Portland, Oregon, January 12, 1904. PROPOSED IMPROVEMENT OF MACADAM STREET.

Notice is hereby given that at the meeting of the council of the city of Portland, Oregon, held on the 6th day of January, 1904, the following resolution was adopted.

Resolved. That the council of the city of Portland, Oregon, deems it expedient and proposes to improve Macadam street from the south line of Grover street to the south line of city of blocks 188 and 187, Caruthers' addition to the city of Portland, as laid out by the South Portland Real Estate association, in the following manner, to-wit: 97.33 manner, to-wit:

First—By removing all loose earth, mad and debris of every kind from the surface of the Portland, Oregon, January 12, 1904.

street, and by bringing the street full width with full intersections to proper grade with crushed rock and crushed rock screenings.

Second—By constructing artificial stone sidewalks in accordance with the city engineer's plans, specifications and estimates.

Third—By constructing artificial stone curbs in accordance with the city engineer's plans, specifications and ostimates.

Fourth—By constructing artificial stone curbs in accordance with the city engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the city of Portland and the plans, specifications and estimates of the city of Portland on the 6th day of January, 1804, indersed: "City engineer's plans and specifications for the improvement of Macadam street from the south line of Grover street to the south line of blocks 187 and 188, Caruthers' addition to the city of Portland Real Estate association, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is bereby declared to be all the lots, parts of lots and parallel with the west line of Macadam street and a line 100 feet east of and parallel with the west line of Macadam street and a line 100 feet east of and parallel with the city of Portland Real Estate association.

The above improvement of the probable total cost thereof."

20.187

The above improvement of said Macadam street is \$2,442.00.

The above improvement of said macadam street is \$2,442.00.

The above improvement and shall be maintained by the city for a period of three the has a macadam repair improvement and shall be maintained by the city for a period of three the has

SHTY NOTICES.

The above improvement is to be classed as a macadam repair improvement and shall be maintained by the city for a period of three years; provided, that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the city engineer for the improvement of said Macadam street are hereby adopted.

Besolved, That the auditor of the city of Portland be and he is hereby directed to give notice of the proposed improvement of said

netice of the proposed improvement of said street as provided by the city charter. Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first pub-lication of this notice. By order of the council. THOS. C. DEVLIN. Auditor of the City of Portland

STREET.

Is hereby given that the company of Portland Oregon, at a meeting and the day of January, 1904, declared dessument by ordinance No. 13,722, for the construction of a sewer in Prescot street, from 16 feet west of the east line of East Tenth street to the proposed sewer in Union avenue, in the manner provided by ordinance No. 13, 537, upon each lot, part of lot and parcel of land, which are specially and peculiarly benefited, to be as follows, viz:
