

GIVE SOMETHING USEFUL

As Christmas, the day of all days, draws near, our thoughts tend toward gifts for ones around whom our affections center, and a useful present is the most acceptable at this season of the year, because the daily use of the token brings back to memory a loving remembrance of the donor.

Our large and varied assortment of useful presents secured for the holidays, embraces everything in the way of Gas Appliances, and whether the gift be intended for a relative or friend, we feel sure that no present would be treasured more highly than a handsome

PORTABLE READING LAMP

Of the Welsbach or ~~Kern~~ pattern. Portable Gas Lamps are made in the latest designs and finish. Some are OLD BRASS, POLISHED BRASS, DRESDEN, OXIDIZED COPPER, OXIDIZED SILVER. The shades are of beautiful designs—some hand painted. Prices of Portable Gas Lamps are according to style and finish and the amount of work they represent. We extend to you a cordial invitation to visit our salesrooms to examine our handsome line of goods suitable for

CHRISTMAS GIFTS

Come whether you buy or not, you are welcome. A Merry Christmas is in store for those who use gas, for no one could have trouble whose Christmas turkey was "DONE TO A BROWN" IN A GAS RANGE.

After the day's joys are over what is more pleasant than for the family to gather around the Christmas Tree in a parlor lighted by soft, but brilliant, gas lights and heated by cheerful, warmth-giving gas radiators or grates. A postal sent to our office will bring our salesman to see you at your home or place of business.

Our Office Will Be Open Evenings
Until Christmas
