So strange is my work that, without a word, without a question, I tell you what you came for, just what you want to know, correct information about all affairs—love, courtship, marriage, divorce, sales wills, property, old estates, speculation, diseases, pensions, patents, investment, etc. I postively tell you when and whom you will marry, giving name of person and date of marriage. I recognize none as my superior, who by any means advise and foretell events arising through cause and effect.
