#### **COLUMBIA LODGE** MASONIC BANQUET

To celebrate the close of its most suc essful year, Columbia lodge No. 114 A F. & A. M. banqueted its members in the grill room of the Portland hotel last night. More than a hundred plates were laid amid profuse table decorations of American Beauty toses and calla lilies. Numerous toasts were given, inter-spersed with musical selections by the

Palmatier Sisters' orchestra.
In response to a toast, "Masonry as I Know It," J. M. Hodson, M. W. P. G. M., told of conditions that surrounded Ma sonry 40 years ago, compared with those of today. He was followed by P. S. Malcolm, on the subject of "I am a Ma-son." Judge M. C. George, P. M., talked on "Masons vs. Ladies."

Governor Chamberlain was to have responded to a toast "Masons in Office," but sent his regrets. Dr. W. T. Williamson was assigned to the toast and spoke in a happy vein. Chief Justice F. A. ore, who was down for a toast "Masonry and Law." was unavoidably absent. Worshipful Master Willis Fisher was toastmaster.

The program was concluded by Past B. S. Pague, with a brief recital of the history and achievement of the lodge. On behalf of 30 new members who have lately joined the order, A. C. Emmons presented a silver tea service to Past Master Fisher, on behalf of the | years' initiates.

Columbia lodge was organized in De cember, 1894, with a charter of 25 mem-bers, which has grown to over a hundred. Its first worshipful master was Dr. N. A. Downing. The present officers are: W. M., Willis Fisher; S. W., Arthur L. Finley; J. W., Adelbert Rose; treasurer, Joseph Polivka; secretary, B. S. Pague; S. D., Philip Gevurtz; J. D., A. Sunder-land; S. S., J. S. Glenhagen; J. S., Emil Schacht; tyler, J. W. McFarland.

If the convention is secured it will mean the assembling in Portland of 2,000 physicians from all parts of the United States for a period of at least

The meeting to be held between the physicians and the Lewis and Clark officials is for the purpose of perfecting plans whereby Portland's claim may be presented at the 1904 meeting of the national body, which takes place in At-lantic City, N. # DENTAL STUDENTS

The student body at the North Pacific Dental college have decided not to go on strike, as they intended to do yes-terday. The dean, Dr. Herbert C. Miller, was present at their meeting yes-terday, and he says:

"Everything has been arranged satisfactorily to both the faculty and students, and the majority will abide by the decision of the faculty. Of course there are some who never do want to do any thing and they will probably go on Friday; also all those who are anxious to earn a little more money, for many of our young men have to work to keep themselves in funds, and by their getting a longer vacation they will, of course, be able to make so much more money. ## RHEUMATISM

Completely cured after fifteen years of suffering, and expected to be a cripple

for life. Cal. Co-op. Medical Co., Gentlemen: I had the bone in my leg from the knee to the ankle badly bruises Gentlement: I had the bone in my leg from the knee to the ankle badly bruised from a heavy hammer coming from the handle. I caught cold in it and had a terrible leg, so bad that the leg was cut open and some of the bone cut out. The wound was closed and healed, but I suffered for fifteen years with severe pains in the hip and ankle and was finally induced to use Oil of Eden, which I did, and can truthfully say the use of Oil of Eden caused at least two teacupulus of poisonous matter and corruption to come to the surface through the pores of the skin, and am completely cured. I would suggest and insist in any one using Oil of Eden not to despair, but to use it for a few days, and if the flesh gets sore stop for two or three days and commence again and continue in this way until no more matter comes to the surface. When this has been done the disease has been cured and the Oil of Eden will have no more effect on your flesh than oilve oil.

Oil of Eden is a most wonderful remedy and capable of benefiting and curing thousands of people for what it is recommended. I can't speak enough praise for it, and strongly recommend if to all sufferers for any dormant condition of the body, such as Rheumatism. Wens, Tumors, Golters, bruised and hardened spots, etc.
