FATHER AND SON RULED OFF TRACK

REDFERN REFUSES TO ALLOW HIS JOCKEY SON TO RIDE LAUREATEA, AND BOTH ARE DISBARRED—TROUBLE IS RESULT OF DISAGREEMENT WITH FELTER.

(Journal Special Service.)
Los Angeles, March 5.—W. W. Redfern refused to allow his son, Jockey Arthur Redfern, to ride Laureatea in the last race yesterday, for which insubordination both father and son were ruled off the track. Judge Hamilton instructed the jockey to ride Laureatea and asked him if he had any objections. The jockey said he had not, but would see his father, who refused to allow the boy to ride. The trouble is a result of a disagreement which happened a few days ago between J. Felton, the horse's owner, and the elder Redfern.

WOMEN'S RELAY RACE AT SPOKANE FAIR

(Journal Special Service.)
Spokane, Wash., March 5.—Manager R. H. Cosgrove of the Interstate fair is favorably considering the project of putting on a ladies' relay race as one of the features of the fair this fall.

While the matter has not been definitely decided upon as yet, Manager Cosgrove believes a ladies' relay race would be a big attraction and if the girls can be found to make the ride it is more than likely it will be put on. As Spokane used to furnish girl riders for the races in the early days, there is no good reason why she could not do so now.

If the race is put on it will probably be about a 20-mile race, with four miles of a run each day and a relay at the end of each mile. Each girl will use the same four horses each day, with one horse in reserve in case of accident.
"If we can get the riders," said Mr. Cosgrove, "I believe the race will be a good card. The girls will be in all probability ride astride as that reduces the chance of an accident. In a race of this kind at Helena last year there was only 5 1/2 seconds difference in the time of the first and last in the whole 20 miles."

WHITNEY STABLES TO REMAIN INTACT

(Journal Special Service.)
New York, March 5.—The well-known colors of the late W. C. Whitney will continue to shine in turfdom, as Harry Payne Whitney has decided to carry out his father's wish and maintain the Whitney racing stable practically intact. Young Whitney has secured the signature of Jockey Shaw, and in the event of that lad's reinstatement, he will ride for the Whitney stables.
It is understood that the Whitney horses will be entered in the name of Frank E. Hitchcock, until the mourning period has expired.

TRACK AND FIELD MEET AT COLUMBIA

BIG INDOOR EVENT TO TAKE PLACE IN THE COLOSSEUM ON APRIL 16—TEAMS FROM ALL THE SCHOOLS AND COLLEGES TO PARTICIPATE.

The remarkable success which attended the indoor invitation track and field meet held in the Columbia university colosseum, this city, on the 22d of February is probably the cause for announcing a similar event on a larger scale for April 16. There are other reasons which bespeak success for this affair, chief among which is the fact that the indoor field where the exercises are to be held, has already become an attraction for the athletes of the northwest. If there be any place in the country where indoor running and jumping records can be broken, that place is the Columbia university colosseum. The floor space, 200 by 100 feet contains a clay running track 12 feet wide and 12 laps to the mile, banked on the semi-circular ends 30 as to admit of record breaking speed.

The following program is arranged for April 16. It is the developed form of a less pretentious program which was to take place during March. The postponement of the March meet carries with it several entries for the meet to be held April 16. The winning team in part 1 of the program will receive a handsome banner. In addition to this medals will be awarded to the winners of each event. Individual prizes will be awarded to the members of the victorious relay teams entered in part 2 of the program. Individual prizes also and a loving cup will be given to the champion intercollegiate relay team entered in part 3 of the program.

The Program of Events.
Regulation events—50-yard run, 220-yard run, 440-yard run, 880-yard run, one-mile run, 50-yard low hurdles, 100-pound shot put, pole vault, running high jump, running broad jump.
Special relay races (four runners in each team, a grammar school, a parochial school, a high school and academies, a business college, a professional school, f. athletic clubs.
Intercollegiate one-mile champion relay.
Pacific, Willamette and McMinville universities will undoubtedly send teams. The University of Oregon will in all probability send a relay team and may send their full team. The University of Washington and Corvallis report very favorably and are expected to send their best men. All the universities and colleges are enthusiastic about the meet and it is also expected that the different schools in town will compete for the respective championship relay races.

EUGENE KNIGHTS TO HAVE BALL NINE
(Journal Special Service.)
Eugene, Or., March 5.—The Eugene Knights of Pythias are planning to organize a baseball nine and compete this season with nine from other orders in the city. A committee consisting of C. A. Wintermeier, F. L. Poindexter and H. L. Traver has been appointed to select an outfit. There is some good material among the knights and a number of interesting ball games during the intervals between league games when the home team is away, are looked for.

DIAMOND GLISTENINGS

Getting ready.
Season opens March 24.
Portland starts in at Fresno.
Tacoma will be our first victim.
What has become of the baseball schedule?
Oakland opens with Los Angeles at the latter place.
Manager Ely says that he will have Castro and that's no joke.
Tommy Hess will soon leave for his new job with Jay Andrews at Sioux City.
Hank Harris is certainly having his troubles nowadays. Gochauer and Marshall, two ballplayers whom Hank depended upon for his 1904 "Pisno bunch," disappointed him by refusing to show up, and to fill his cup of bitterness to the brim the great and glorious weather in the vicinity of San Francisco refuses to remain calm and dry enough to allow his players the necessary daily workout with which to condition themselves for the coming pennant race.
Frank Dillon is acting as captain and is training with the Los Angeles team. It seems as though Morley is going to make his bona fide debut.
"Colonel" Mike Fisher is the latest hand attached to the former Sacramento police officer. Colonel is quite appropriate, for Mike is an excellent judge of a certain commodity of which colonels are supposed to be connoisseurs.
The Browns are working out splendidly in Bakersfield and the majority of the local fans have the utmost confidence in the winning quality of timber of which the team is composed.
The Chicago National league baseball team will commence active practice in Los Angeles next week and a series of games will be played with Morley's team.

BOWLING NOTES.

The "Night Owls" are to hold a meeting this evening to consider the proposition of changing their name to some other less suggestive.
In a two-man team competition last evening Hamby and Senner defeated Vigneaux and Trott by the close score of 210 to 124.
The Blake-McFalls are scheduled for a game next week with either the Irvingtons or the Night Owls.
The Schillers are to meet the Irvingtons Wednesday evening.
There is a possibility of the Sacajawea team playing the Lewis and Clark next week.
One week from next Wednesday the big leaguers cross bats with Fred Ely's team at Bakersfield.
Eastern and California races by direct wires. We accept commissions by "phone" on above races from responsible parties. We also receive commissions for all leading sporting events in any part of the world, at Portland Club, 136 Fifth street.

NEW SUGGESTIONS FROM FAIR FANS

The appended suggestions have been received regarding ladies' day at the baseball games. The agitation seems to have stirred up the fair fans to a certain extent, and for the benefit of those who are worried, the suggestions are herein presented:
"To the Sporting Editor of The Journal.—Dear Sir: I don't see any reason why ladies should be guests of the club on certain days any more than the men. Why not do away with ladies' days and charge them 50 cents the same as the men? If they want to see a game for 25 cents let them sit on the bleachers."
"A BLEACHER FRIEND."
"To the Sporting Editor of The Journal.—Sir: All sorts of suggestions have been given regarding ladies' day. Why allow ladies to attend the games at all? They are Jonahs and should be prohibited. Players lose their heads when ladies are present and try to make a hit with the grandstand, when they should make it with the stick. Ball games were meant for men and not for women. Their place is at home with the cook. Abolish the ladies and oblige."
"THE WISE ONES."
"Sporting Editor Journal.—Sir: Wouldn't it be a good plan to have ladies' day on Saturday? Saturday is a good day and will not conflict with religious principles. As some one else has suggested 'The better the day, the better the deed.' Please give your opinion on this."
"THE SATURDAY ADVOCATE."
"Sporting Editor Journal.—Dear Sir: It's a wonder you don't charge the ladies a dollar to sit on the fence. We're willing to pay our 50 cents every day of the week. We don't ask for any ladies' day. We like a good game and all we wish is to be permitted to go on equal terms with the men. If it was the suggestion of the club to give us a day at the ball park, and not ours. Perhaps some one will suggest charging us \$5.00 to read the score. Cut out ladies' day and end the racket."
"THE FAIR FANS."

COLONEL FISHER READY FOR SEASON

Michael Angelo Fisher, to whom an enterprising newspaper correspondent has added the title of Colonel, has arrived in Fresno with a fresh supply of dogs and new stories.

"I'm going to train with my men and start the pace this time," said Mike Fisher yesterday. "The fact of the matter is that the ability of Phil Kneil last season taught your uncle a lesson that he is not likely to forget. Phil is no older than I am, and is no younger, either, and it struck me that if a little training would put him into such shape that he could prance around like a two-year-old, that a similar course of physical science stunts would put me into such shape that again the public would watch me in left field. You may see me in my old position before the season is done. Why, there's Pete Lohman. I have certainly as good a right to play as he has, for he is two days older than I am—I looked the record up and I know. Besides, out of practice as I am, I can play better ball than 'Pop' Lohman, and always could. Without desiring to boast, he never was in my class."

And to begin with, Fisher wrote a letter the other day to Governor Pardee, asking him to make St. Patrick's day a legal holiday because on that day Fresno is to see a game between the

BRIGHT OUTLOOK FOR SPORTING EVENTS

Portland is fast appreciating the worth of athletics. During the last year bowling, baseball, indoor and outdoor basketball, golf, football and track events have taken great strides. The interest is not confined to the men alone by any means, the women sharing in the work. Every week the women have their regular bowling contests at the Multnomah club and Portland alyea, and the scores made speak well for their skill and endurance. Bowling has taken a firm hold upon Portland and before long several big tournaments will be played here.

The coming summer will be busily spent in every line of sporting, and Portland will have a good baseball team, rowing events, track meets, paper chases, race meeting, golf tournament, and will be represented in every field of athletic endeavor.

The Y. M. C. A. Junior basket ball team defeated the Albina boys' team last evening in a well played game, by the score of 13 to 8. Johnston and Schramm displayed excellent judgment.

STRONG PLAYERS FOR NEW YORK'S TEAMS

(Journal Special Service.)
New York, March 5.—Both the Giants' and Highlanders' teams have been completed. Managers McGraw and Griffith will stand pat with the players they now have, and it can be said that both teams are very strong and both have been immensely strengthened since last season.

Certain it is that New York lovers of the game will be treated to splendid exhibitions of the sport. The following list shows the makeup of both teams:

Giants—Mathewson, p; McGinnity, p; Taylor, p; Ames, p; Milligan, p; Wittee, p; Noye, p; Bowman, c; Warner, c; Bresnahan, c; McGinn, 1b; Gilbert, 2b; Devlin, 3b; Dahler, s; Mertes, 1 f; McCormick, c f; Browne, r f; Dunn, extra.

The Giants will report in Savannah, Ga., March 7. The Highlanders will meet in Washington, D. C., March 3 and depart immediately for Atlanta, Ga.

OREGON CITY WILL HAVE BALL TEAM

(Journal Special Service.)
Oregon City, March 5.—The agitation for a baseball team for Oregon City has at last worked itself out. The men who were working up the matter here were either discouraged or thought the venture would be failure, so nothing has been done. This will prevent Oregon City from becoming a member of the Oregon State Baseball league. The league has already started and the different managers are now signing players.

Harry Edmondson was in Oregon City the first part of the week looking up players. He is the manager of the Capital City team and expects a very successful season. He has his eye on several players here and it is believed that he is negotiating with Ed Rapp of this city, and trying to secure his services. At any rate they were talking over the proposition but whether Rapp will play in a Capital City uniform next season is not known. Oregon City will not be represented in the apple valley league but that does not necessarily mean that there will be no team here. There will be a team here but who will run it is not known yet.

EDGAR WRIGHTINGTON TO COACH HARVARD

Edgar N. Wrightington has been appointed head coach of the Harvard football eleven. He was captain of the Harvard team in 1896 and a famous half-back. It was in 1894, during the Yale-Harvard game at Springfield, Mass., that Frank Hinkle, the New Haven captain, was accused of deliberately jumping on Wrightington, the latter receiving a broken collarbone. Because of this accident and others equally unpleasant, the relations between the Blue and the Crimson were temporarily severed. Wrightington in recent years has always refused to play in the more important football games, and has been noted for extreme fairness. Harvard men are much pleased over Wrightington's appointment.

TRAP SHOOTERS TO OPEN THE SEASON

The Multnomah Rod and Gun club proposes to open up its trap shooting season tomorrow.
The club is composed of some 100 or more of the most enthusiastic sportsmen of the city, and judging from the interest being manifested in the coming practice season, the traps will not suffer from lack of entries.
The shooting grounds of the club are considered among the local sportsmen to be one of the best in the country and are located at City View Park near Sellwood.
Full attendance of the club is expected at the opening shoot tomorrow and as the local organization boasts of quite a number of crack marksmen some excellent scores are in order.

LOUIE LONG IS NO MATCH FOR NEARY

(Journal Special Service.)
Milwaukee, March 5.—Charlie Neary easily won the decision over Louie Long of San Francisco in a six-round exhibition before the Badger club last evening. Neary clearly outclassed the Californian, knocking him down 11 times during the fight.

VIGNAUX DEFEATS BILLIARDIST SUTTON

(Journal Special Service.)

JOCKEY O'CONNOR SAILS.

(Journal Special Service.)
New York, March 5.—Frank H. O'Connor and his son, Winnie, the celebrated jockey, have left for France, where Winnie will finish the remainder of his three years' contract. The races are to begin March 16 and end in November. With the salary, presents and what he will receive from riding outside mounts the youthful jockey expects to come home next fall with an addition of nearly \$50,000 to his bank account.

JIMMY REILLY IS TRAINING FOR FIGHT

OREGON CITY SPORTS THINK THAT JIMMY IS THE REAL GOODS AND THAT KRANTS WILL GET HIS BEATING—CONTEST TO TAKE PLACE MARCH 10.

(Hearst Special Service.)
Oregon City, March 5.—Reilly is working out in and around Oregon City in a way that makes the hearts of the sports glad. He is faithful and keeps at it with a determination. He is up in the morning with the lark, and 9 o'clock finds him on the road. Sometimes he takes a little jog down towards Oswego and other times he walks up the railroad track. He likes Oregon City.

Reilly is not doing any sparring yet, but will commence on Sunday. At present he is doing heavy work.

He says that he does not know much about Krants, but is going to take no chances. "He is young and a comer," he said yesterday. "He ought to be in good condition and be able to take a good beating. If he is the least awkward I will have no difficulty in landing on him, and if my left ever makes connections with his jaw, he will forget everything. I do not know how long it will go, but I am confident of winning."

Reilly was up from Portland yesterday to see Reilly and said that he was coming along in beautiful shape. Sullivan is going to spar with Reilly, Bob Thornton, Reilly's trainer, has a sore neck and cannot exchange blows with the mixer. Sullivan and Reilly were youngsters in San Francisco, and they had many a laugh over the days when they were just starting out.

A large crowd is expected from Portland, and a special car will run the crowd back after the go. The posters are out announcing the contest, which takes place in the armory March 10. The preliminary has not been arranged yet, but if no one can be found to go against Freeman, two of Tracy's pupils may go into the preliminary.

Y. M. C. A. TEAM WINS FROM MILITARY MEN

The Y. M. C. A. baseball team won in its game with company C of the National guard last night, the final score being 28 to 6. In the first inning neither side scored but in the second company C scored three runs and the Y. M. C. A. one. In the next three innings the O. N. G. boys were shut out and the association team scored 18 runs. In the next four innings company C scored three runs and was shut out twice, and the Y. M. C. A. 14 runs and was shut out once.

The game was witnessed by the largest crowd of spectators of any game played this season, and every good play was enthusiastically cheered. The best of feeling prevailed between the two teams, no question arising over a single decision of the officials. The old days were temporarily severed. Wrightington in recent years has always refused to play in the more important football games, and has been noted for extreme fairness. Harvard men are much pleased over Wrightington's appointment.

The line-up and score by innings was as follows:
Y. M. C. A. Position. Company C.
Barrell. C. Lewis
Fugh. P. Collins
Hanson. L. Neal

COMPANY F'S CAPTAIN MAKES A STATEMENT

Portland, March 5.—To the Sporting Editor of The Journal.—Dear Sir: In answer to the statement made in yesterday's Oregonian that company F team won because the umpire gave them the game, and that I said we won the game on the account, I wish to register a denial of ever having uttered such a statement. Company F's team won on its merits and decisively outplayed their opponents. I asked Mr. Dohie to umpire and Captain Austin of company H agreed to him. If Mr. Dohie made the statement attributed by company H to him, before the game, then why did not company H say something then? For myself, I feel that Mr. Dohie never said anything that has been charged to him. Why we shut out company H for seven innings. Does that look as if the umpire helped us? The truth of the matter is that they were so sure of winning that they could not appreciate how a defeat would feel, and thus their kick. Respectfully yours,
W. HENDERSON,
Captain Company F Team.

NO BETTING IN LOUISVILLE.
