PROPOSED IMPROVEMENT OF PINE STREET Notice is hereby given that at the meeting of the council of the city of Portland, Oregon, held on the 6th day of January, 1904, the following resolution was adopted:

Resolved. That the council of the city of Portland, Oregon, deems it expedient and propess to improve Pine street from the west line of Sixth street to the east line of Seventh street, as follows: street, as follows: First—By grading the street to the proper Second—Br laying concrete in accordance with the city engineer's plans, specifications and estimates.

Third—By constructing brick gutters in accordance with the city engineer's plans, specifications and estimates.

Fourth—By laying ssphalt in accordance with the city engineer's plans, specifications and estimates.

The above improvement shall be classed as an asphalt improvement and shall be maintained by the city for a period of four years; provided, that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such needed.

The plans, specifications and estimates of the city engineer for the improvement of said Pine street are hereby adopted.

Resolved, That the auditor of the city of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the council.

THOS. C. DEVLIN,

Auditor of the City of Portland.
