A sliding scale, of prices for liquor licenses is suggested by several city councilmen. It is known that a few, at least, are in favor of the proposition, and in one down-town office there is being evolved a system of licensing the saloon and wholesale liquor men which may come up to the general council for adoption.

Newspapers brought from the Orien' by the Indrapura, which arrived Saturday, indicate that war between Japan and Russia is likely to be declared at any time.
