REGULATING SALE OF SWAMP LANDS

(Journal Special Service.) Salem, Dec. 15.—The state land board has decided to hereafter sell swamp lands within the state only after advertising the same and receiving bids therefor, and sales will be made to the highest bidder. The board yesterday afternoon made the following order in this matter:

"In the matter of the sale of unpatented or unsurveyed swamp lands: "It appearing that under sections 3302 and 3303, B. & C.'s statutes of Oregon, the board is authorized to sell unsurveyed swamp lands when applied for under certain conditions, but that it has not been the policy of the board for some years to sell unpatented swamp lands, whether surveyed or unsurveyed, for the reason that prior to the amendment of 1889, in case the state should fall, for any reason, to acquire title to such lands it would be compelled to refund the purchase price, with interest, and that said amendment of 1889 provides that purchasers of any such lands shall waive all claim for the repayment of the purchase price, or interest, inasmuch as the remaining unsold swamp lands of the state are unpatented, or unsurveyed, and in small isolated tracts, scattered over the state so located that it would not justify the state in putting an agent or surveyor in the field to find and ascertain the state's title to such lands, it is now deemed advisable and for the best interests of the state to sell such lands not included within United States reserves or temporary withdrawals as provided by section 3303, and in order that all interested parties may have notice, and that the state may realize the full value thereof, it is hereby ordered that in future all unpatented or unsurveyed swamp lands not included in United States reserves or temporary withdrawals will be sold only to the highest bidder, after the same has been advertised for a period of 90 days in some newspaper in the vicinity of the land, and such other newspapers as the board may select, and it is further ordered that when any person desires to purchase any such lands he will notify the board in writing, naming the section or township in which such lands would be situated, if the United States surveys were extended, when the board will proceed to advertise for bids, and sell the same, if deemed advisable, to the person or persons making the best bid, but not less than the minimum price fixed by law, and otherwise complying with the law governing the sale thereof, contained in sections 3302 and 3303, B. & C.'s statutes of Oregon, the board reserving the right to reject any and all bids. In the case of unsurveyed swamp lands, applicants must have some survey, by the county surveyor, and submit with their bid and application a map of the land they desire to purchase, duly verified, as required by section 3303, B. & C.'s statutes of Oregon. Full purchase price and applications conforming to all the requirements of the law must accompany all bids to insure their consideration."

**Young Republicans.**  
The executive committee of the Young Men's Republican club met last night,

the first meeting since the closing of the city campaign, and discussed the advisability of keeping the organization in working order for future campaigns. This was decided upon and a committee was appointed to look after the matter of perfecting organizations of the young Republicans throughout the county, thus extending the influence of the club and strengthening the party.

During the campaign it was decided that if the party ticket was successful in the city election, a club banquet would be given, and last night steps were taken to carry this into effect. A four-bit dinner, similar to the historic Bryan dinner, will be given at the Willamette hotel next Friday night, when a gathering of the Republican hosts may be looked for, and when the new councilmen and Republicans generally will meet and exchange views and the groundwork for the next year's campaign will be laid. The indications are now that the capacity of the dining hall will be taxed to its utmost capacity.

After lengthy discussion, the committee decided that as a club the organization would ask for no patronage at the hands of the newly-elected councilmen, that no one would be endorsed for positions, leaving the hands of the councilmen entirely unfettered regarding appointments.

**Death of Representative Murphy.**  
The news of the death of Representative Murphy of Union county was received with genuine sorrow and regret in this city yesterday and many were the expressions of grief at his untimely death. Mr. Murphy was well known here, and especially he gained many warm admirers in this city during the last session of the legislature. The flags on the state house were half-masted by order of the secretary of state and at the special session of the legislature, which convenes here next Monday, his death, leaving the hands of the councilmen entirely unfettered regarding appointments.

**Livestock Delegates.**  
Governor Chamberlain yesterday afternoon appointed three delegates to the seventh annual convention of the National Livestock association, to be held in Portland January 11 to 15 inclusive. The gentlemen so named are Charles E. Ladd, Portland; J. G. Edwards, Hay Creek, Crook county; W. F. Jones, Jefferson, Marion county.

**Al Salmon Not Alone.**  
Salem, Dec. 15.—J. J. Fitzgerald, yardmaster at Albina for the O. R. & N. Co., yesterday filed a claim for the reward of \$300 with the secretary of state, claiming to have captured the train robber, Guy Harshman, on September 22. A similar claim was recently filed by Al Salmon, but by the affidavit of Fitzgerald, Sheriff Storey and others, it is shown that Salmon was with the party, but was drunk in the caboose when Harshman was found and taken in by Fitzgerald.

**Forging Ahead in Building Line.**  
(Journal Special Service.) Eugene, Or., Dec. 15.—Elli Bangs, Eugene's pioneer liveryman, has announced his intention of erecting a fine two-story brick block in this city early next year, and has already advertised for bids for its construction. The cost of the new building will probably be in the neighborhood of \$10,000.

Several other brick blocks are contemplated for next spring and summer,

and the building activity in the year 1904 promises to be as great as during the present year. Among other structures put up this year are a \$30,000 theater building, four two-story business blocks, a \$40,000 high school building, besides nearly 200 residences and other buildings.

**Harry Howe.** The little son of Prof. H. C. Howe of the University of Oregon, fell out of a tree Sunday and broke the thigh bone of the left leg. Two physicians were called and they attended the little boy's injury.

**Women of the G. A. R.**  
Rich Mountain circle, Women of the G. A. R., has chosen new officers as follows: President, Mrs. Estella Dimond; senior vice-president, Mrs. Wheeler; junior vice-president, Mrs. Mosier; chaplain, Mrs. Plank; treasurer, Mrs. Reischer; conductor, Miss Ethel Plank; guard, Mrs. Alice Forrest. Delegates to the department convention at Hood River in June were chosen as follows: Mrs. John Tugham, Mrs. R. A. Barlett, Mrs. Rogers, Mrs. E. N. Plank, Mrs. E. McFall, Mrs. G. W. WORTH A THOUGHT

This Statement Will Interest Scores of Portland Readers.

The facts given below are worth a perusal by all who are anxious about their physical condition or are similarly situated to the resident of Portland. It is a local occurrence and can be thoroughly investigated.

Mrs. J. Jenkins, residing at 315 East Sixth street, wife of J. Jenkins, retired, says: "An itching and irritated spot on one of my ears annoyed me for some time. It spread, grew tender and I became uneasy about it, for it resisted all my efforts to check it, although I used more than one salve and ointment. My husband brought home a box of Doan's Ointment, which he got at the Lane-Davis Drug Co.'s store, and urged me to try it. One application soothed, and after a few more the itching and inflammation disappeared entirely. Doan's Ointment is the best remedy for the purposes for which its use is advertised that I ever knew of."

For sale by all dealers; price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's, and take no substitute.

**Next Year's Chautauqua.**

Hon. Harvey E. Mr. Cross reports that the committee has agreed on the best talent that has ever before come to the Coast. Among the leading men who will address the Chautauquas are Hon. Richard Pearson Hobson, Stanley L. Krebs, the celebrated mind-reader, Dr. Newell Dwight Miller, the celebrated Baptist divine, who will deliver 10 lectures at the four Chautauquas, Lou J. Beauchamp, "the laughing philosopher," and others of lesser note.

More money will be spent for talent than before in the history of the Chautauqua assemblies and Mr. Cross believes that the meeting of the Chautauqua next year will be the best ever held. A meeting of the directors of the Gladstone Chautauqua will be called by Mr. Cross in a day or two. The meeting next year will be held July 15 to 24 inclusive.
