THOS. C. DEVLIN,
Auditor of the City of Portland.
Portland, Oregon, July 8, 1903.

PROPOSED IMPROVEMENT OF SEVENTEENTH STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 1st day of July, 1903, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Seventeenth street from 58½ feet north of the north line of Vaughn street to the south line of Marshall street, as follows:

First—On all that portion of said street lying between a line 50 feet north of and parallel with the north line of Marshall street and a line 10 feet north of the south line of Pettygrove street and also all that portion of said street lying between a line 10 feet south of the north line of Pettygrove street and a line 50 feet north of the north line of Quimby street, as follows:

(a). By grading the street to the proper sub-grade to a width equal to the plank roadway as shown by the City Engineer's plans, specifications and estimates.

(b). By planking on all that portion of the above-described street in accordance with the City Engineer's plans, specifications and estimates.

(c). By constructing sidewalks in accordance with the City Engineer's plans, specifications and estimates.

(d). By constructing crosswalks.

Second—By improving all that portion of said Seventeenth street lying between a line 58½ feet north of the north line of Vaughn street and the south line of Marshall street, save and except all that portion of said street lying between a line 50 feet north of the north line of Marshall street and a line 10 feet north of the south line of Pettygrove street, and also all that portion lying between a line 10 feet south of the north line of Pettygrove street and a line 50 feet north of the north line of Quimby street, as follows:

(a). By removing from the surface of the street full width with full intersections all loose earth, mud and debris of all kinds.

(b). By bringing the surface of the street full width with full intersections to proper grade with crushed rock and crushed rock screenings.

(c). By constructing artificial stone sidewalks on the east side of all that portion of said Seventeenth street lying between a line 12 feet south of the north line of Marshall street and a line 12 feet north of the south line of Northrup street, in accordance with the City Engineer's plans, specifications and estimates, and also on both sides of all that portion of said Seventeenth street lying between a line 50 feet north of the north line of Quimby street and a line 58½ feet north of the north line of Vaughn street.

(d). By constructing crosswalks.

The said improvements to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 1st day of July, 1903, indorsed: "City Engineer's plans and specifications for the improvement of Seventeenth street from 58 feet north of the north line of Vaughn street to the south line of Marshall street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the City Charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet south of and parallel with the south line of Marshall street and a line 58½ feet north of the north line of Vaughn street, and between a line 100 feet west of and parallel with the west line of Seventeenth street and a line 100 feet east of and parallel with the east line of Seventeenth street.

The Engineer's estimate of the probable total cost of the improvement of said Seventeenth stret is $8,316.00.

The above improvement on all that portion of said street lying between a line 50 feet north of the north line of Marshall street and a line 10 feet north of the south line of Pettygrove street and all that portion of said street lying between a line 10 feet south of the north line of Pettygrove street and a line 50 feet north of the north line of Quimby street, shall be classed as a plank roadway improvement and shall be maintained by the city for a period of two years, and also on all that portion of said Seventeenth street lying between a line 58½ feet north of the north line of Vaughn street and the south line of Marshall street, save and except all that portion of said Seventeenth street lying between a line 50 feet north of the north line of Marshall street and a line 10 feet north of the south line of Pettygrove street, and also all that portion of said street lying between a line 10 feet south of the north line of Pettygrove street and a line 50 feet north of the north line of Quimby street, shall be classed as a macadam improvement and shall be maintained by the city for a period of 2 years, provided, that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such periods.

The plans, specifications and estimates of the City Engineer for the improvement of said Seventeenth street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.

THOS. C. DEVLIN,
Auditor of the City of Portland.
July 6, 1903.
