## DOLLY GRAYS ROUNDLY TROUNCED

### PORTLAND BROWNS GET INDUSTRIOUS WITH THEIR "WEEPING WILLOWS" AND SEND DOLLY'S CURVES FAR FROM THE GRASP OF THE ANGELIC FIELDSERS.

(Journal Special Service.)  
Los Angeles, Nov. 21.—The Portland Browns had on their batting clothes yesterday and pounded Dolly Gray's shoots and benders all over the lot, and when the final fusillade was delivered, they had stacked up a total of 29 bingos. The Los Angeles players were well represented in the outfield, but their error column was also decorated plentifully. Helsey Spies and Dummy Hoy were the stickers for the home team, the former securing a home run and two doubles off the redoubtable Shields. Buck Freeman carried off the batting honors by making five clean hits and had the scorers stretched a point they might have credited him with six instead of giving Bud Smith an error.  
Every one of the visitors scored a run or two but Clarke, who might also have tallied had he not gotten in the way of a ball from Shields' bat in the second. The score follows:

## ARE BATTLING FOR SUPREMACY TODAY

(Journal Special Service.)  
Eugene, Or., Nov. 21.—The great annual gridiron battle between the Oregon Agricultural college eleven and the University of Oregon team takes place this afternoon in this city.

The absence of Reed and Earl from the "rarity line" will somewhat cripple that team, but Meland and Egan who are to fill their positions are reliable players and will do their best. An enthusiastic football rally was held on the campus last evening, at which speeches of encouragement were made and a general good time indulged in by the members of the eleven and their admirers.

Present indications point to a record-breaking attendance at this afternoon's contest.

The following table shows the previous results of contests between these two teams:

Year	U. of O.	O. A. C.
1894	0	16
1895	0	4
1896	0	4
1897	0	26

## WASHINGTON DOWNS NEVADA ELEVEN

(Journal Special Service.)  
Seattle, Nov. 21.—The University of Washington defeated the University of Nevada yesterday in one of the hardest fought football contests that has ever taken place in the Northwest. The two eleven appeared to be evenly matched and the closeness of the score shows how hard a battle it was. The score when the final whistle blew stood 2 to 0 in Washington's favor.

The safety which gave Washington her two points was made in the first half when Segrist blocked a punt, forcing Triebel of Nevada to fall on the ball for a safety. Spiedel tried a place kick from the 15-yard line, but the effort fell too low.

## NEWTON TO FITZ FOR PORTLAND.

(Journal Special Service.)  
Los Angeles, Nov. 21.—"Doc" Newton, the premier southpaw of the Coast league, will don a Portland uniform in tomorrow's game and endeavor to fool his team-mates. Managers Morley and Ely got their heads together yesterday and conceived this unusual scheme to draw the ducks into their wallets. Dr. Eustace Newton will be allowed to twirl against Morley's champions, and Oscar Jones will decorate one of Morley's uniforms and pit his best curves and shoots against the Webfoots.

YALE'S BIG CENTER RORABACK IN THE ACT OF SNAPPING A BALL BACK FOR A KICK. HE IS ONE OF THE MAIN STAYS OF FOOTBALL PLAYING SONS OF ELI THIS YEAR.

## MANY MEN PLAYED WITH THE BROWNS

A complete list of all the players who have worn a Portland uniform this season is as follows: Pitchers, Engle, Kotal, Slagle, Thatcher, Hogg, Loucks, Morris, Shields, Butler, McFarlan, Thielman and Jones—12. Catchers, Vigneux, Harlow, Huriburt, Hess, Shen, Clarke and Anderson—7. First basemen, Chiles, Shafter, Eisey and Freeman—4. Second basemen, Anderson—1. Shortstops, Schmeer, Zinsar, Raidy and Hollingsworth—4. Third basemen, Andrews, Kelly and Francis—3. Outfielders, Nadeau, Van Buren, Carlos Smith, Murdock, Hulseman, Hurlbert and Blake—7. A total of 35 players who drew salary for services rendered during the season, except in the case of Chiles, Murdock, Thatcher and Hulseman. Murdock was not given an opportunity to play and Chiles and Thatcher were let out before the season started, while Hulseman displayed his ability in one game and departed.

Of all the players named, Anderson and Hurlbert are the only ones to have played in one single position, excepting Danny Shea the catcher. Of the 11 twirlers who at one time or other displayed the curves and shoots for the Browns all but Morris, Hogg and Kotal played in two or three different positions. Called. Carlos Smith occupied the slab in one game. Phil Nadeau played at short during three league contests. Van Buren held down the first cushion for a considerable time, and also officiated behind the bat. Hulseman played at second and in the outfield in addition to the shortstop position. Claude Schmeer officiated at second and third and in the right garden on several occasions. Harlow held down third and first for the latter part of two games. He Francis is now playing the shortstop position. Jay Andrews played in the outfield while on Wilson's team, and Harry Blake is now playing third satisfactorily. Clarke played in right field during the last three games in San Francisco.

## AMONG THE HORSEMEN

Frank B. Stone, the Wyoming bronco-buster, has accepted the offer made by John C. Coble to ride Steamboat according to mountain-and-plain festival rules and whip him every time he hits the ground. For \$100 Stone promises to tie and ride around the outlaw's body and ride him bareback.

At Birmingham, Ala., recently Dan Patch paced a mile on a half-mile track in 2:03.4, lowering the only world's record for pacers outstanding against him. The record previous to this was 2:03.7, held by Prince Alert. Patch's time by quarters was 0:30.5, 1:01, 1:32.4, 2:03.4.

## MAN OF HONOR WINS FROM A LONG SHOT

## DIAMOND GLISTENINGS

Well. It required 20 hits. Freeman batted out fine. The Seraphs' fielders got tired chasing balls. Dillon took his team off the diamond after the game. Morley walked home alone as soon as he saw the last man die. There is still a chance for the Browns to tumble into third place. It is a long chance, too, by the way. Nadeau seems to play ball whenever he is in the humor. Poor fellow! He may be a good player, but then there are others.

Manager Armour of the Cleveland Indians he will have a second Parent in Shortstop Pastor of the Nashua club. President Killias states that the Boston American league club will start next season with about six new men for a try-out. The Pittsburg Dispatch critic says he would not give Leach for two Collinses. Probably not, for there is only one Jimmy Collins. Jesse Tannehill declares that the high altitude of the New York American league grounds is responsible for his poor showing this year. The famous Buck Ewing believes that the American league as a playing organization is two to one stronger than the National league. Willie Keeler is playing the races on the information he gets from Frank Farrell, the head man of the New York club. He ought to win out on that proposition. Dineen, Criger and Freeman will undoubtedly select Hot Springs for their training spot in the spring. Dineen insists it is a place beyond compare for pitchers. Swander did so well in the post-season games that he will be a regular in 1904. Barney Dreyfuss and Frank Selee both had their eyes upon this promising young player. Dougherty of Boston is considered by his fellow-players one of the greatest long-distance throwers in the country. It is said that he is capable of beating Hatfield's record throw.

## BRITT WINS FROM MARTIN CANOLE

(Journal Special Service.)  
San Francisco, Nov. 21.—Jimmy Britt once more demonstrated his superiority over all fighters in his class, by winning from Martin Canole last night in a terrific 25-round slugfest affair at Colma, Cal. The contest was one of the cleverest and toughest ever witnessed in this state, the fight going the limit and the decision being awarded on points. Britt was unable to land a knockout, although he tried his utmost in the terminal round, but the wary eastern boxer managed to escape Britt's fierce swings, thus saving himself from going out. A large crowd of spectators attended the fight and at the ringside Britt money was plentiful at 2 to 1 and 2 1/2 to 1. Several good wagers being lost at 3 to 1. The price was entirely too much, because Britt is not more than an even bet with Canole, but the confidence of Britt's friends was too strong and thus the prices were forced in his favor. Britt's most effective work was done at long range, his left hand upper swings inflicting great punishment upon Canole. As the battle progressed the Massachusetts man began to bore in on the Californian and gave Britt a fearful wallop. Backers of Britt began to squirm nervously in their seats when they saw the deadly work that was being done by the favorite. In the last five rounds, however, Britt failed in and outpointed Canole two for one. Canole vainly endeavored to rally, but couldn't muster sufficient strength, and yet Britt wasn't strong enough to score a knockout.

## HOLMES TO PLAY PACIFIC.

The Holmes Business college football team will play a game this afternoon with the Pacific University eleven at Forest Grove. The Portland boys have been practicing hard in anticipation of this contest, and also those scheduled for next week, which will require their best efforts to uphold the laurels they have gained on the gridiron this season. On Thanksgiving day the Holmes eleven engage the Eugene high school team at Eugene for the gridiron honors, and the following Saturday they are scheduled to meet the Cottage Grove high school eleven at Cottage Grove. The Holmes team also has under consideration a challenge from the Hovium high school team, which will probably be accepted, the contest to take place in the near future. The teams will line up at Forest Grove in the following order: Pacific. Holmes. R. E. L. Sparks. G. Philbrook or Cooper. R. T. Napier. J. A. Philbrook or Hoeford. R. G. L. Gates. Nealand. C. G. Brown. Boulanger. C. C. Brown. Shively. L. E. R. Batnett. McNeelan. R. H. L. Kirkwood. Simonton. L. H. R. Mary. Haynes. Q. B. Leiser. Custer. F. B. Fletcher. Holmes Business college subs—Crawen, Engley, Shattuck, Smith and Wait.

## OLDFIELD BREAKS AUTO RECORD.

(Journal Special Service.)  
Los Angeles, Nov. 21.—Beney Oldfield broke the world's auto record yesterday on an oval track, covering the mile in 55 seconds flat.

## QUEENAN AND SIEGER DRAW.

Vancouver, B. C., Nov. 21.—Perry Queenan of Seattle and Charlie Sieger of New York fought a 20-round draw in this city last evening before a large crowd. Queenan almost had Sieger out in the seventeenth round, but the "Iron Man" recuperated and finished strong.

## ELI AND CRIMSON IN BATTLE ARRAY

YALE MEN ARE CONFIDENT OF DEFEATING HARVARD, WHILE THE LATTER IS HOPEFUL OF GETTING AWAY WITH THE ANNUAL COTEST.

Yale and Harvard eleven face each other this afternoon for their 27th annual football contest. The eyes of the football world are cynosured upon Soldiers field, as the outcome is eagerly watched and the result will determine the championship. Harvard is not so heavy as Yale, but are well trained and probably better coached. Yale will depend upon her powerful guards and tackles to smash the crimson line, while Harvard will try to advance the ball by end runs and sharp masses outside of the Yale tackles. Should Yale play her game, it is doubtful if Harvard can even hope to stop her vicious attack. This week the Yale eleven were carefully instructed in a set of new plays which they will work today, and upon which the New Haven men expect to surprise Captain Marshall's men. Notwithstanding Yale's defeat by Princeton last Saturday, backers of Eli are betting 5 to 1 that Yale will win easily.

## BIG OVAL FOR BERKELEY.

If the plans of the executive committee of the Associated Students, the board of regents and John Galen Howard are carried out the University of California will have the best football oval on the coast. When the gong called them to the center Herrera started after Cordell with a bit of sparring and turned loose a rapid variety of right hand swings. One hit the youngster on the back of the head and down he went. He remained down for about 5 seconds and then arose. The Mexican rushed him, but was met with a series of rights and lefts that made him cautious until the end of the round. The second and third were even, but from then until the seventh Cordell had it on points easily. The eighth was Herrera's, but Cordell came down with one of his right swings. The blow did not hurt and when the round ended Cordell seemed the fresher. From now until the fourteenth Cordell's vicious jabs gave him the lead which the Mexican played to overcome. Herrera went to Cordell and the house was in an uproar. The victory was a popular one. He had the better of the greater number of rounds although he was sent to the carpet three times. The blows did no damage.

## BASEBALL GOSSIP OF GENERAL INTEREST

Tim Murnane, the veteran baseball player and writer, says that Boston stands alone in its absolutely fair treatment of visiting clubs, and while other cities are improving, they have a long way to go to come up with Boston in this respect. All the players speak of it and travelers marvel at the method. "Giving a home team encouragement," says Murnane, "is the proper thing to do, but trying to help a home team by loudly abusing visitors is bound to cheapen the sport. It is not done in Boston and that is why the city ranks first among baseball people.

## WANTS PRELIMINARY PRACTICE.

"Happy" Jack Huston, the well-known baseball player and umpire, now a resident of Bakersfield, Cal., is in correspondence with the Portland and Seattle teams of the Pacific Coast league in regard to securing one of the organizations to do their preliminary practice at Bakersfield. Joe Corbett, the California pitcher, now at Los Angeles, says: "I will not declare that there is no possibility of me joining the Pittsburg team next season, as I do not know what offers they may make. I will have to wait for something more definite from them."

## SPORTS OF EVERY KIND.

Today there will be held a rifle contest for the members of the San Francisco police department, Cincinnati and Washington, D. C. Six men will represent each department. The contest scores will be by telegraph. Maj. Sylvester of the Washington police has offered a silver cup as a prize. On January 13, 1904, A. W. Pape of the Olympic and Dolphin Boat clubs of San Francisco, for several years champion of single shell sculls on the Pacific coast, will meet in a one and a half mile race F. W. Ayres, Pacific coast champion of the outrigger skiff, Merritt, Oakland.

## BOXED IN SPITE OF THE LAW.

(Journal Special Service.)  
New York, Nov. 21.—A 15-round boxing contest was pulled off last evening in this city notwithstanding the law against such events. William Schumacker and "Kid" Murphy, featherweights, were the contestants, the former winning the decision. A large crowd witnessed the affair. A police sergeant is said to have referred the fight.

## OLDFIELD FAILS AT RECORD.

Barney Oldfield, the motor king, failed at San Jose on the 15th inst. to lower his world's record, owing to the machine getting out of order. His fastest mile was 1:00.2-5.

(Journal Special Service.)  
San Francisco, Nov. 21.—Joe Chery, who is after a date with Frankie Neil for the featherweight championship of the world at Detroit, and according to a statement of James Neil, Sr., they must fight at San Francisco and the weight must be specified at 122 pounds. Neil, however, makes an exception of Bennie Jordan, the English champion, whom he says he will meet under any conditions. By defeating the latter Neil would hold the world's championship.

## PREFERRED STOCK CANNED GOODS.

Allen & Lewis' Best Brand.

## FRISCO MAY HAVE ANOTHER CHAMPION

(Journal Special Service.)  
San Francisco, Nov. 21.—Has San Francisco another champion? That is what the sports have begun to think. Jack Corbell, until recently an amateur, surprised the talent Tuesday night in Oakland, when he handily defeated the much-touted Mexican after fifteen rounds of fierce fighting. Aurelio Herrera had been beating the best the Northwestern country could produce, and many thought he might prove the master of Young Corbett. But they will now take a different view of things and turn their attention to the young Corbell. But a youngster, he is there with the same grit and determination that made Eddie Hadlon famous. His cleverness is over the average and he can hit like the kick of a mule.

## JACK CORDELL, WHO SO EARLY DISPOSED OF MEXICAN KERRERA, WILL BE IN LINE FOR CHAMPIONSHIP HONORS—OTHER BOXING NOTES.

The crowd that crossed the bay to see the fight was good and not there was quite a little betting indulged in with Herrera a favorite at odds of two to one. It was figured that he would be too fast and strong for his opponent. But when the fight started there was a different tale. The youngster was never throughout the 15 rounds fought, but he was there with the mix-up at all times. His long jab proved to be the undoing of the Mexican. When the gong called them to the center Herrera started after Cordell with a bit of sparring and turned loose a rapid variety of right hand swings. One hit the youngster on the back of the head and down he went. He remained down for about 5 seconds and then arose. The Mexican rushed him, but was met with a series of rights and lefts that made him cautious until the end of the round. The second and third were even, but from then until the seventh Cordell had it on points easily. The eighth was Herrera's, but Cordell came down with one of his right swings. The blow did not hurt and when the round ended Cordell seemed the fresher. From now until the fourteenth Cordell's vicious jabs gave him the lead which the Mexican played to overcome. Herrera went to Cordell and the house was in an uproar. The victory was a popular one. He had the better of the greater number of rounds although he was sent to the carpet three times. The blows did no damage.

## Big Sandy Ferguson, fresh from Boston, is on the ground. He comes to meet the colored heavyweight champion Jack Johnson, at Colma on December 4. He is a monster, standing over six feet and weighing over 200 pounds. His last battle was with Joe Walcott, whom he beat in 15 rounds. He has begun work for the contest at Larkspur, where George Gardner is working for Fitzsimmons. They will train together.

## Jack Johnson's Def.

Jack Johnson is out with a def to the winner of the fight between Bob Fitzsimmons and George Gardner. His manager, Zuke Abrams, the horseman, today deposited \$1,000 with the sporting editor of a local paper to bind the match. He will let the money go as a side wager. He will raise the amount to \$2,500 if the fighters want. Johnson is more than confident that he can win the title. He is bigger and stronger than ever before, and furthermore, has a decision over Gardner which he won rather easily. "If I can skin him when I know but little, what can I do when I have annexed the championship?" were Johnson's words last evening. "He is out with the statement that he under-rated me when we last met. Well, he is mistaken. It was I who had under-rated him, or I would have dropped him. He has done a big defeat Fitzsimmons. I will hunt him up. If he loses, I will hunt up the old boy. Then after I beat Fitz, I will take Gardner on just to show him how easily I can beat him," were his parting words.

## FREDERICKS CALLS OFF BOUT WITH SIDONS

(Journal Special Service.)  
Helena, Mont., Nov. 21.—Manager Agatz of the Helena theatre, who had in charge the proposed match between "Kid" Fredericks and George Siddons which was to have been pulled off December 2, has announced that the match has been canceled. Agatz received the following telegram from Fredericks: "Cannot come; going East. Call match off." Siddons, who came out from Chicago to meet Fredericks, has decided what he will do. He is still in this city.

## Lee Tannehill, it is said, will not be let out by Comiskey. The "Old Roman" believes that he would have made good with a live one on either side of him.

## RHEUMATISM

Kidney, Stomach and Nervous Troubles are Positively Cured with Oil of Eden and Sweet Spirit of Eden. They are not cheap remedies, but inexpensive cures. \$5 will buy the lot. Sold by all first-class druggists. Much Relief and Life Prolonged for Sufferers from RHEUMATISM. My wife had a Fibrous Tumor and was treated at one of the best hospitals I could find. I was finally told she was incurable and would die in a few months at the longest. This was very discouraging and knowing what Oil of Eden had done for a sore leg of mine we concluded to try Oil of Eden over the region of the tumor, which we did, and removed through the pores of the skin large quantities of matter and corruption. She improved so fast that she soon began doing her own housework and then did her cooking, washing, ironing and general house work for a year and a quarter, and we kept her alive for many years by the use of Oil of Eden. Its use will bring joy and happiness to many if only used as it is a most wonderful remedy. Don't commence to use the Oil of Eden and quit because you see a blister or mark, but continue as long as you can. The impurities come to the surface, for that is the cause of the disease, and when no more matter and blisters come to the surface the disease is removed. Then Oil of Eden will have no more effect than olive oil. WASHINGTON, D. C. GEO. C. FOSTER. July 15, 1903.
