

SALT TRUST IS CUTTING PRICES

Front Street, Jan. 20.—The principal events in the local wholesale markets today were:

The Federal Salt Company, otherwise known as the trust, has announced a decline of 50 cents a ton in the former quotations on rock, half-ground and hide salt.

The egg market is firmer today, with the receipts smaller. The market is now quite bare of stocks, but a few days of the present weather will probably bring in more eggs.

The receipts of poultry continue about the same, but the demand is not very great. Ducks, geese and turkeys continue to be called for.

Opinions on the Market. W. B. Glafke company—Steamer stuff today.

Mark Levy & Co.—California steamer; California cabbage rather scarce.

Levy & Spiegel—Plenty California vegetables; rains helped some.

G. S. Smith company—Eggs firm; poultry slow; ordinary potatoes good demand.

Malarky & Co.—Smelt receipts cut in half today; prices up 1/2 cent; expect advance in steelhead soon.

Davenport-Thompson—Car bananas today.

Everding & Farrell—Eggs still firm; no change butter; chicken market quiet; dealers have plenty to last some time.

Page & Son—Poultry little better; better call for fresh meats; eggs scarcer and firmer; steamer from Frisco today with vegetables.
