

ALL DELEGATES ARE SELECTED

REPRESENTATIVES FOR VARIOUS COUNTY CONVENTIONS CHOSEN—SIMON REPUBLICANS SEND THEIR LIST IN LAST—WHO WILL ATTEND THE GATHERINGS.

All nominations for delegates to the county conventions of the several political parties have been filed with the county clerk. The list of Simon delegates was the last to be filed and did not reach the court house until late this afternoon.

Simon Republicans are expecting to receive a large number of Democratic votes at the primaries, and it is a significant circumstance that John Driscoll, for years a prominent Democrat, appears as one of their delegates from the twelfth precinct. James S. Cunningham, who has been actively identified with the Democratic party, is also a Simon delegate.

THERE IS ROOM YET

For the Winning Number

The closest number received thus far is quite a few numbers away from the number on the new Kingsbury Piano, so the late comers have just as good chances to cash the winning number as the early ones.

WIN THE KINGSBURY PIANO

EVERYBODY TRY

CONDITIONS

Every piano has a number, the same as every watch has, your old organ or piano has a number. It is an organ you will find the number in or on its back. If it is a square piano lift the whole lid and hunt around and under the strings, and the number will readily be found. Put the number and name of your old instrument on a card, together with your name and address, and mail or bring it to our store. In our next window we have placed a new Kingsbury upright piano. We have pasted a slip of paper over its number. On March 15 we will remove the slip, and the owner of the old piano or organ bearing the number nearest to that of the new upright can trade the old one for the brand new one without one dollar of additional cost. Put the number on or dislipidated, the instrument turned in may be. Should he winning number be entered by more than one contestant, the first one entering the contest will be declared the winner. It costs nothing to enter, and you may number of your old piano or organ and bring or send it in.
