THE SEVENTY-NINTH CONVENTION, O. O. F.

Sovereign Grand Lodge Will Give Annual Communication at Baltimore Beginning Tomorrow, Lasting One Week.

(Journal Special Service.)

Baltimore, Md., Sept. 19.—The 79th annual communication of the sovereign grand lodge of the Independent Order of Odd Fellows will be held in Baltimore, beginning tomorrow and continuing throughout the week. The sovereign grand lodge is composed of about 250 representatives of grand lodges of the order in different states, territories and foreign countries. Auxiliary organizations will meet during the week. These include the Rebekah assembly and the Patriarchs militant.

A daily attendance during the week of from 25,000 to 30,000 Odd Fellows is estimated by the committee in charge of the entertainment. On the big day which is Wednesday next, 100,000 visitors are expected to be here to see the parade, which will be reviewed by the governor and other state officers and the grand jury and representatives of the sovereign grand lodge.

Already there is a perceptible influx of Odd Fellows. The committee on appeals has been in session two or three days. Tomorrow morning the patriarchs militant will escort the sovereign grand lodge to the legislature. In the afternoon a grand rally will be held in Ford's opera house, at which Assistant Grand Secretary Edwin J. Curry will make the opening address and Grand Representative Alfred S. Pinkerton of Worcester, Mass., will make the principal address.

A Public Meeting.
Monday a public meeting will be held at Ford's opera house, at which addresses will be heard from Governor Smith, Mayor McLane, Grand Master Edward Rossman, Grand Patriarch Adrian Hughes, Commandant Commander George W. Goodman and Grand Sire J. B. Goodwin. After the public program has been completed the grand representatives will adjourn to the Odd Fellows' temple for the opening business session. Monday evening will be occupied with social features.

Tuesday the sessions of the lodge will continue in secret. In the afternoon there will be competitive drills by the Patriarchs Militant. The cantons of this order will fill in competition for about \$5,000 in prizes. Tuesday evening there will be a reunion of the past grand representatives and an exemplification of Patriarchs Militant degree by the department of Pennsylvania.

Wednesday afternoon the grand parade will be held. At the head of the parade will be the city of Governor Smith, with his staff, Mayor McLane and other dignitaries will occupy a reviewing stand, while at Saratoga and Cathedral streets the grand sire and the representatives of the order will review the procession. Large parades have been held for the lodges which send the largest number to participate in the parade. The committee hopes to have 100,000 Odd Fellows in line.

Grand Concert and Ball.
Wednesday evening a grand concert and ball will be tendered the visiting Odd Fellows. Great numbers will attend the concert and the ball, which will be held at the Fifteenth regiment armory and will be preceded by a reception. Thursday will be occupied with an excursion to Annapolis.

Much important business is to be transacted during the several days of the grand lodge which will be in session. There will be no grand officers elected at the convention, each being elected for a term of two years, and the election having been held last year. The report of Grand Secretary Frank Grant will show that about 100,000 members have been added the past year, and that about 12,200 lodges have been instituted in this and other countries. The order now has members in 19 foreign countries, but is stronger in the United States than in any other part of the world.

One of the important matters to come before the meeting is the question of introducing the order into South Africa. A plan has been proposed by the grand lodge of Australasia, but there is some opposition on the part of some of the grand representatives. The grand lodge of Australasia is a quasi-independent jurisdiction, but makes annual reports to the sovereign grand lodge. It is likely that if it introduced the order into South Africa it will claim the lodges established. Naturally, it is wished for them to be directly under the sovereign grand lodge if this body makes an appropriation for the purpose of introducing the order there.

The citizens of Baltimore have completed plans on a large scale for the entertainment of the visiting Odd Fellows. Besides the main features of the entertainment program, including public receptions, concerts and a grand ball, there will be special and attractive features in honor of the Rebekah sisters and the ladies accompanying the Odd Fellows. Every evening during the week there will be degree team contests in most of the lodge rooms of the city. The winners of the degree team contests will receive large prizes.

THE VALUE OF CHARCOAL.

Few People Know How Useful It is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purpose. Charcoal is a remedy that takes more drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system. Charcoal sweetens the breath after smoking, drinking, or after eating onions and other strong odors. Charcoal effectually clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of cholera. All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Absorbent Lozenges. These are composed of the finest powdered Willow charcoal, and other harmless and antiseptic ingredients, and they are in the form of large, pleasant tasting lozenges, the charcoal being mixed with honey.

The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the fact is, that no possible harm can result from their continued use, but, on the contrary, great benefit. A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Absorbent Lozenges to all patients suffering from gas in the stomach and bowels, for they clear the complexion and purify the breath, mouth and throat. I also believe the liver is greatly benefited by the daily use of them; they cost but twenty-five cents a box at drug stores, and although in some sense a patent preparation, yet I believe I get more and better charcoal in Stuart's Absorbent Lozenges than in any of the ordinary charcoal tablets."

Mr. Adler is serving his fourth term as secretary of the court, and the members concluded to give him a little surprise. Louis Damman made the presentation speech, and succeeded in shrouding the whole affair in mystery. Brother Adler responded, thanking the members for the beautiful token and expressing his appreciation.

WHEN CUPID CHOSE THE WRONG TARGET

Mrs. L. L. Schilling, wife of Victor A. Schilling, the missing city passenger agent of the O. R. & N. Co., was granted a divorce from her husband by State Circuit Judge Cleland yesterday afternoon. The ground alleged was desertion. Schilling and his wife, formerly Miss Shelby, were married in Portland about three years ago. Last year Schilling disappeared, and the cause of his disappearance has never been explained, but it has been said that he has another wife in Tacoma. He has not been heard from since he left Portland, although the Lodge of Elks, of which he was a prominent member, made a diligent search for him.

DIVORCES

Divorces on the ground of desertion were also granted to Minnie Baumer from George Baumer, George C. Snellner from Edie Snellner, and Orrin R. Baker from Alfreda Baker.

HEALTHY WOMEN

Praise Pe-ru-na as a Cure and Preventative of Catarrhal Disorders.

Miss Elizabeth Uber, No. 67 Bassett street, Albany, N. Y., writes: "I have always dreaded the fall and winter because of my extreme liability to catch cold, when catarrhal troubles would quickly develop through my entire system which it would take weeks to drive away. I am thankful to say that since I have taken Peruna, I do not have any reason to dread this any more. Last fall when I suffered with my old trouble I took Peruna and in nine days was completely cured and since that time, if I have been at all exposed to the damp, wet or cold weather, I take a dose or two of Peruna and it throws out any hint of sickness from my system. I gladly endorse it."—Miss Elizabeth Uber.

Mrs. Wm. Dewey, Saranac Lake, N. Y., is second cousin of Admiral Dewey. In a recent letter she says: "Peruna is the most valuable of any remedy that I have ever used for coughs, colds, etc. I cheerfully recommend it as a certain cure if used according to directions."—Mrs. Wm. Dewey.

Miss Rosa Gerbing, a popular society woman of Crown Point, Ind., writes: "Last winter I took a long drive in the country, and being too thinly clad I caught a bad cold which settled on my lungs, and which I could not seem to shake off. I had heard a great deal of Peruna for colds and catarrh and I bought a bottle to try. I am pleased that I did for it brought speedy relief. It only took two bottles and I consider this money well spent."

"You have a firm friend in me, and I not only advise its use to my friends, but have purchased several bottles to give to those without the means to buy, and have noticed without exception that it has brought about a speedy cure wherever it has been used."—Miss Rosa Gerbing.

To neglect a cold is to invite chronic catarrh. As soon as anyone discovers the first symptoms of catching cold he should at once begin the use of Peruna according to directions on the bottle, and the cold is sure to pass away without leaving any bad effects.

Unless this is done the cold is almost sure to end in the second stage of catarrh which is making so many lives miserable. If Peruna was taken every time one has a cold or cough chronic catarrh would be practically an unknown disease.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address: Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
