OVER \$500 IN FOR "CASTRO FUND"

FANS CONTINUE INTEREST IN RAISING MONEY FOR PURCHASE OF SHORTSTOP CASTRO—CONTRIBUTIONS THIS MORNING ARE LIBERAL AND HELP CAUSE.

The "Castro fund" made a big jump this morning when good friends sent in over \$250 to The Journal office. The fund is now over \$500, and the interest is stronger than ever in the raising of the money. High officials of the Portland street railway and city and suburban railway companies swelled the sum several hundred dollars and other loyal fans added their share. The loyalty of the fans is being well attested, and everybody will share in the glory of having a star baseball team in this city. On Thursday the season will open and Manager Ely is anxious to start out with a complete team. The fact that Castro is anxious to play with the Browns ought to be sufficient evidence that he will deliver the goods during the season. With him in the game the infield will be solid and no team in the league can boast of anything better. The outfield is all right to a man and the pitchers are in good shape. Much will be expected of the Browns this year and they will have to put up a fine article of ball. They are stars and command big salaries, and barring accidents the Browns will be leaders. The latest reports from Bakerfield regarding the team are all of the most encouraging nature. As for the "Castro fund" it will continue to grow. Contributors should send their money to The Journal office before Wednesday noon if possible.

- All money should be sent promptly to The Journal office. BASEBALL NOTES

The opening of the 1904 baseball season is scheduled for Thursday, and the local fans are anxiously awaiting the results of the first week's play. Charlie Shields, contracted to pitch against Lohman's tribe yesterday and "got his." Charlie's arm is still somewhat lame, according to a letter received from Jake Thielman. "Ham" Iberg is still on the hospital

BLOOD

On account of its frightful hideousness, Blood Poisoning is commonly called the King of All Diseases. It is a disease of the blood, and the disease may manifest itself in the form of Scrofula, Eczema, Rheumatic Pains, Stiff or Swollen Joints, Eruptions or Copper-Colored Spots on the Face or Body, Little Ulcers in the Mouth or on the Throat, Sore Throat, Swollen Testicles, Falling out of the Hair or Eyebrows, and finally a Leprosy-like Decay of the Flesh and Bones. If you have any of these or similar symptoms, get BROWN'S BLOOD CURE, immediately. This treatment is practically the result of life work. It contains no dangerous drugs or injurious medicines of any kind. It goes to the very bottom of the disease and forces out every particle of impurity. The system is completely and forever cleansed, the flesh, the bones and the whole system are renewed, and the patient prepared anew for the duties and pleasures of life. BROWN'S BLOOD CURE, \$2.00 a bottle, lasts a month. Made by DR. BROWN, 830 Arch St., Philadelphia. For sale in Portland only by Frank Man, Portland Hotel Pharmacy.

list at his home in San Francisco. He is troubled with a bad attack of influenza, and Manager Ely does not know when Iberg will be able to report. According to the list of players awarded to the Coast league, which has been issued by Secretary Farrell, Rube Waddell, the crack southpaw, has been awarded to Portland. In view of the sickness of Iberg, the services of Waddell would come in mighty handy at the present time.

Seattle is claiming the championship for Wilson's team. Parke has secured a bunch of stars, but—well, there are several other star aggregations in the Coast league this season, and one of them happens to be under the guidance of W. Fred Ely.

FRANK HOWE WON THE INMAN MEDAL

The regular weekly shoot of the Multnomah Rod and Gun club was well attended yesterday in spite of the stormy weather. Frank Howe defeated M. Abrams for the Inman medal by making a score of 47 out of a possible 50, which is a remarkable record, considering the weather conditions. Mr. Abrams broke 46 out of a possible 50.

In the competition for the Lipman cup, Harry Ellis again broke 25 straight, which makes his second performance, and should he accomplish the feat again next Sunday the trophy is his. The score:

Table with columns: Name, Shot at, Broke, P.C. Includes names like Arnold, Howe, Abraham, McBroom, Ellis, Cullison, Pains, Hillis, Wellwood, Peterson, Griffin, Kollie, Lipman, Baker, Blaker, McLan, Montreal, Moore.

GANS AND GARDNER TO FIGHT TONIGHT

(Journal Special Service.) Saginaw, Mich., March 21.—Joe Gans will defend his title of lightweight champion in a 10-round bout with Gus Gardner before the Saginaw Boxing club tonight. The contest was originally scheduled for last week, but was postponed on request of Gans. Gardner has been doing some good ring work of late and expects to make a splendid showing against the Baltimore boy, even though he may not get the decision. Gans, who arrived in Saginaw several days ago, has put the finishing touches to his work of preparation and appears to be in first rate condition for the bout. The fighters will weigh in at 6 o'clock at 140 pounds.

PRIZES FOR BOW WOWS.

(Journal Special Service.) Spokane, Wash., March 20.—More prizes, more dogs and greater amount of interest than Spokane has ever known is what the Spokane Kennel club offers for the fall bench show, to take place here on October 5, 6, 7 and 8. John Bradshaw of San Francisco, the noted judge, has been secured to judge the Spokane show, and satisfaction is guaranteed. Efforts have been made by the kennel club to make the coming bench show the best the city has ever seen, and pains will not be spared to make it a grand success.

ROCHESTER AUTO SHOW.

(Journal Special Service.) Rochester, N. Y., March 21.—After several weeks of preparation the Rochester automobile show opened in Pittsburgh hall today under the most favorable auspices. The exhibition, which is to continue through the week, comprises nearly all of the American and foreign-made machines exhibited at the recent shows in Chicago, Cleveland, Boston and Buffalo. In addition to the automobiles the show includes a large and comprehensive display of motor cycles and automobile accessories.

LOHMAN'S TEAM DEFEATS BROWNS

(Journal Special Service.) Bakerfield, Cal., March 21.—"Grandpa" Pete Lohman invaded this city yesterday with his bunch of pennant chasers, and caught Fred Ely's contingent napping, and before the Browns had awoke the Oakland team and "Roaring" Bill Devereaux had the game clinched. Oakland started off in the first inning and before the Browns had braced themselves, Peter's men had clouted Shields for three runs. "Henery" Schmidt was all the goods in the box and held the Portland sluggers down to six hits.

Phil Nadeau scored Portland's lone tally in the sixth, when he singled to left, stole second and scored on Erve Beck's drive to center. Castro was to the bad when he faced Schmidt's pitching and struck out twice. Franks, Schafly, Kruger and Devereaux carried off the fielding honors for Oakland, while Freeman and Steelman made several sensational catches of difficult fouls.

The Portland team seemed to lack the display of ginger that they exhibited in the Chicago game. The score: R.H.R. Oakland . . . 3 0 0 1 0 1 0 0 1—6 Portland . . . 0 0 0 0 0 1 0 0 0—1 6 4 Batteries—Schmidt and Lohman; Shields and Steelman. Struck out—By Schmidt 2; by Shields 2. Bases on balls—Off Schmidt 1; off Shields 4. Hit by pitcher—Dunleavy. Two-base hits—Devereaux. Time of game—Two hours. Umpire—Huston.

WADDELL AWARDED TO FRED ELY'S TEAM

Portland may yet secure Rube Waddell, the great American league pitcher, for according to the awards of the National board he is designated as belonging to the Portland club. The following interview is credited President Bert: "Does this mean that Portland can have Waddell if it claims him?" President Bert was asked today when shown Farrell's bulletin. "It certainly does," he replied. I have informed Farrell that the Pacific Coast league will hold every player awarded to it. I did this when Montreal asked to have Thomas sent back and Minneapolis put in a claim for Lynch. These clubs showed prior contracts, but I held that the award nullified these contracts. Only today I received word from Farrell that the St. Louis American club claimed Thielman, who it appears he signed a contract with before he came to terms with Ely. The St. Louis club has sent its evidence to Farrell and he wanted us to send on ours, but we will not. We will not go behind the award, as I have stated."

SPORTSMEN START THE FISHING SEASON

Ed Schiller and Dick Eccles were among the first of the local sportsmen to start the fishing season. In spite of the storm Saturday evening these two nimrods journeyed down to Mayegee's anticipating a pleasant Sunday's sport, but Jupiter Fluvius said, "they nay!" and proceeded to act in such a boisterous manner toward the would-be followers of one Ike Walton, that on several occasions they came near being blown into the creek. Schiller says that it actually blew holes in his coat. Both men report fishing as being good, providing the weather would become more quiet, and they exhibited several fine specimens of the gamey salmon trout as a result of their day's sport.

EVERY BID MAY BE REJECTED

FAIR COMMISSION FINDS THE LOWEST PRICE MUCH ABOVE THE AMOUNT AT ITS DISPOSAL—OFFER COMPARED WITH SECRET ESTIMATES.

It is more than possible that none of the bids submitted for the approval of the state commission of the Lewis and Clark fair will be accepted. The commission at its Saturday meeting opened bids for the buildings it will erect on the exposition grounds and found that there was a wide variance between the bidders on the same items, in many cases the difference being 50 per cent. The superintendent is now comparing these bids with the estimates made for the confidential use of the commission and will report to the commission Wednesday evening when the fate of the bids offered will be decided.

All but three bidders have already received their check through Goldie & Co. of St. Louis would have been given the contract for three buildings had the bid not specified that it would do the work only if it secured a contract for four buildings at least.

All bridge bids have been rejected and commissioners say that the lowest bid on several buildings, the state building being one, will not be received. The idea of the commission is that by conference with the lowest bidder they may scale the estimates several thousand dollars, and unofficially it is said that this will be the course pursued. The commission faces the dilemma: The total of the lowest bids is between \$15,000 and \$20,000 in excess of the \$275,000 appropriation; the commission will not exceed its available funds and apparently cannot do the necessary work for the amount allowed.

BENNING'S TRACK TO OPEN THIS WEEK

(Journal Special Service.) Washington, D. C., March 21.—Everything is practically in readiness for the inauguration of the Benning race meeting Thursday, which will mark the opening of the racing season in the East. About 400 horses are already at the track and this number is being augmented by fresh arrivals from the South and West daily. The track itself is in fine condition, and should the first Benning handicap be run over a fast track, a new six-furlong record is not unlikely. At the coming meeting steeplechasing is to be more of a feature than formerly. The program provides for steeplechase races three times a week.

ILLIHEE BOWLERS DOWN MULTNOMAH

(Journal Special Service.) Salem, March 21.—Saturday night the Illihee club's bowling team met the team from the Multnomah club on the alleys of the Illihee club in this city, and defeated the visitors by a score of 329 to 275, in four games. The contest was very even throughout, the Multnomahs winning the first two games, but the Salem bowlers made a spurt in the last two games. Ford of the Multnomahs won the honors of the evening by the largest individual score, having 182 points to his credit, while Dr. R. Cartwright for the Salem team carried off the honors by scoring 153 points. The first Multnomah basketball team at the same time defeated the Salem Y. M. C. A. first team in an interesting and exciting game by a score of 18 to 15. The Multnomah second team met defeat by the Salem Y. M. C. A. second team, the score standing 23 to 15 in favor of the Y. M. C. A.

JOE DEFEATS JOE COTTON

(Journal Special Service.) Mountain Home, Idaho, March 21.—Charles Jost of Portland defeated Joe Cotton, colored, in a clever 20-round bout at the opera house in this city Saturday evening. Jost was the cleverer of the two and won the decision at the conclusion of the 20th round.

KANGAROO COURT HOLDS NO SESSION

Ten drunks and two "after hours" prisoners were locked up by the police last night and early this morning, and doubtless expected to be released by "Judge" Hunt, of the Kangaroo court, attached to the police station. But woe was theirs, because, for a reason unknown, every mother's son of them was held in durance vils. Contrary to custom, the "judge" did not dispense mercy with justice. And their hands were just as hard as any drunks before them, who have been released.

Only one of the men was released by a solemn promise that he would leave town immediately. The others were fined in sums of \$5 and \$10, according to the offense. Hunt's action in holding the drunks and "after hours" men was a complete surprise to every one at the police station. At headquarters they are wondering what will happen next.
