

DR. BROUGHER WOULD "PARKHURST" TOWN

Says Way to Stop Sin Is to Punish Its Patrons— Declares Foreign Element and Politicians Are Hard to Fight.

The Parkhurst plan of investigation of vice and crime by personal inspection of the underworld is to be introduced into Portland by the Rev. Dr. J. Whitcomb Brougner, pastor of the First Baptist church, who has announced that as soon as he returns from a trip to London, England, he will preach a series of five sermons on "The Sins of the City." He will return about the third Sunday in July and will deliver an sermon until he has made a personal tour of inspection of Portland's celebrated slums, which include many gambling dens, disreputable houses, saloons and brothels.

Dr. Brougner desires to wait until his return before making the tour, for he expects a hard fight and wants to be right on the ground to see it through. He will leave Portland for Nashville, Tenn., May 9, and will be in attendance upon the southern district convention of the Baptist church, which occurs there on the 15th and 16th. From there he will go to Cleveland, Ohio, to attend the northern district convention of the church. This is a most important meeting, representing the various interests of the Baptist church for the northern district.

Will Devote Convention Here.

Dr. Brougner will invite the convention to come to Portland for its session of 1905. He purposes making a hard fight for it and believes it can be brought here with the proper assistance of the various local societies and associations including the chamber of commerce.

From Cleveland Dr. Brougner will go to New York, from where he will take passage for London. He is engaged to lecture June 4 in Dr. Barnardo's People's church. He has made a month's management here. This is one of the largest churches of London and has a seating capacity of 3,000.

"I have made it a practice to investigate the conditions existing in the slums of great cities where I have been and I purpose doing so in Portland when I return," said Dr. Brougner. "I do not want to make any statement before I know whereof I speak, so I have decided in view of my approaching journey to wait on this matter until I get back from London."

"I believe that inasmuch as government is for the people it should be made just as easy to do good as possible, and just as hard to do wrong as possible. Regarding the social evil, I take a different view from many preachers. I favor a law that will cause the arrest of every man who visits a disreputable house and the publishing of his name in the daily newspapers. I do not

GIVES HIS LIFE TO SAVE CHILD

SUMNER SMITH PLUNGES INTO THE WILLAMETTE, RESCUING DROWNING BOY BROWN, SINKING JUST AS HELP ARRIVES—BODY RECOVERED.

Sumner Smith, son of W. K. Smith, of 351 Third street, met his death in the Willamette river at 3 o'clock yesterday afternoon in rescuing Zoe Brown, a 12-year-old child from drowning. The accident occurred when the boat was opposite the Portland Flouring mills.

Crowds of excited people swarmed along the banks shortly after the fatal accident and men attempted to rescue the body from the river. It was not seen, however, and though the search was continued spasmodically throughout the night the stream held its secret fast. At 7 o'clock this morning Hugh Brady, the diver, began a systematic search of all points along the river. Others joined in the search, which was under the direction of W. K. Smith, Jr., a brother of the dead man.

At 10:15 o'clock this morning Hugh Brady, a veteran diver, who had worked continuously since 7 o'clock, discovered the body of the child at the bottom of the river. It was found near a place where it was seen to sink just a short distance below the flouring mills. The body was removed to Holman's morgue, where it will be prepared for burial.

The child was saved and at Good Samaritan hospital is rapidly recovering from the effects of the almost fatal plunge. She slipped and fell through a broken railing on the guard of the steamer America. She had barely disappeared from sight before Smith, who witnessed the accident, leaped overboard to her rescue. The child sank but was soon seized by Smith, who was a powerful swimmer. He held her above water until assistance arrived.

Meanwhile a small boat was launched from the steamer and hurried to the rescue of the man and child who were drifting rapidly down stream. Smith continued to hold the child above water until the boat reached them and the child was lifted into the arms of the rescuing party.

Just as the unconscious child was raised from his arms Smith became exhausted and was swept away from the boat. He sank an oar's length away from the boatmen who were powerless to save him.

The child was taken aboard the steamer, which returned to Portland and

GOLDEN WEDDING OF 'LEBANON PIONEERS'

MRS. WILLIAM MILLISAP.

(Journal Special Service.)
Lebanon, Or., March 8.—Mr. and Mrs. William Millisap celebrated their golden wedding anniversary at their home in this city yesterday. The time was made the occasion of a family reunion.

In the afternoon a dinner was served to the family and relatives and in the evening their reception was held in honor of Mr. and Mrs. Millisap's friends. A large number gathered to congratulate them and wish them many returns of the happy occasion.

Mr. Millisap is 74 years of age and Mrs. Millisap is 69 years old. A peculiar incident is that one of their sons, A. B. Millisap, attended the golden wedding anniversary of Rev. and Mrs. James Hoberg of McMinnville, his wife's parents, in November, 1901.

Only Six Days More In Which to Enter the Free Piano Contest

Over nine hundred numbers have been entered but there is yet time to enter. The contest is now in its last stages and the nearest number yet received. If there are yet persons in all Oregon and Washington who have old instruments and who have not entered this contest, we warn them not to throw away the chance we offer them. **SOMEONE** is going to win the piano.

Hurry in Your Numbers

Every piano has a number the same as every watch has. Your old organ or piano has a number. If it's an organ you will find the number in or on its back. If it is a square piano lift the whole lid and hunt around, and under the strings and the drum will readily be found. Put the number and name of your old instrument on a card and mail or bring it to our store. In our east window we have placed a new Kingsbury upright piano. We have pasted a slip of paper over its number. On March 15 we will remove the slip and the owner of the old piano or organ bearing the number nearest to that of the new upright can trade the old one for the brand new one without one dollar of additional cost, no matter how old or dilapidated the instrument turned in may be. Should the winning number be entered by more than one contestant the first one entering the contest will be declared the winner. It costs nothing to enter so look up the number of your old piano or organ and bring or send it in.

JOSEPH DEAN SAYS HE WILL PROSECUTE MRS. BOTKIN ON ANOTHER CHARGE SHOULD SHE BE RELEASED BY THE SAN FRANCISCO COURTS.

(Journal Special Service.)

Dover, Del., March 8.—Diplomate witnesses against Mrs. Cordelia Botkin, who is to be placed on trial in San Francisco next week for the murder of Mrs. J. P. Dunning of this place by sending her a box of poisoned candy, will rendezvous in Philadelphia tomorrow to start on their trip to the Pacific coast. Their expenses will be paid by the state of California.

Mrs. J. P. Dunning and her sister, Mrs. Joshua D. Dean, were killed in 1900 by eating poisoned candy, which was received through the mail. Mrs. Botkin was convicted in California of the murder of Mrs. Dunning, but was granted a new trial. Two or three witnesses who have died and three important witnesses have refused to make a second trip to California to identify the box, these are former postmaster, Thomas M. Gooden, assistant postmaster, Josephine Bateman and Cashier Walter Morris of a local bank, and it is believed here that it will be impossible for the state to present as strong a case as it had at the first trial. Joshua Dean said today, however:

"If that woman is acquitted of the murder of Mrs. Dunning, I will have her served with a warrant before she can leave the courtroom and will stay right there in San Francisco and prosecute her for the murder of my wife."

Witnesses who will go are: Miss Elizabeth Kemp, Harry Pennington, Mrs. L. A. H. Bishop, Fraley S. Downs, Joshua D. Dean and former state detective Bernard J. McVeigh.

MAD ATTEMPT ON SENATOR'S LIFE

STATE SENATOR LEDGERWOOD OF TENNESSEE FIRED AT BY UNKNOWN PERSON WHILE RIDING IN A DUMMY COACH—IS UNHARMED.

(Journal Special Service.)

Knoxville, Tenn., March 8.—A desperate attempt to assassinate State Senator W. L. Ledgerwood was made last evening. Senator Ledgerwood was aboard a dummy coach en route to this city to address a meeting in the interest of the candidacy of United States Senator William B. Bate. Senator Ledgerwood is the leader of the Bate forces in this county. He is being opposed for reelection by ex-Governor Benham McMillan, who controls the party machinery here. As the dummy crossed Anderson avenue a shot was fired, the bullet passing through the window where Senator Ledgerwood was seated. His hat and clothing were showered with bits of glass. Only three other passengers, two ladies and a gentleman, were on the car and they were seated some distance from Senator Ledgerwood.

THOUSANDS OF DOCTORS PRESCRIBE "SAFE CURE"

Exclusively For All Forms of Kidney, Liver, Bladder and Blood Diseases.

DR. FRANK M. Sisson, LYONS, N. Y., TELLS HOW HIS PATIENT, J. A. NOBLE, A SUFFERER FOR YEARS WITH THE WORST FORM OF KIDNEY DISEASE, WAS COMPLETELY

CURED BY WARNER'S SAFE CURE

THE DOCTOR'S STORY:
"Warner's Safe Cure was first called to my attention a number of years ago by a patient of mine, Mr. J. Noble, a prominent miller of Williamsport, Pa., where I was then practicing. He told me that no other medicine helped him so much as Warner's, and after studying his case I advised him to keep on taking it. He had been suffering from Chronic Diabetes for thirty years. I was the family doctor and watched the effect of Warner's carefully and became convinced of its great value. Mr. Noble lived to be 76 years of age, which in itself speaks highly of the virtues of Warner's."

"Since that time I have used Safe Cure with most beneficial results. From the experience of a practice stretching over 22 years I have no hesitation in stating that Safe Cure is the most valuable specific for Bright's Disease, Diabetes and all forms of acute and chronic kidney disease. I prescribe it myself, and am glad to add my indorsement to that of my brother physicians who are commending it."

—Frank M. Sisson, M. D., Lyons, N. Y.

More suffering and death result from affections of the kidneys than from all other diseases, and principally because they are not discovered in time.

Kidney disease works along slowly and steadily and often gets a firm hold in the system long before you even suspect it. If you have the slightest doubt about your condition you should at once

TEST YOUR KIDNEYS AT HOME.

Let some morning urine stand 24 hours; if a reddish-brown sediment forms or if it is the least cloudy or smoky, your kidneys are out of order. Uric acid will clog the blood and poison the whole system, causing serious complications and death in many cases.

If you have pains in the back, uric acid, gout, gravel, diabetes, Bright's disease, inflammation of the bladder and urinary organs, scalding pains when you urinate, eczema, jaundice, torpid liver, or if a woman, bearing up a painful period or so-called female weakness, your kidneys have been seriously affected for months, as outward symptoms seldom show themselves until the disease has been working a long time.

There is not a minute to be lost—get a 50-cent bottle of Safe Cure at your druggist's. It will relieve you at once and effect a permanent cure.

SAFE CURE CURES KIDNEY DISEASE.

Warner's Safe Cure is absolutely the only certain cure for Bright's disease and all diseases of the kidneys, liver and bladder. It soothes inflammation and irritation, repairs the delicate tissues, heals the organs, restores energy and vigor and builds up a strong, healthy body.

Safe Cure is made entirely of herbs, contains no harmful drugs, is free from sediment and pleasant to take. Has been used successfully in leading hospitals for years. Sold at all drug stores or direct; 50c and \$1 a bottle.

REFUSE SUBSTITUTES. They are worthless and very often exceedingly dangerous. Ask for Warner's Safe Cure; it will cure you.

WARNER'S SAFE PILLS move the bowels gently and aid a speedy cure. Medical booklet free. Warner's Safe Cure Co., Rochester, N. Y.

SLIDES IN SISKIYOU DELAY THE TRAINS

The Southern Pacific overland train due at Portland from San Francisco at 7 o'clock this evening will be several hours late, owing to more trouble from slides in the Siskiyou mountains in Northern California. Train No. 18, due to arrive at 7:45 o'clock this morning, was delayed until 9:15 owing to a slide at Wall creek, south of Ashland. While the tracks have been cleared, there is more trouble expected, and in view of this fact a train will be made up at Roseburg and passengers at intermediate
