HAM WAS EASY MEAT FOR 'FRISCO

BUNCHED HITS IN SIXTH AND SEVENTH, AND PORTLAND'S WEAKNESS ON THE CIRCUIT COST THE BROWNS ANOTHER GAME — RESUME OF THE SADNESS.

(Journal Special Service.)

Fresno, Cal., April 13.—The sixth and seventh innings proved to be hard ones to Ham Iberg and the Portland team yesterday. Iberg allowed but five hits, but Harris' men managed to corral the swats in the two innings mentioned, which, with the assistance of a base on balls and a couple of errors by Ike Francis, netted the Bay City aggregation four runs.

The veteran Phil Knell pitched for San Francisco and succeeded in holding the Browns down to six hits and one run.

Morris Steelman had his eye on the ball and secured two clean singles, stole two bases and scored the only run made by Portland.

Castro pulled off a sensational play in the second, which earned the plaudits of the crowd. Massey had walked and Andy Anderson caught the first pitched ball on the nose, which looked like a clean hit, but Castro ran over and leaped in the air, spearing the ball with one hand and threw to Freeman before Massey could get back, thereby completing a fast double play. Phil Nadeau captured a long hit from Massey's bat in the sixth, which was a pippin.

Jimmy Whalen made too free with his remarks from the bench at a decision of Umpire O'Connell's in the fourth, which resulted in receiving a fine of $5, and being ordered off the grounds. The score:

SHORT NOTES ABOUT GOTHAM'S SPORTS

(Journal Special Service.)

New York, April 13.—There is a bare chance for the boxing game to be revived in New York. A bill introduced by Senator Frawley creating a three-headed state athletic commission to supervise boxing exhibitions in New York, similar to the law governing running races, has been reported favorably in the senate. There is hardly time for it to get through before the legislature adjourns, but there is a chance.

Big Bowling Fete.

The United Bowling clubs of New York have accepted the invitation of the German Bowling association to take part in the 11th German United Bowling festivities at Solingen, Germany, on July 16 to 22, and all the members who intend to make the journey will sail on the steamship Bulgaria on Saturday, June 13. The itinerary of the trip will be as follows: Hamburg, two days; Freidrichsruhe and Berlin, five days, and from there an excursion taking in Dresden and the Switzerland of Saxony; Leipzig, Eissenach, Elberfield, and Dusseldorf, to Solingen, where the bowling congress will take place.

Over 3,000 bowlers from all sections of Germany, besides the excursionists, will take part.

With the Bikers.

The opening of the outdoor bicycle racing season will be inaugurated tomorrow at the Vallsburg track. Four amateur and two professional races are to be held, and from the list of entries already received the inaugural session promises some exceptional sport. The quarter-mile track is in fine condition, and a large grandstand is now being erected to take the place of the one destroyed by fire last winter. From present indications over 100 contestants are expected to appear on the opening day.

BOW WOWS HOLD BIG SHOW AT 'FRISCO

(Journal Special Service.)

San Francisco, April 13.—The indiscriminate yelping and barking of all sorts of canines from the tiny toy spaniel to the massive Great Dane echoed throughout Mechanics' pavilion all day today. It was the opening day of the eighth annual exhibition of the San Francisco Kennel club, and more than 1,000 dogs exhibited their manners, good and bad, to the public, which came in throngs to admire and pet its friends. Both in the number and high class of the entries the show far excels all previous exhibitions of the kind held on the Pacific coast. Judging began soon after the opening today and will continue until the show closes, Saturday.

YALE 1, COLUMBIA 0.

(Journal Special Service.)

New York, April 13.—The Yale university baseball team defeated the Columbia university team of this city at the Polo grounds yesterday afternoon in a magnificent 1 to 0 game.

The Western Woman's Golf association championship games will be played at the Glenview club's links August 22-27.

Dog show entries close April 15.

THE BIG LEAGUES OPEN TOMORROW

NATIONAL AND AMERICAN ASSOCIATIONS TO INAUGURATE 1904 SEASON—MATTHEWSON TO PITCH OPENING GAME FOR NEW YORK GIANTS AGAINST BROOKLYN.

(Journal Special Service.)

New York, April 13.—When the umpire calls "play ball" tomorrow there will be inaugurated the longest continuous baseball season New York has ever known. Between the National league and the American, both of which begin their seasons tomorrow, there will be but two or three days without baseball in this city until the second week of October. The Greater New Yorks of the American league open the season with the champion Boston team. A big crowd doubtless will be on hand to give the home team a sendoff. The stands will be gaily decorated and many theatrical and political celebrities will be on hand. The players of both teams, arrayed in new uniforms, will execute the usual awkward squad march from the club house to the diamond. The old favorites and new comers will be warmly greeted, while a few good natured roasts will, of course, be handed to some of the Boston players.

There is likewise every reason to expect a record-breaking crowd in Brooklyn to see the rival forces of John McGraw and Ned Hanlon do battle. The large attendance at the preliminary games indicates the keen interest felt by lovers of the game in the rejuvenated New Yorks of the National league. Manager McGraw intends to make victory as certain as the uncertainties of baseball will permit by putting in Matthewson to do the pitching. There will be some new faces on the Brooklyn team and consequently its strength is an unknown quantity. But Hanlon always has his players fit when the season opens and they will be ready tomorrow to face the music.

WHITNEY'S HORSES AT SHEEPSHEAD TRACK

(Journal Special Service.)

New York City, April 13.—Among the arrivals at Sheepshead bay this week was John W. Rogers, with the horses of the estate of the late W. C. Whitney that have been leased to Herman B. Duryea for the racing season of 1904. The horses were shipped from Aiken, S. C., by special express, and after an uneventful trip unloaded at the course of the Coney Island Jockey club in the best of health and spirits.

There came 27 2-year-olds in the shipment, and beyond question the lot is the best yet shown about New York. Among the older horses there was also an apparent growth and improvement in many of the 3-year-olds, while Gunfire, winner of last year's Metropolitan handicap, and such a gallant second in the Brooklyn, looked capable and almost ready to renew her sterling turf triumphs.

Irish Lad, the hero of the Brooklyn handicap last year, was in the consignment, and was generally admired by a number of horsemen as he was led out. He appeared to have grown taller, and has the same "up-headed" way of going. He wanted to canter away from the cars, and his high spirit kept a mite of an exercise lad busy.

GRAND CIRCUIT TO PERFECT ITS PLANS

(Journal Special Service.)

New York City, April 13.—The organization and perfection of plans of the Grand Circuit of Trotting Tracks will be effected in this city Friday, April 15. A meeting has been called of incorporators, and will be held at the Hotel Victoria. D. J. Campau of Detroit, who has been one of the leading men in the projection of this organization, has called the meeting, and will present a copy of the incorporation articles, together with the by-laws and rules. The Grand Circuit will be incorporated in Michigan, because Mr. Campau has been able to obtain very favorable legislation for an organization of a circuit of racetracks.

At the meeting April 15 officers will be elected, a presiding judge selected, and stewards named for each of the 10 meetings in the Grand Circuit. The gentlemen who are back of the Grand Circuit do not anticipate any trouble with the National or American Trotting association.

EMERSON PITCHED GOOD BALL.

(Journal Special Service.)

The Dalles, Or., April 13.—The W. W. M. Co. won their first ball game of the season from Klondike Monday on the Wasco diamond by a score of 3 to 1 before an audience of 400 people. The feature of the game was the work of Emerson, who allowed only five hits during the game and succeeded in striking out 19 men. Meach, the opposing pitcher, did good work, striking out nine men and fielding his position without an error and allowing only seven hits. The score by innings:

Klondike	0	0	0	0	1	0	0	0	0	—1
Hits	0	0	0	0	2	2	1	0	0	—5
W. W. M. Co.	0	0	0	0	0	2	0	0	1	—3

SECRETARY LEIGHTON VISITS THE CITY

Robert Leighton, secretary of the Pacific Fair association, and racing secretary of the Portland and Seattle Racing associations, made a short visit to this city yesterday, leaving last night for his home in Vancouver, B. C. Mr. Leighton spent the winter in California, having charge of the California Polo club games at Del Monte, Santa Monica and Burlingame, in which George Gould and a number of New York millionaires participated. After a short stay at his home Mr. Leighton will go to Seattle to prepare for the meet in that city, beginning June 6. After the meet gets well under way in the Puget sound city Mr. Leighton will come to Portland to make arrangements for the big fall meeting, beginning August 8 and extending until August 27, with the privilege of continuing for two weeks longer. In speaking of the outlook for Portland's meet Mr. Leighton says: "I expect to see a great race meet here in August. The California horsemen are anxious to race in this city and have entered their best horses in the stakes. There will be over 600 horses at the meet, including Modicum, Sea Air and other handicap winners. The signal success which attended last year's meeting has done much towards getting the best stock from the south for the coming event, and I predict a splendid running meet."

OREGON AGRICS TO ATTEND LOCAL MEET

(Special Dispatch to The Journal.)

Corvallis, Or., April 13.—At Saturday's tryout for places on the team that is to defend O. A. C. honors at the Columbia university track meet next Saturday the following men for the events stated were chosen: Fifty-yard dash, Williams, Smithson, Coates and Moores; 220, Coates, Smithson, Williams, Greenhall and Sewall; 440, Coates, Smithson, Williams, Greenhall and Sewall; half, Currin, Swann, Greenhall, Rumbaugh and Cooper; mile, Currin, Horton, Rumbaugh; relay, Williams, Smithson, Sewall, Coates, Greenhall, Cooper and Rumbaugh; 50-yard high hurdles, Smithson, Coates, Swann, Cate and Moores; low hurdles, Coates, Smithson, Swann, Cate and Moores; pole-vault, Swann, Coates, Moores and Cate; broad jump, Root, Coates, Cate and Moores; high jump, Coates, Moores, Swann and Smithson; shotput, Jackson, Root, Williams and Coates.

The local team leaves Friday for Portland to be on hand for Saturday's event.

KENNEL LEAGUE TO MEET AT SEATTLE

E. F. Willis, president of the Pacific Kennel league, will attend the meeting of the league in Seattle on Saturday, where the question of the league entering the F. D. S. B. will be decided. Mr. Willis will go in Frank Watkins' place, as the latter is detained here on business. It is quite probable that the league will decide to have its dogs entered in the American stud book. It is also quite likely that the name of the Pacific Kennel league will be changed to the International league, so that the dogs of Canada will be allowed to be entered under its auspices.

This morning Mr. Watkins received word that his bull terrier bitch "New Market Beatrice," had arrived safely at the San Francisco Dog show, and that it is entered in the novice class with 45 of the best dogs in the west.

WITH THE FAIR BOWLERS IN TOWN

The mixed bowling tournament at the Multnomah Athletic club will be continued tomorrow evening instead of Saturday evening. The bowlers for the finals will be decided a week from next Saturday. So far it is quite probable that Mrs. Hegele and Mr. Habighorst and Miss Juston and Mr. Francis will be in the finals, as these four players have been doing fine work in the games so far. The interest in the tourney is increasing as the finish approaches.

On Wednesday next the ladies' monthly handicap tourney will be played for the club medal.

DOUBLE MURDERER ON TRIAL.

(Journal Special Service.)

Jersey City, N. J., April 13.—In the court of oyer and terminer today the case of Julius Eckel, charged with the murder of his wife on February 6 last, was called for trial. Eckel has also been indicted for killing Mrs. Annie McDermott, wife of the proprietor of the saloon where the double tragedy occurred, but the trial on this charge will depend upon the outcome of the trial for killing Mrs. Eckel. The defense is insanity, and that "the deed was committed while Eckel was under the strain of ungovernable mania caused by his wife's unfaithfulness."

CONGRESSMEN RENOMINATED.

(Journal Special Service.)

Augusta, Me., April 13.—Republican congressional conventions of the Second and Third districts, held today at Lewiston and Waterville, respectively, resulted in the renomination of Congressmen Charles E. Littlefield and Edwin C. Burleigh. Neither congressman was opposed.

BLOOD

On account of its frightful hideousness, Blood Poisoning is commonly called the King of All Diseases. It may be either hereditary or contracted. Once the system is tainted with it, the disease may manifest itself in the form of Scrofula, Eczema, Rheumatic Pains, Stiff or Swollen Joints, Eruptions or Copper-Colored Spots on the Face or Body, little Ulcers in the Mouth or on the Tongue, Sore Throat, Swollen Tonsils, Falling out of the Hair or Eyebrows, and finally a Leprous-like Decay of the Flesh and Bones. If you have any of these or similar symptoms, get BROWN'S BLOOD CURE, immediately. This treatment is practically the result of life work. It contains no dangerous drugs or injurious medicines of any kind. It goes to the very bottom of the disease and forces out every particle of impurity. Soon every sign and symptom disappears, completely and forever. The blood, the tissues, the flesh, the bones and the whole system are cleansed, purified and restored to perfect health, and the patient prepared anew for the duties and pleasures of life. BROWN'S BLOOD CURE, $2.00 a bottle, lasts a month. Made by DR. BROWN, 935 Arch st., Philadelphia. For sale in Portland only by Frank Nau, Portland Hotel Pharmacy.

POISON

MISTRUSTS THE ANDERSON WILL

DANISH CONSUL WILL FIGHT DEATH-BED TESTAMENT OF LARS ANDERSEN—HE CHARGES THAT WHISKY AND OPIUM WAS CAUSE OF THE NEW WILL.

While lying near the point of death in a room of an Oregon City hotel, Lars Andersen signed a paper that was presented to him and which he asserted he thought was a lease. Within a short time after Andersen signed the paper he died. The document he signed was a will. Dr. William Eisen, local Danish consul, has filed a suit in the Clackamas county circuit court to have the death-bed will declared null, it being asserted that owing to the administering of doses of whisky and opium Andersen's mind was weakened.

Andersen was a native of Denmark, but had resided in Oregon a number of years. He was a well-to-do farmer and lived about two miles from Oregon City. Some months before his death and while he was in good health, Andersen had his will drawn up by Mayor Dimick of Oregon City. The farmer willed all his property, which is valued at nearly $6,000, to a nephew, Rasmus Rasmussen, with the exception of two dollars, one dollar each being willed to two other nephews residing near Oregon City named Matsen. Rasmussen lives in Vyle, Denmark.

In the will that Andersen signed while at the point of death transferred all his property, with the exception of one dollar, to the Matsen brothers. Andersen died last August. The trial of the will contest has been set for next month.

Dr. Eisen, who has been given the power of attorney by Rasmussen, said this morning that the case would be fought to the end.

"When the case was brought to my attention," said Dr. Eisen this morning, "I at once began to wonder how it came about that Andersen changed his mind so quickly as to whom he wished to leave his property. I knew that when Andersen was in good health just a few months before his death, he had drawn up a will in which was stated that he wished nearly all of his property to be left to Rasmussen. Then after Andersen's death, the Matsen brothers flashed the other will on me and I began to wonder what was up. I decided to find out.

"Some time ago I went quietly to Oregon City and began to look into matters. I found out that at the time Andersen had been taken sick the Matsens had secured the services of a young doctor named Stuart to attend him. I called on Dr. Stuart. He told me that large doses of whisky and opium had been given Andersen during his last illness. Dr. Stuart also told me that when Andersen was removed to town from the farm that the sick man was put under the influence of drugs.

"Then I learned that when the dying farmer was brought to town he was placed in a hotel room and orders given that no one besides the nephews, the doctor and Mrs. Stuart, who had been employed to nurse Andersen, be allowed to enter the room. Andersen was buried in Lone Fir cemetery at Portland. I notified Rasmussen of his uncle's death and of the new will. I have been empowered to act for the Vyle nephew and also have orders from the Danish government to push the case."

TWO MILLION FEET OF LOGS ARE LOST

(Special Dispatch to The Journal.)

Hood River, Or., April 13.—The big boom of the Mount Hood Lumber company at the mouth of Hood river broke early this morning, letting out 2,000,000 feet of logs and causing a loss to the company of $10,000. The Columbia river is rising rapidly at this point, and the melting snows have started Hood river on a rampage.
