ODDS AND ENDS FOR MEN....

The following list of specials is only a fragment of the many good buys you can find in the men's department. Be careful to note that some of the lots of underwear are only in large sizes. We are anxious to clean these pieces out, hence the low figures at which they are marked.

THE GREATEST

Mill-End and Odds and End Sale

Ever held in Portland is now in progress at this store. Tons of short ends of goods have been procured from the different Eastern mills, and marked at such ridiculously low figures, that strangers to the house would treat the thing as a good joke. All we ask is for the skeptical to call in and examine our goods and prices, and we know the result will be favorable to us. A number of the items cannot be replaced at the prices quoted, so an early call will be necessary to avoid disappointment. The odds and ends are broken lines left over from this season's trade.
