Kidney Discases." he adds. Dr. Reade, a prominent physician of 1371 Seneca street, Buffalo, N. Y. who has been examining applicants for life insurance for years, states that more people are troubled with weak and im-perfect kidneys than with any other form of disease, though few suspect the presence of kidney trouble. He em-phatically adds Safe Cure is the most wooderful specific for kidney diseases known to science. He writes: practice and with a marked degree of success. alone upon my private practice. "In the course of my work I have had occasion to examine thousands of people for life insurance. More were rejected on account of kidney troubles than for all other causes put together. Almost every other man has kidney trouble. Yet few suspected the presence of the disease when they came for examination

trouble. Yet few suspected the presence of the disease when they came for ex-amination. "Many of those rejected returned later on cured and ready for re-examina-tion and were accepted. I never failed to inquire as to the treatment used and almost without exception I was told that it was Safe Cure. "From my own practice, from observation of the cases of a very large num-ber of life insurance applicants, and from conversation with fellow physicians who prescribe Safe Cure, I can recommend it as a wonderful specific." S. J. READE, M. D. Kidney troubles creep into the system unawares. Before you know it they are deep seated. Do not neglect yourself if you have any of the following symp-toms: Pains in the small of the back, painful passing of urine, cloudy urine, a reddish, brick dust sediment in the urine after it stands 24 hours, pains in the back of the head and neck, rheumatic pains and swellings in any part of the body, eczema, drowsiness, loss of appetite: or if a woman bearing-down sensa-tion, painful periods, fainting and other so-called female troubles. These all tell you your kidneys have been diseased for several months for outward symp-toms seldom show themselves until the poison has penetrated the different organs and the danger point has been reached. ### SAFE CURE CURES KIDNEY TROUBLES.

It is purely vegetable, contains no narcotic or harmful drugs, and is a most valuable and effective tonic. It awakens the torpid liver, soothes inflammation and irritation, repairs the tissues, stimulates and fields the enfeebled organs, and builds up a strong, healthy body. Safe Cure is the certain and unfalling remedy. It not only removes the first symptoms but cures advanced cases of Bright's Disease, Diabetes, Rheumatism, Gout, Gall Stones, Inflammation of the Bladder, Liver and Urinary Organs. It is prescribed by doctors, and used in hospitals. You can buy it at any drug store or direct; 50 cents and \$1.00 a bottle.
