> Until yesterday, when the information against him was formally dismissed. Harry Tracey, the notorious bandit and murderer, who met a tragic death in Washington two years ago, stood charged with assault on the books of the Multnamah circuit court. The infor mation was dismissed by Judge Cleland, with a number of others, which had accumulated for several months.

Tracey's information charges assault with a deadly weapon on Ned Dougherty. March 21, 1899. Dougherty was jaile at the time and Tracey made a daring attempt to escape from the jail.

### QUARANTINE FLAGS ARE TORN DOWN

The county health board is experiencing considerable difficulty in establishing a strict quarantine of scarlet fever patients in Montavilla. Quarantine Officer Evans said today in a num-

Montavilla a week ago, but quarantine Montavilla a week ago, but quarantine Montavilla a week ago, but quarantine Manager Mana flicted had not even called in doctors, and in such cases the quarantine flags were torn down."

The quarantine will be rigidly enforced by the board from now on, and offenders will be promptly punished. All school children who have been exposed to the disease have been excluded from school, and will not be allowed to return until the danger is past.

## JUST IN TIME FOR THANKSGIVING

Another Sensational Cut in Piano Prices That Will Make Scores of Eappy Homes.

The three carloads of choice, brandew instruments offered at specially low prices during our opening week were disposed of before the week was out. The biggest piano values ever offered in Portland were continued in this extraordinary occasion, and scores of buyers took quick advantage of the opportunity.

Three more carloads have just come n, and they are going to be sold, commencing this morning, at the same prices as the last lot.

We are celebrating the opening of the newly arranged salesrooms in this way. Every one of these pianos will be offered at a reduction of from 20 to 30 per cent; 1.200 for \$197; \$350 planes for \$264, and \$400 pianos for \$312. Here are big savings for bright buyers. They are for this 5,250 week only, however, and there are but three carloads of them, so the earlier your purchase is made, the better your 82 chance of securing one of them.

Easy payments of as little as \$6.00 a month may be arranged for. Remember the new entrance (old number), 351 Washington, near corner of Park, or Eighth street, Eilers Piano House. Biggest, busiest and best plano dealers.

For bargains. Secure a \$35 lot for \$3.00 down and pay the balance at your leisure. Think of buying a lot in this beautiful addition for \$35. Only 20 minutes from the business center. A few days more will close out this addition. Take Mt. Scott car at First and Alder.
