

## SPORTS NEWS OF THE DAY

EDITED BY  
J. A. HORANFIGHTERS READY  
FOR SOUND OF GONG

**JIMMY REILLY AND KRANTS ARE  
IN BEST OF SHAPE FOR THEIR  
BATTLE TOMORROW EVENING—  
MANY LOCAL SPORTS WILL GO TO  
OREGON CITY TO WITNESS BOUT.**

(Journal Special Service.)  
Oregon City, Or., March 9.—In anticipation of his go with Krants in an armory tomorrow night, Jimmy Reilly is driving steadily at the training. He is in fine shape and his spirits are boiling over. He is confident of winning the scrap, but is taking no chances. His training quarters are in the Cataract engine house and when he punches the bag he makes the big building tremble.

Yesterday Reilly did not work in the morning, but took a good rest. In the afternoon he did about 10 miles on the road. Reilly is becoming quite a familiar figure on the road now. "Boys," says Reilly's trainer, watches his man closely and is bringing him into fine fettle. Thorn said of him yesterday:

"Reilly is in as good condition as I have ever seen anybody. He is naturally strong, but the strength he has developed since he has been training is amazing. His wind is perfect. He has done better than 10 miles this afternoon and has worked hard at bag punching and he is scarcely breathing. Good wind? Well, I guess he has plenty for himself and then some for Krants. He is sure to win the bout in about 10 rounds."

Reilly is making friends fast here in the city and there is always a good crowd to see him train. Now and then some of his friends come up from Portland to see him work and Bert Sullivan is always on hand to exchange blows with him. Reilly does not say much about the mill, but he let out the following yesterday: "It will be a slambang match from the sound of the gong. Krants is going to mix it from the start and I am going to bang into him as soon as I get up at the start. To illustrate how he would finish Krants, Reilly made several fierce lunges and rushes at the weight punching bag. His ambition was too great, however, as at his last rush the rope broke and he rolled on the floor. He laughed at this as if it were a great joke and continued: "I believe that I am in the best shape that I have ever been in and that is saying a good deal. The bout will come to me about the 10th round. Krants is a heavy fighter, but he will get his beating. He is training pretty well and it is reported that few are allowed to see him. I am just the opposite. When I am training I like the fellows to come around and give me a jolly because it helps."

The boxing will start in a 20-foot ring and arrangements will be made to raise the seats so that all will have a chance to see the exhibition. There is considerable betting, the money being about even. Krants' manager, Frank Osborn, has \$200 that will be covered by Reilly's betting. There is quite a few local bets and there will be considerable at the ringside.

There will be one of the largest crowds that ever witnessed a contest of this kind in Oregon City. There will be special cars from Portland to bring the crowd up and the O. W. P. Co. will run special cars back after the scrap. There is more local interest over this bout than is thought. Staid old business men who take little interest in such contests have signified their intention of seeing what promises to be the best exhibition of the manly art ever held in this town.

There will be two preliminaries. The names of the men are not known yet, but they are the best of Tracy's pupils and will put up a fast exhibition. The selection of the referee has not been made yet. Two names have been proposed. They are Jack Fay and Nace Grant. Either one of these men would make a good official.

Ed Reckner, the promoter of this battle, intends matching the winner with Perry Quensen for a 20-round bout, to take place during April.

Jimmy Reilly will have Tom Tracey, Jack Hill and his trainer, Bob Thorn, as his advisers on the night of the battle.

## NEW BOWLING CLUB AT SPOKANE.

(Journal Special Service.)  
Spokane, March 9.—Another bowling club is being formed in Spokane and the new organization will endeavor to arrange a tournament between the different clubs in towns for the club championship. The new organization of athletes will be known as the Warwick Bowling club, and they will occupy the four new alleys under the Warwick turf exchange.

The new club will open up next Thursday night. The first game to be rolled on the new alleys will be between the Western Union and the Warwicks, two old-time enemies. The prizes for the match have not yet been decided upon, but they will be worth the struggle.

Manager Hildebrandt says the new bowling parlors will be strictly first-class. There will be one day each week set aside for the ladies, and the club members will also have one night to themselves out of each seven days. Prizes will soon be hung up for the high-score bowlers.

Eastern and California races by direct wires. We accept commissions by "phone" on all races from responsible parties. We also receive commissions for all leading sporting events in any part of the world, at Portland Club, 150 Fifth street.

## BLOOD

On account of its frightful hideousness, Blood Poisoning is commonly called the King of All Diseases. It may be due to a variety of causes. Once the system is tainted with it, the disease may manifest itself in the form of Scrofula, Eczema, Rheumatic Pains, Scurvy, Swollen Joints, Eruptions or Copper-Colored Spots on the Face or Body, Little Ulcers in the Mouth or on the Throat, Sore Throat, Swollen Glands, Falling out of the Hair or Eyebrows, and finally a Leprosy-like Decay of the Flesh and Bones. If you have any of these or similar symptoms, get BROWN'S BLOOD CURE, immediately. This treatment is practically the result of life work. It contains no dangerous drugs or injurious medicines of any kind. It goes to the very bottom of the disease and forces out every particle of impurity. Root every vein and eradicates disease, completely and forever. The blood, the tissues, the flesh, the bones and the whole system are cleansed, purified and restored to perfect health, and the patient prepared anew for the duties and pleasures of life. BROWN'S BLOOD CURE, \$2.00 a bottle, lasts a month. Made by DR. BROWN, 935 Arch st., Philadelphia. For sale in Portland only by Frank Noy, Portland Hotel Pharmacy.

TACOMA SECURES  
THE GREAT OVERALL

(Journal Special Service.)  
San Francisco, March 9.—Michael Fisher, impresario for a ball playing troupe from Tacoma, has played a trump card. He's opened wide his purse strings and has a contract for "The Mighty Overall" to pitch for the Tigers this season. To do this Mike had to negotiate with Ovie with the keenest sort of an argument that wins, and Overall promised his family, his friends and his friends to say just what Ovie's salary will be, but admits that the pitcher will get as much, and perhaps more, than Morley paid Joe Corbett last year. This was a flat salary of \$500 a month. Word comes from some of Overall's Visalia friends that his salary will be \$400 a month, with a bonus big enough to start a bank account for signing with Fisher.

Fisher went to Visalia this morning and met Overall just as he had come in from his morning's work on his lemon orchard. Fisher caught Ovie in the right humor and he agreed to sign. Fisher could get the old folks' consent. He was introduced to Overall's mother and father. In an hour's conversation Fisher induced them to allow their son to go with him, and he will join Tacoma here on Sunday.

"I've signed the Christy Mathewson of the west," said Fisher. "Overall is in good shape now, and I will have him make monkeys of the Chicago Nationals in the game we play on St. Patrick's day."

MARSHALL-WELLS TEAM  
DEFEATS HONEYMAN

The Marshall-Wells boys defeated Honeyman last night in the game of indoor baseball played in the Y. M. C. A. gymnasium. Both teams put up a fine game and the rosters on both sides were not slow in calling each other's attention to every nice play made. Marshall-Wells had secured the best of the game up to the sixth inning when they broke and two men were put out on second base. Honeyman made a spurt and scored six runs this inning, which brought them within one point of tying their opponents, but were unable to keep it up and were walked out in the last inning. The Marshall-Wells boys scoring one run in this inning, making the final score 20 to 18.

Quite a large crowd, representing both sides, witnessed the game, and the three home runs scored by Marshall-Wells were cheered to the limit by their admirers. The best of spirit prevailed and both sides showed themselves true to the sport.

The teams lined up as follows:  
Marshall-Wells. Positions. Honeyman.  
Stutler ..... C. D. Honeyman.  
Backus ..... P. D. Honeyman.

The score by innings was:

MANAGER REILLY  
SIGNS HIS NINE

(Journal Special Service.)  
Spokane, Wash., March 9.—Pitcher H. M. Moser and Bob Haurahan, in and outfielder, have accepted Manager Reilly's terms and will undoubtedly be added to the list of Spokane ball tossers. Reilly received a letter from Dr. Moser in which the big southpaw stated he would be on hand to report. Moser sent clippings from the reports of games in which he pitched last season. The peculiar part of this latter transaction was the fact that the reports of the games which he lost without an exception.

Hanrahan is a man strongly recommended by Carney and others. He is good in the in or outfield and was the fastest man in the northern league last season.

John McCloskey is now in Louisville picking up a few players. He is said to have signed two good men in Chicago and is expected back with one of the best teams he has signed in the north-west. McCloskey is reported to have waxed very angry because the other managers would not lend him players and is now out with the evident intention of making them sorry.

In all probability the announcement of the location of the new baseball grounds will be made this week. In the meantime President Williams and Manager Reilly are completing the plans for grandstand, club house, score board and score cards for the season's playing.

RACING ASSOCIATION  
WILL ACCEPT DATES

Nothing definite is known regarding the policy of the Multnomah Fair association regarding the racing dates assigned to Portland at the recent meeting of the Pacific Jockey club. The members of the association now in Portland prefer to await the return of President Diamond, who attended the meeting at San Francisco, before they express the association's opinion on the subject. It is well known that the dates assigned to this city were not satisfactory, but the general impression prevails that the local association will accept the assignment in good faith, and take chances on being treated with more consideration next year.

SALEM TEAM MEETS  
MULTNOMAH TONIGHT

The Multnomah Amateur Athletic club's basketball team is scheduled for a game this evening with the Salem Y. M. C. A. The game promises to be a hotly contested, and considerable interest is being manifested in the game. A good crowd is assured. The game takes place in the club's gymnasium, and will be preceded by a contest between the local Y. M. C. A. Tigers and the Junior Multnomahs.

The M. A. team, which will line up against Salem will be chosen from the following: Rasch, Steadman, Kennedy, Percy, Barton and Brandon.

Tomorrow evening the clubmen meet the local Y. M. C. A. players.

## BASEBALL NOTES

John Baxter, more familiarly known to the fans of Portland, and the Coast league as "Moose," has been signed by Manager Ely to act as utility man for the Browns, according to the San Francisco Bulletin. Baxter is a big, raw-boned player, and can play either in or out of the field, and is a good hitter. The Moose had trouble with his hoofs last season, which handicapped his work considerably.

The signing of Overall by Mike Fisher shows that the worthy colonel intends to make a strong bid for the pennant, for with Thomas, Keefe, Knell, St. Yrain, Fitzgerald, Sample and Emerson to complete his twirling staff, it does not appear that Tacoma will be shy pitchers this season.

Charlie Druhot seems to be holding his own at Bakersfield, and the impression prevails among his team mates that he will make good.

Mike Lynch has turned up at Fresno, much to the delight of Mike Fisher, who at once proposed to release Hildebrandt to San Francisco. With two such hitters as Michael Angelo Fisher and Michael Angelo Lynch associated together on the same team, there will be something doing in the levi vein at all times.

## WILL NOT SUPPORT HANLON.

(Journal Special Service.)

San Francisco, March 9.—A Boston dispatch to the Chronicle says: "President Ban Johnson of the American league and James Hart of the Chicago club come out boldly and accuse Edward Hanlon, the third member of the peace commission that went to California, with trying to disturb the peace agreement in the hope of getting two or three players, and others interested say a new storm is brewing."

"The National Board of Minor Leagues has admitted the California league to full membership, so that Hanlon's fighting for players for his Brooklyn club, in the guise of a minor league representative is not likely to drive off the Californians, although spicy telegrams have passed between the major and minor baseball men and the men in San Francisco. The Californians are assured of the co-operation of the two big leagues and the national board of minors."

Hanlon's latest telegram asked the western men to meet him at Salt Lake City, but they refused to attend any more meetings and say that they are at a loss to know what kind of a double-cross Hanlon and Powers are trying to carry out."

## A REPLY TO HANLON.

Oregon City, Or., March 8.—Sporting Editor of The Journal—Having read in your valuable paper on the sporting page a few evenings ago a challenge from one Hanlon to fight Frank Freeman, I will say on behalf of Freeman that such a contest could not be arranged at present, but if, as I understand, he wishes to box Freeman very bad, I will suggest that he come up and box Freeman a six-round preliminary to the Reilly-Krants contest, which takes place the 16th of this month. I will give him opportunity to exercise himself and will also put up a purse, and if he makes good, will place him with the main event for next card with Freeman before this club. Wishing you would see him if possible, and address me.

Yours respectfully,

ED RECKNER.

Manager Frank Freeman, Oregon City.

SEIZED CHARGED  
WIRE AND LIVES

(Journal Special Service.)

Weiser, Idaho, March 9.—A boy about 14 years of age had a narrow escape from electrocution Monday evening by a short circuit in the wire. About 9 o'clock the boy, James Eaton, was returning to his home on horseback. The boy noticed the wire hanging down and it is supposed caught it with his hand. Instantly he and his horse were knocked to the ground. The horse and boy managed to reach the line of the boy's uncle, near the town of Weiser, and the boy was about four blocks from where the accident occurred. The boy was out of his head and did not know how the accident had occurred.

He remained unconscious all night. Two fingers of his right hand are burned through the bone and his head is cut. He is in a precarious condition. It is a miracle he was not killed instantly, as the arc wires are charged with 2,300 volts of electricity.

Monroe creek, which runs through the eastern part of the city, has overflowed its banks and many houses and cellars are inundated. It has been raining for the past two days and nights and the snow in the mountains is melting rapidly.

Even in leap year it is well to look before leaping.

THE WAR  
IN THE EAST

West, North and South That Stuart's Dyspepsia Tablets Are Waging Against All Forms of Stomach Trouble Can Only End in One Way.

Dyspepsia Will Be Driven Off the Earth. The great and effective work of Stuart's Dyspepsia Tablets is no longer confined to America. They are being used now all over the world, for their fame has spread throughout foreign countries and they cure dyspepsia in all lands and all climates just as well as they do at home. In fact, surrounding conditions never interfere with the successful work of Stuart's Dyspepsia Tablets, not even the conditions of the stomach itself. They go ahead and in their own natural way, regardless of the stomach, and digest the food that the stomach cannot digest, and permit that organ to do just as it pleases rest up, take a vacation, get well or what not. The stomach, however, always takes it a point to get well, and has nothing else to do. That's why stomachs always have done and will continue to do when they have the opportunity.

A prominent Detroit physician says: "I prescribe Stuart's Dyspepsia Tablets for all cases of stomach trouble. I have tried many prescriptions, including a number of my own, but find nothing that gives such universal relief as this remedy. They are natural, harmless and thoroughly effective in their work, and while I have a natural antipathy to patent medicines, I do not hesitate to prescribe and recommend Stuart's Dyspepsia Tablets on all occasions."

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. They are so well known and their popularity is so great that a druggist would as soon think of being out of alcohol or quinine. The above testimonial of the physician is no exception. In fact, physicians are prescribing them all over the land, and your own doctor is sure to tell you that there is nothing on earth so good as dyspepsia as Stuart's Dyspepsia Tablets.

PIANO CONTEST IS  
STILL TROUBLING

(Journal Special Service.)  
Spokane, Wash., March 9.—A rumor is current here that Lillian Ford of Wardner, Ida., who won the celebrated piano contest in that town about six weeks ago under rather remarkable conditions, has engaged the services of an attorney and is about to commence action to obtain possession of the instrument. Although she received a majority of over 130,000 votes, as the most popular person in Wardner, the piano was refused her on the ground that over 100,000 fraudulent votes had been cast for her, and therefore she was not entitled to it.

After her victory she demanded the instrument from the merchants, who had donated it for advertising purposes, but a majority decided it should not be awarded to her, but instead should go to the fire department. Several of the merchants refused to agree to this plan, and thus the matter rests. It is expected that the suit for possession of the piano will be filed soon.

The race for the piano was between the public schools and Lillian Ford, the proprietor of a dance house. The Ladies of the Maccabees were candidates in the race, but withdrew after the Ford entry was made.

**Councilman's Contest Agreed.**  
Caucusing in Spokane to settle the city hall and police muddle is a thing of the past. This is the net result of a joint meeting of the Democratic and Republican councilmen held at the mayor's office. Everything was passed up by agreement, to the new city council coming in next May. After vain efforts to bring the opposing councilmen together and secure something like an equitable agreement, the mayor was forced to throw up his hands and allow the officers appointed by his Democratic predecessor to remain, at least until the next council convenes. Even then there is a prospect of another bitter struggle over the patronage.

Real estate in Spokane is booming, and more buildings are planned to be built this year than any year since the great building days immediately after the fire in 1899. Last year was the most prosperous season the contractors and builders have had for many years, but this year's increase promises to beat it. The buildings added to Spokane last year, according to the records, cost \$3,755,965.

**Match Bowling Games.**  
Manager Owney Patton of the Coeur d'Alene bowling alleys announces that the challenge for a match against any team of bowlers in the Pacific northwest has been accepted and the five best bowlers of the Coeur d'Alene, previous to March 1st, will start the club at Wallace, Ida., will start the 16-pound balls down the alleys of the Coeur d'Alene club in Spokane at 8:30 o'clock Monday evening, March 14. The Spokane bowlers will include Owney Patton, Ed Dvorak, Fred Townsend, Frank Dobbins and another man yet to be selected. The names of the bowlers coming from Wallace have not yet been learned. The game will be ten pins, series of five games, total pins to count, and the losers to pay for all of the games.

**Boxing Contests.**  
The announcement is made that Benny Yanger and Louis Long have been matched for a 15-round boxing contest to be held in Spokane. Arrangements have been made with Manager Dan Weaver whereby the Spokane theatre will be leased for one or two entertainments under the auspices of the Empire State club, a new organization in Spokane. In addition to this match, Yanger and Dave Sullivan, recently defeated by George Corbett, are to be matched, and this contest, too, may be signed for Spokane.

STAGE PRISON NOT  
AS STRONG AS JAIL

That a stage prison is not quite as strong as the county jail was brought home with force at the presentation of a war play last Sunday afternoon when General Somebody excitedly attempted to leave the stage by pushing down the whole side of a stone prison. Fortunately the electrician retained presence of mind enough to turn out the lights.
