GOMPERS RETURNS FROM PORTO RICO

(Journal Special Service.) New York, March 21.—President Gompers of the Federation of Labor returned from Porto Rico this morning.

He made a close study of the labor conditions. It is expected that he will make a sensational report.

He thinks conditions are improving but in a short time, but just how will not be discussed at this time.

In Porto Rico he was hailed as a "labor Messiah." He thinks conditions are improving but in a short time, but just how will not be discussed at this time.

SULLIVAN'S GULCH TO HAVE NEW BRIDGE

Plans and estimates have been nearly completed by the city engineer for a bridge to replace that across Sullivan's gulch.

The old bridge was closed for the first time in September, 1922, when it was considered unsafe.

Persistent usage, however, on the part of unwary pedestrians and others caused a second closing of the bridge in December of the following year.
