WESTWARD BOUND IS THE EASTERNER

It Is Estimated That 65,000 New Settlers Will Come to Oregon This Year---Every Train is Crowded.

Sixty-five thousand new settlers in who believe in the growing prosperous Oregon this year is the conservative ness of the great northwest.

"Go down to the union depot," said estimate placed for the immigration intendent Le Roy of the Oregon Infor-

mation bureau. Last year the new settlers to make homes in Oregon were closely estimated at 40,000. This number included men. women and children, the majority from the middle west states. This year they are coming in great numbers from Minnesota, Michigan, Illinois and many even from central New York and other

Railroad officials agree in the expression that immigration will reach the 55,000 mark and even go higher. They base this opinion on advance reports of transportation agents in eastern offices. scenes at the Union depot this

morning give the impression that traf-fic is crowded to its limit, as every incoming train, generally in two and three and all earthly possessions, are seeking future places of abode where blizzards, cyclones and floods do not ruin the strenuous labors of two and three years. G. F. Willett of the Northern Pacific

said this morning: "I do not believe I exaggerate when I say that no brighter prospects ever appeared for Oregon than those presented today, so far as an influx of set-tlers of a high order of industrial pur-

them is concerned.
"If a train is scheduled as being late to arrive, it can be accounted for from the fact that it is traveling in two or three sections, each of which is loaded with passengers and baggage. Many of the prospective settlers leave the trains at points in eastern Oregon, and the trains stop at minor distributing places such as Baker City, Pendleton, La Grande, Hood River and The Dalles.

PREACHED FIRST SERMON.

At the Taylor Street Methodist Episopal church yesterday morning. Rev. Burgette Short preached his first sermon in Portland. His subject was "Incomparable Glory," Rev. Mr. Short took as a text the Apostle Paul's words:

present time are not worthy to be compared with the glory that shall be revealed in us." He said goodness does not prevent suffering, as was exemplified in the case of Paul and numerous other filiustrious heroes of the ages, whose lives have stood out as shining examples of Christianity, but that the great lesson in all this is to be able to look heavend the storms of life to the look beyond the storms of life to the glory of the world beyond.

CHURCH HAS GROWN.

Rev. E. Nelson Allen of the First Cumberland Presbyterian church, East Twelfth and Taylor streets, yesterday orning celebrated his first anniversary as its pastor.

Rev. Mr. Allen's morning sermon was devoted to the discussion of the church work during the last year. When the astor came to Portland he was almost entirely unknown, but he was soon made secretary of the Anti-Saloon League of the Northwest, and is at present one of the foremost workers in the local option movement. Since assuming the pastorate of the Cumberland church that institution has constantly grown, 48 new embers having been added to the roll, and the Sunday school has increased un-

DEET IS DECREASING.

Rev. W. B. Hollingshead of the Cenenary Methodist Episcopal church, at the beginning of his sermon yesterday morning, announced that during the week just passed the church debt had been owered \$2,000, and that he was assured the balance of debt-\$8,000-would soon be wiped out.

He gave a full statement of the financial workings of the church during the last two years, and said that in February, 1902, when the debt campaign of the church was started, \$28,610 was against the members.

SALEM "DRY TOWN" ALL DAY SUNDAY

(Journal Special Service.) Salem, Or., March 7 .- For the first time in many years Salem was a thoroughly dry town Sunday and the regular patrons of the many places who had not supplied themselves with liquid refreshments for the day, stood about disconsolately and cast longing glances at the doors of the saloons which had for so many years opened to their touch. The order of the authorities to close the saloons on Sunday was generally observed, in fact, it was found impossible to find one violator of the order. Nearly every saloon had its curtains drawn aside so that passers-by could see that no business was being transacted, and further evidence of the observance of the law was had when invincible combine even in business. the all-night saloons reopened at midnight, for the regular tipplers were around in large numbers and for the unsafe and dishonest ventures are the first hour after reopening the business done over the all-night bars was exremely heavy.

Gambling is reported to have been resumed in some of the back rooms on side streets, but thus far it has been impossible to secure evidence of this.

Ed N. Edes Dead.

Ed N. Edes, former recorder of this ity and well known throughout this state and a prominent fraternal order worker, died in Oakland, Cal., Saturday afternoon. The remains were interred tomorrow. Mr. Edes served Salem as city recorder for six years and later was with a detective agency in Seattle. Since that time he has lived with his wife and son in Oakland, Cal., where he was employed by a warehouse company. He was for years a promi-nent worker of the Odd Fellows and Elks in this city. He was a member of Protection lodge No. 2, A. O. U. W., of Salem. He leaves a wife and one son

Thomas C. King Dead.

Thomas C. King, a negro, for many years coachman for the family of the late R. S. SENATORIAL HONORS

(Journal Special Service.)
Dallas, Or., March 7.—Political events are shaping themselves much too rapidly for the Republicans of this county. The Polk County Observer (Republican) coming out editorially last Friday. brought before the people generally and the Republican party in particular, the name of E. C. Kirkpatrick of this city, as the nomines of that party for senator. The editorial praised Mr. Kirkpatrick highly and went on to say that some few Republicans had mentioned the name of U. S. Loughary, the present county clerk, for senator; further, that these few were doing this for the purpose of helping themselves only; that Loughary had en-joyed the patronage of the Republican party during the past four years and

he should now give others a chance. Up to this time Loughary had not been an active candidate for the Republican nomination, but it has been stated by men prominent in the affairs of that party that Loughary is now an avowed candidate, and will work openly for the nomination at the hands of his party. Taking into consideration the fact that J. M. Stark of Independence is also a possible candidate, this will make a three-cornered fight for the Republican nomination.

Schilling's Best bring-in a they go, the grocer's business is perfectly easy and perfectly safe. Uniform price and quality make it easy, and moneyback makes it safe.

SUMPTER

MINING NOTES FROM SUMPTER

(Journal Special Service.)

Sumpter, Or., March 7 .- A. Burch of the firm of Burch & Burbridge of Spokane, was here last week from the Granite district. Mr. Burch stated that they had forfeited their bond on the Magnella and Independence, for the reason that there was a difficult treatment problem involved which he does not care to un-dertake at this time, believing that no process now in use will extract the val-ues at a sufficient profit.

This firm has decided to purchase the Crane flat placers near Granite, and will work them on an extensive scale during the coming season, beginning as soon as the weather will permit.

Mr. Burch says that he intends to take up another quartz property in eastern Oregon during the coming summer. Ore in Grooker Creek.

A load of concentrates from the Golonda, drawn by four horses, slipped off the bridge near Hanover, a station about half way between the mine and Sumpter, vesterday. When the team got on the bridge the sleigh began to slip sideways and before it could be stopped, driver, horses, concentrates and all went into the stream 12 feet below. Fortunately neither driver nor horses were hurt, but the sleigh was considerably wrecked, and the concentrates spilled in the bottom of the creek.

Harry Hendryx of the Geiser-Hendryx Investment company, has returned from a trip through the middlewest. He says that everything is in first-class shape and that the outlook for a successful season is very encouraging.

Johns Wins Out.

The long-pending litigation over the Gray's Peak property, known as the Maiden's Dream mine, has been decided in favor of Cato Johns in the circuit court at Baker City. The property consists of the Maiden's Dream and Devil's Dream quartz claims, a five-stamp mill and some placer property.

The property passed into the hands of Mr. Johns several years ago, and Andy Stinson, claiming that he had not done the necessary assessment work thereon as required by law, and that for this reason the property was vacant, entered upon the same and re-located the prop-The fact was established at trial, however, that Mr. Johns had kept a watchman employed at the property. and that under the assessment law, no further representation was necessary.

Listen Ore for St. Louis.

J. Win Wilson, general manager of the Listen Lake mine, came in from the property Friday, bringing with him about 75 pounds of fine specimen ore which will be turned over to Mr. Mellis for the St. Louis exposition.

Mr. Wilson says that the shaft is now down about 75 feet, and has just passed out of the foot wall, for first time since work was started. says that he will sink to the 100 foot level without stopping, and that the vein will be crosscut from this level.

FIRE IN CHURCH

(Journal Special Service.)

Eugene, Or., March 7.—Vernon Wayne Femilson, '65, was awarded the gold nedal in the first annual prize debate seld Saturday evening at the University of Oregon. Following is the question discussed: "Resolved, That the history of trade unionism in the United States for the past 20 years shows a general tendency beneficial to the best interests of the country." The contestants were as follows: Affirmative, Harry McKinney, J. W. Cain, V. W. Tomlison; negative, E. Stockwell, J. W. McArthur, Fred Steuver. The judges were: Hon. R. S. Bean, '78; Hon. E. O. Potter, '87; D. V. Kuykendall, '98. The contestants drew lots for positions just an hour preceding the debate, so it was impossible for

any debater to deliver a set speech. Treble Clef Concert.

The annual concert of the Treble Clef slub of the university will be given in Villard hall on Saturday evening, March 12. Miss Florence DeBar is the plane soloist, Miss Cora Shaver, leader; Miss Eva Stinson, soprano soloist, and Miss Ella McAlister, piano accompanist for the club. The concert will be given for the benefit of the football team. The membership of the club is as follows: Misses Grace Mount, Luiu McClain, Rosa Dodge, Cora Shaver, Bess Woods, Edna Prescott, Camille Carroll, Norma Hen-dricks, Mary Warfield, Elsie Orcutt, Louise Jones, Dalsy Gilbert, Cora Wold

and Mary Gray.

Pire in Church.

During the morning services at the Congregational church Sunday fire broke out in the basement of the building and caused considerable excitement in the audience, but the crowd filed out of the church in an orderly manner and the fire was soon extinguished. The wood work directly above the furnace had caught fire and the smoke came pouring up through the floor into the auditorium in thick clouds. Pastor R. T. Cross quietly dismissed his congregation and an alarm was turned in. The damage amounts only to a few dollars.

NO WORD RECEIVED FROM RIVER'S MOUTH

Owing to the lines being down the weather bureau has received no word this morning from the mouth of the river. Storm warnings were ordered displayed last night at North Head and

The Willamette was back to the 12foot mark this morning at Portland, one half foot above yesterday. No reports have been received from up the river points, but District Forecaster Beals says there is no immediate pros-

ENGLAND OBJECTS.

Russia's Declaration Not to Her Liking.

(Journal Special Service.)
London, March 7.—In the house of commons Premier Balfour today said the government considered Russia's declaration that she proposed to treat coal as contraband of war as of the

the following officers: E. N. Benson, president and manager; A. C. Staten, company's and the Booth-Kelly lumber president and manager; A. C. Staten, vice-president; N. C. Evans, secretary and A. E. Frantz, treasurer, aspecial train to be treated for severe tation of this declaration,

other points.
