Notice is hereby given that at the meeting of the council of the city of Portland. Oregon, held on the 2d day of December, 1903, the following resolution was adopted:

Resolved, That the council of the city of Portland, Oregon, deems it expedient and proposes to improve Northrup street from the west line of Twenty-second street to the east line of Twenty-third street, in the following manuer, to-wit: west line of Twenty-second street to the east line of Twenty-third street, in the following manner, to-wit:

First—By grading the street to the proper subgrade full width.

Second—By bringing the surface of the street full width to the proper grade with macadam.

Said improvement to be made in accordance with the charter and ordinances of the city of Fortland and the plans specifications and settlements of the city engineer filed in the office of the auditor of the city of Fortland on the 30th day of November, 1903, indoceed: "City engineer's plans and specifications for the manner of the city of Fortland on the 30th day of November, 1903, indoceed: "City engineer's plans and specifications for the improvement of Northrup street from the west line of Twenty-second street to the east line of Twenty-third street and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots, and parcels of land lying between a line 100 feet north of and parallel with the north line of Northrup street and a line 100 feet south of and parallel with the south line of Northrup street, and between the west line of Twenty-shrips street.

The engineer's estimate of the probable total cost for the improvement of asid Northrup street is \$1,298.00.

The above improvement is to be classed as a macadam inprovement and shall be unin-

cost for the improvement of said Northrup street is \$1.29.00.

The above improvement is to be classed as a macadam improvement and shall be unintained by the city for a period of five years; provided, that the owners of a majority of the property benefited by said improvement or any portion thereof, shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the city engineer for the improvement of said Northrup street are hereby adopted.

Resolved. That the auditor of the city of Portland be and he is bereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the understrand within 20 days from the date of the first publication of this notice.

By order of the council.

THOS. C. DEVLIN, Auditor of the City of Portland, December 5, 1903.

PROPOSED IMPROVEMENT OF CLIFTON

PROPOSED IMPROVEMENT OF CLIFTON STREET.

Notice is hereby given that at the meeting of the council of the city of Portland. Oregon, held on the 2d day of December, 1903, the following resolution was adopted:

Resolved. That the council of the city of Portland. Oregon, doems it expedient and proposes to improve Clifton street from the west line of Sixteenth street to the east line of Twenty-second street in the following manner, to wit:

Twenty-second street to the street full width with full intersections to proper subgrade. Second—By bringing the street full width with full intersections to proper grade with

EXTENSION OF BUILD STREET. Whereas, The council of the city of Pond, decuming it expedient to open, lay od establish an extension of Guild street, a city of Portland, from the north line and, deeming it expedient to open, my our and establish an extension of Guild street, for the cut of Fortland, from the north line of Thurman street to the south line of Vaught street, did on the 21st day of October, 1903, direct the city engineer to survey the same and to mark in boundaries thereof, and to make a plat of such survey, and a written report containing a full and perfect description of such proposed street and boundaries thereof, and to fisher proposed attreet and boundaries thereof, and of the portion of each lot, tract or part of either, to be appropriated for such street, and the city engineer having made such survey, plat, and report, and filed such plat and report in the office of the auditor on the 31st day of October, 1903, and said report having been adopted by ordinance No. 12,656 antilled. "An ordinance adopting the report of the city engineer in the matter of the proposed opening, laying out and establishing of Guild street from the north line of Thurman street to the south line of Yaughn street."

Now therefore, all persons interested are hereby northed that the council of the city of Portland has appointed J. P. Memerce, W. F. Walte and John Kelly viewers, to view and proposed extension of asid street and make an estimate of the benefits and damaces occasioned by the opening, laying out and establishing of Guild street is 60 feet in width and is more particularly bounded and described as follows:

Beginning at a point in the south line of Vaughn street where the same would be interested by a northerly extension in its present course of the westerly line of Guild street is 60 feet in width and is more particularly bounded and described as follows:

Beginning at a point in the south line of Vaughn street, if extended to the north line of Guild street and westerly line of Guild street the appropriation to public use of the following described parcels or tracts of land:

All that parcel or tract of land lying between the southerly line of visuon's addition and the rortherly line of Wilson

proposed Gulld street, containing 548 aquare feet.

Also all that parcel or tract of land lying between the northerly line of Wilson's addition and the portherly end of Gulld street and between the easterly and westerly line of the proposed Gulld street, containing 590 square feet.

All persons claiming damages by reason of the appropriation of the property above described, or any part thereof, in the proposed opening, laying out and establishing of said street are hereby specially notified to flie their claims for such damages with the auditor of the city of Pertland before the 17th day of December, 1903, at the time appointed for the meeting of the viewers therein.

By order of the council.

THOS. C. DEVLIN, Auditor of the City of Pertland.
