**CONGRATULATE BARRETT**

Portland Chamber of Commerce Wires Good Wishes to the New U. S. Argentine Minister.

The following telegram was recently sent to John Barrett, who was last week named by President Roosevelt to succeed Ex-Governor Lord as the United States minister to Argentine Republic: "Hon. John Barrett, Washington, D. C.: "The Portland Chamber of Commerce congratulates you on your appointment as minister to Argentine."

Journal friends and readers when traveling on trains to and from Portland should ask news agents for The Journal and insist upon being supplied with this paper, reporting all failures in obtaining it to the office of publication, addressing The Journal, Portland, Ore.

**DEBATE TONIGHT**

Prof. F. E. Latimer, recently holding the chair of economics at Washington University and now state organizer for the Socialist party in Oregon, and Laura Smith Wood, M. D. of San Francisco will hold a debate this evening in G. A. R. Hall, First and Taylor streets, at 8:30 o'clock.

Dr. Wood will take the stand of the possibility of woman's sexual freedom under the present system as opposed to her getting her freedom by the socialistic ballot.

The debate promises to be hotly contested, as both speakers have numerous supporters, and an animated meeting with elucidation of the causes of many of the wrongs of the present economic and sexual systems is promised.

**One Reason**

July is the month between seasons, and trade is not so active as during the other eleven months of the year, and to create a demand for furnishings, we have put into operation this Great Trade Event.

**Another Reason**

This season of the year is very timely for the purpose of rearranging stock and making room for the fall deliveries soon to arrive.

**Still Another of Importance**

One of the principles of our store is to have none but the latest and most reasonable furniture, and in order not to have last season's goods accumulate with the fall stock, we are satisfied to sacrifice this remaining spring stock at the discounts quoted and still stimulate our volume of business for this off month.

**For These Reasons**

Is this event promoted, which will give everybody great opportunities to practice economy on the finest furniture values.

**CHIEF HUNT'S NEW ORDER**

All Patrolmen Will Henceforth Work Eight-Hour Shifts—Officer for Portland Heights.

Chief of Police Hunt has issued the following order, the most important points of which are that all patrolmen will henceforth work eight-hour shifts and that Portland Heights will have, beginning with tonight, a patrolman: To the Captains of Police: Commencing July 6, 1903, at 5 o'clock p. m., the following rules will be observed in the time of change of different reliefs in the police force:

The first night relief will report for duty at 5 o'clock p. m., and will report off duty at 1 o'clock. The second night relief will report on duty at 12:45 a. m., and report off duty at 8:45 a. m. The day relief will report on duty at 8:30 a. m. and report off duty at 5:30 p. m.

The officers on each beat will remain on their respective beats until the relieving squads have reached their respective districts. Whenever a call is made for special night duty, the detail will be made from the day force, and the same rule will apply to the night force when a call is made for special duty for day duty.

Whenever a call is made for officers to perform extra duty, the captains in charge of the relief from which the detail is to be made will select the men for such duty in rotation, so that extra work will be equally divided as nearly as possible. It has been the custom heretofore for those desiring the services of police for extra duty to name the officer desired. The objection to this is that a larger share of the work falls upon one than another. There may be times when such regard for special reasons may be granted. When this is done, the service must be credited to officers in the division of the extra work. An officer will be placed on Portland

Heights tomorrow night. Two new officers, Kay and Roberts, will be added to the North End district. CHARLES HUNT, Chief of Police.

The Northern Pacific Railway Company will place on sale on the 24th of this month and each following day till June 29, inclusive, and on July 15 and 16, and August 25 and 26, very low excursion rates to points East and return. Tickets will be good for stop-over on both the eastbound and westbound trips, and final limit for return will be 90 days from date of sale. Call on or write A. D. Charlton, assistant general passenger agent, 255 Morrison street, corner Third, Portland, Or., for rates, routes and full information.

**TWO FEDERAL POSITIONS**

Examinations for the positions of architectural and structural draughtsman in the United States Quartermaster's Department at large, and electrical engineer and draughtsman in the supervising architect's office, Treasury Department, will be held in Portland on August 5. Each position carries an annual salary of \$1,200. Persons desiring to compete should apply to Z. A. Leigh, secretary of the Board of Examiners, at the Postoffice Building, in this city.
