete.

Third—By repairing and bringing the street full width with full intersections to the proper grade with asphalt.

Fourth—By constructing artificial stone sidewalks.

Fifth—By improving that portion of the street between the rails of the Portland Railway Company's tracks and for a distance of one foot outside of the rails, in accordance with the plans, specifications and estimates of the City Engineer.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 12th day of March, 1903, indorsed: "City Engineer's plans and specifications for the improvement of Washington street from the west line of Third street to the east line of Sixteenth street, and estimates of the work to be done and the probable cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the property lying between a line 100 feet northerly from and parallel with the north line of Washington street and a line 100 feet southerly from and parallel with the south line of Washington street and between the west line of Third street and the east line of Sixteenth street.

The Engineer's estimate of the probable total cost of said improvement is $10,028.

The above improvement is classed as an asphalt improvement and shall be maintained by the city for the period of two years, provided that the owners of a majority of the property benefited by said improvement or any portion thereof shall not voluntarily petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates for the improvement of said Washington street are hereby adopted.

Resolved, That the Auditor be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOMAS C. DEVLIN, Auditor.
Portland, Or., March 26, 1903.
