101-103 GRAND AVENUE, CORNER EAST WASHINGTON STREET

You will pay less for Fancy Goods, Furnishings and Notions here than in any other store in Portland. Every desirable sort is offered at a saving of a quarter to a half. There is to be no Summer idleness here if low prices can help it. Not a garment, not an article is lacking in merit—qualities are supremely good. We sell only reliable goods, and as to prices—we ask you to compare ours with those asked elsewhere.
