ANSWER No. 3.

"A TIMELY advertisement is one which strikes the same note as the day's weather and the people's inclinations - it pushes your business on the lines of the least resistance."

> This morning several merchants received a mailing card asking a question, to which the above is the answer.

MIGHT HAVE BEEN.

Frank Hird in Country Life. With kindly eyes you smile, and say In your low, dulcet, vibrant way, "Why speak of blame?" But life to me was gay, serene, No pang or thought of might have been,

Until you came.

My placid life in ordered round Passed without passions, stir or sound; But now my eyes in yours have seen The blazing joys of might have been.

Long years ago Love smiled, and I With kiss-tipped finger passed him by; I dreamt of Fame. Now with Love's glowing, bitter bands

You bind and tear my willing hands, Yet murmur "Blame." All mine the blame; you could not know That in dear dreams of long ago I touched your hair's soft abourn sheen And heard your voice—the might have been.

For a woman to wear winter leggings would take the romance out of anything. Castor ofl will cure a small boy of most anything if you will let him off

from taking it. Whether a woman is too thin or too fat depends on how much her dress-maker knows about her business.

Notice is hereby given that at the regular meeting of the council of the city of Portland, Or., to be held on Wednesday, the 17th day of February, 1904. I will present to said council a polition jearing for the vacation of that portion of Tenine avenue in Sellwood lying between the west line of Grand avenue and the Willamette river. FRED 8. MORRIS.

PROPOSED IMPROVEMENT OF LEG AVENUE. PROPOSED IMPROVEMENT OF LEO AVENUE.

Notice is aereby given that at the meeting of the council of the city of Portland, Or., held on the 16th day of December, 1903, the following resolution was adopted:

Resolved That the council of the city of Portland, Or., deems it expedient and proposes to improve Leo avenue from the west line of Milwaukie county road to the east line of East Thirteenth street, in the following manner, to-wit:

First—By grading the street full width with tail intersections to proper subgrade.
Second—By laying wooden aidewaks in accordance with the city engineer's plans, specifications and eatimates.

Third—By laying wooden crosswalks in accordance with the city engineer's plans, specifications and estimates.

Fourth—By constructing box gutters in accordance with the city engineer's plans, specifications and estimates.

Fifth—By between the surface of the street.

Fourth—By constructing bor gutters in accordance with the city engineer's plans, specifications and estimates.

Fifth—By bringing the surface of the street to the proper grade 10 feet in width in the center of the street with gravel.

Seid improvement to be made in accordance with the charter and ordinances of the city of Fortland and the plans, specifications and estimates of the city engineer filed in the office of the auditor of the city of Fortland on the 15th day of December, 1903, indorsed: "City engineer's plans and specifications for the improvement of Leo avenue from the west line of Milwaukie county road to the cast line of the work to be done and the probable total cost theraof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is bereby declared to be all the lots, parts of lots and parelie with the north line of Leo avenue and a line 100 feet north of and parallel with the north line of Leo avenue and a tine of Milwaukie county road and the east line of Milwaukie county road and the east line of East Thirteenth street.

The engineer's estimate of the probable total.

The engineer's estimate of the probable total

The engineer's estimate of the probable total cost for the improvement of Leo avenue is \$2,328,00.

The above improvement is to be classed as a gravel improvement and shall be maintained by the city for a period of five years; provided, that the owners of a majority of the property benefited by said improvement or any pertion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the city engineer for the improvement of said Lee avenue are hereby adopted.

Resolved, That the auditor of the city of Portland be and he is hereby directed to give notice of the proposed improvement of said avenue as provided by the city charter.

Remonstrance against the above improvement on may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the council.
