LEAVE THE FORCE

SAY THEY CAN'T LIVE WELL AND SUPPORT A PAMILY ON 375 A MONTH-SPECIAL BEATS THE REAL SINECURES-FOUR OFFI-CERS RESIGN IN THREE MONTES.

Why do police officers resign from the Portland department? In most cities of Portland's size a position on the police force is regarded as a sinecure. There is usually a constant struggle by candidates seeking appointment and resignations are not of frequent occurrence. But things are different in Portland.

Men desirous of walking beats and wearing brass buttons are not nearly so numerous in this city as elsewhere, and there are more vacancies than in other cities of the same size. Since February I three officers have left the local force. Two of them have taken "spebeats, which are the real sinecures in Portland, but the third will go into business for himself.

The hours are short, a day's work being fixed at eight hours by the city charter, but every policeman has more or less extra duty to perform. With \$75 a month officers say they cannot more than support a family and live comfortably. They claim it is out of the question to save anything for a rainy day. The cost of uniforms make

manner a "grafter," but he means just what he says. By trade he is a deco-rator and paper hanger, at which he made good wages. However, the mix-tures used by him in his business so saturated his system with poison that he became deathly ill less than a year ago. The physicians told him he must secure some outside work, and accordingly he took an examination for a position as a policeman. He was appointed in due time and is making a good record as a preserver of the peace. His health has improved wonderfully, and when comparatively recovered he intends to resign and return to his trade, at which

he can make much more money. In the past three months four parrelmen have left the city's employ to accept "special" stars. These are Rob-ert Austin, Fred Mallett, Frank Hems-

BELIEVES LEADER BEADS LODGED IN THE POSTERIOR OR PROSTAL BURGLAR WOULD HAVE EFFECT IN STOPPING THE EPIDEMIC OF WOMEN WHANTED

In the opinion of Chief of Police Hunt good shotgun filled with bird shot is the best weapon with which to capture burglars.

At the present time, while sneak-thieve are robbing houses and a pesti-ferous firebug is attempting to destroy ment believes it would not be a bad idea for citizens to arm themselves with guns and lay in a liberal supply of bird

The reason for using bird shot is that the man behind the gun is more likely to hit his target, and the bird shot, while it will paralyze a man, does not inflict fatal injuries. However, a sneakthief with his back filled with bird shot is unable to escape and his capture is cer-

advised a citizen to arm himself in this. manner," said the chief yesterday. "The man in question had been troubled by a persistent thief. The burgiar returned once too often and as he turned to run the householder fired at him. The charge struck him full in the back. It paralyzed the intruder and he fell down and was captured. He went to prison.

"There was another instance where I advised the same method, but the citiadvised the same method, but the citizen used buckshot instead. This burglar also returned once too often and was shot. The buckshot penetrated his chest and killed him. The thief was a lighthaired boy not over 18, and it was a sad case, as his body was never identified or claimed, and it is likely that his folks are still looking for him. I don't believe in killing a man where it, is unnecessary, and in this case bird shot would have worked as well and the thief's life would not have been for-

We have a cure for nervous and unsteady people, weak, fleshless people, and pimply, pale or sallow people; people who are troubled with loss of ambition, falling memory, depression of spirits, lack of confidence, nervous headache and wakefulness; all these symptoms are produced by weakened nerves, brought on by the watery condition of the blood. Make strong, rich, red blood and furnish food for the nerves is the way to stop the source of the disease, and the cure then is only a question of days. The best flesh and blood builder is Dr. Gunn's Blood and Nerve Tonic, in tablet form, to take at meal time.
