'FRISCO HAS A **NEW SOCIAL CLUB**

UNIQUE ORGANISATION BEING PROMULGATED IN THE BAY CITY BY A LARGE AUTOMOBILE FIRM -MEMBERSHIP IS INVITATIONAL AND FREE OF CHARGE.

(Journal Special Service.) San Prancisco, March 8.—This city has a unique organization known as the Jefferson Square club that has been promoted by the big automobile concerns that have "smoke wagons" in all their variety for hire and for sale. The Jefferson Square club acquired its name from the park designated by that title on Golden Gate avenue and Webster street, and is situated in a handsome three-story building that was con-structed especially for the organization that occupies it. No dues are charged at the Jefferson Square and the bar tag is always in possession of the walter. There is a grill, a ladies' reception room, card rooms, bath rooms, gentlemen's cafe and a fine parlor in addition to the main club room on the second floor, where a number of fine bowling alleys are the attraction.

On the ground floor is an extensive shop, where numerous machinists can be seen at all hours of the day and night peeping into the intricate parts of autos and trying to solve the mystery of why a machine will persist in breaking down. It is a hospital for the dam-aged speed wagon and a resting place for the fat rubber tire.

No one seems to be able to fathom the mystery of the Jefferson Square club. No less a personage than William Greer Harrison, who walks miles before breakfast and punches bags between times when he is not writing insurance policies, is at the head of the board of directors. The names of other promi nent and wealthy citizens appear at the head of the club circulars and it is whispered that there are "plenty more where they came from."

Some weeks ago all of the clubmen of the city were issued membership cards to the Jefferson Square by the poard and when it became known that a mysterious Mecca for bowlers and bil-liardists was being thrown open to chosen men of the sporting and club world there was a deal of guessing done. A club without dues struck some as being about the right thing and there were some who had visions of free drinks and long billiard games minus fifty cents an hour. But all was disapof the best bowlers in America, will soon pointment, for the Jefferson Square does star the east with Mrs. Gertrude Hull not serve drinks on credit nor does it of Chicago, who claims the woman accept I.
