OWN YOUR OWN HOME

You can do it in either the Ladd or Hawthorne Additions. Reasonable terms—terms any one can meet. Beats paying rent. We sell you the lot, build you the house and when accepted by you, allow you to pay for it monthly. What more reasonable proposition could you ask—just like paying rent to yourself.

A few points—water, gas, sewers, electric light, best streetcar service in the city. Good churches and good school. Best residence section in the city. Houses already built by us are owned and occupied by Portland's best citizens. Graded streets, stone sidewalks. No house allowed built that costs less than \$2,000. A good Christmas present. Investigate by calling on.
