TRANSACTIONS OF THE FINANCIAL WORLD

CHICKENS SELL AT TOP FIGURES

ward tendency—Eggs down—

1902, \$1.00; 1901, \$1.00; 1900, \$1.00.

All Groceries Now Down.

The butter market continues its weak-
ness with the receipts constantly showing
a gain, while the demand is in-
creasing.

Chinook Salmon More Plentiful.

The arrivals of Chinook salmon today
showed a gain and the markets are now
running with the supply and demand
about equal at present prices.

Potatoes Go Higher.

The potato situation is very mysteri-
ous and the market today is showing
an advance despite the fact that the San
Francisco market is showing an ordinary
tone with the top prices ranging about
\$1.00 and \$1.25 a hundred.

Onions Still Move Upward.

The situation in the onion market is
quite different to the one in potatoes
inasmuch as in this market there is a
real scarcity of stocks and the holding
by the farmers has caused even a greater
shortage with the usual result, higher
prices.

Looking for Flour Advance.

Despite the fact that the local quotations
on wheat are now showing much
change, higher prices are being obtained
by all of the smaller millers.

Opinions on Today's Market.

W. B. Glafke Company.—The creamery
butter situation shows only the usual
weakness with no change in prices.

60¢; cow, 55¢; pig, 45¢; mutton, 55¢.

pigs, and 100 head of sheep.
