

Browns Home for Three Weeks

EDITED BY J. A. HORAN

BAD SUPPORT COSTS ANOTHER CONTEST

THIELMAN PICKERS GET EDGE BALL, BUT LITTLE PLAYING BY NADEAU AND FRANCIS DOES THE TRICK—CASTRO PLAYS SPECTACULAR BALL.

(Journal Special Service.) Seattle, May 3.—Portland 6, Thielman and Steelman; Shields and Wilson. Because certain Portland players refused to be on the alert yesterday and properly support Jake Thielman, the Browns lost an easy opportunity to beat Charlie Shields in his first game for Seattle. Thielman pitched brilliant ball and should have got away with his game, but the "lazy" ones were not there when wanted and another game goes by the score. Nadreau and Francis did not let many chances slip by. Castro and Drennan played great ball. The score:

BARRACK SOLDIERS ENJOY BASEBALL

(Journal Special Service.) Vancouver Barracks, May 3.—The Eighth and Twenty-sixth batteries played a practice game of baseball yesterday for the purpose of finding out who will be the most suitable to play on the artillery baseball team to compete in the department meet.

The game was very exciting throughout, the final score being 4 to 3 in favor of the Eighth battery. This is the third game the battery has won this year, having lost none, and the Eighth battery team promises to be a big success. The team will play again on Wednesday afternoon, at which time Company A, Nineteenth infantry, will be the opposing organization.

Another game that was replete with sensational plays was between Companies C and D, resulting in the final score of 4 to 3 in favor of Company D. Lieut. R. H. Fenner, artillery corps, has been placed in charge of the baseball team for the field artillery battalion. Lieutenant Fenner hopes to develop a team from the two batteries which will win the pennant in the forthcoming department meet.

BASEBALL AT FOREST GROVE.

(Journal Special Service.) Pacific University, May 3.—The Pacific university baseball team played its first game of the season with the Forest Grove team, on the local diamond, Saturday, resulting in a score of 23 to 2 in favor of the school boys. The playing of the town team was very ragged, while the variety boys played an almost errorless game. A large crowd witnessed the game. The lineup was:

	AB	R	H	P	O	A	E
Forest Grove	30	23	10	0	0	0	0
Pacific	30	2	2	0	0	0	0

BLAKE-McFALLS WON.

The Blake-McFall company line won a decidedly uphill game Saturday afternoon, on the professional grounds, from Clossett & Devers' Golden West team, the score being 9 to 7. The Blake-McFalls won owing to the effectiveness of their pitcher, C. Morgan, who had but one bad inning in the eighth, when two singles and a double were responsible for the Johnsons, who pitched for the Golden West team, twirled a good game. A couple of wild pitches and three free passes to first were his only mistakes. The score by innings was as follows:

	1	2	3	4	5	6	7	8	9
Blake-McFalls	0	0	0	1	0	2	3	0	4-9
Golden West	1	1	0	2	0	0	2	0	-7

BEHNKE-WALKERS BEATEN.

The Behnke-Walker business college went down to defeat before the Portland business college nine Sunday forenoon, at the Pacific National field. It would have been a shut-out for the Behnkes but for two errors by the P. B. C. nine. Batteries—P. B. C., Pender and Graham; B. W., Newton and Perkins.

SEATTLE HAS FINE ATHLETIC HOME

(Special Dispatch to The Journal.) Seattle, May 3.—Seattle now has one of the finest athletic club buildings in the United States. Only in New York, Chicago and one or two other cities are there finer athletic club homes. The building is of six stories and a basement, and is beautifully furnished throughout. It was opened by a reception and ball Saturday night, which was attended by 5,000 persons. The city is enabled to have such a fine club building through the fact that the Seattle Athletic club is one of the largest in the country. On its rolls are almost 1,000 members, and it has been conducted for years on a business-like and economical plan, while interest in its doings has never lagged. Its old home was considered very fine, but the new surpasses it immeasurably. The building is of pressed brick, and stands at the corner of Fourth avenue and Cherry street. The front entrance is on its rear side, the second floor is a broad hallway, on either side of which are lounging and reading rooms, leads back to the gallery above the gymnasium floor. The gymnasium is fitted with as fine apparatus as there is on the coast, and the broad floor is free from supports. To effect this two of the largest iron girders ever used in the west were brought across the continent. On the first floor are the bowling alley and dressing rooms. The stairs in the basement, and on the third floor are the cardrooms and the billiard room. The fourth and fifth and half the sixth floor are taken up by living rooms, while the grill occupies the other half of the top floor.

LACROSSE CLUB ORGANIZED.

The Portland Lacrosse club was formed last evening and the following officers were elected: President, Dr. Walter B. Braden; first vice-president, W. B. Honeyman; second vice-president, Charles E. McDonnell; secretary-treasurer, R. A. Stewart; executive committee, McDonnell, Potts, C. A. Stewart and D. H. Rowan; captain, Fred I. Lawrence. The following enthusiasts were enrolled as members: Dr. W. B. Braden, R. A. Stewart, McDonnell, Potts, W. B. Honeyman, Charles E. McDonnell, D. H. Rowan, Fred Lawrence, C. A. Stewart, W. King, Henry Wilson, W. L. Murray, Joseph Manahan, J. Anderson, A. J. McDonnell, A. St. Clair Gay, Joseph MacQueen, D. D. Hurlburt, J. J. McDonnell and B. Bingham. Several new names are to be added at the next meeting of the club.

COLUMBIA TO PLAY P. B. C.

The Columbia university baseball team will cross bats with the crack Portland high school team tomorrow afternoon on Columbia field. The fall is scheduled to pitch for the varsity.

ROOT DEFEATS GARDNER.

(Journal Special Service.) Chicago, May 3.—Jack Root of Chicago won the decision over George Gardner of Lowell, at the end of six rounds, last evening. Root had decidedly the best of the contest throughout. Gardner, who was repeatedly knocked down, appeared to be out of condition.

ELY PUTS NADEAU ON PLAYERS' BENCH

The Browns returned this morning from an even break at Seattle, winning three and losing three. In the face of former performances, this record is considered good. The men are all in good spirits and anxious to get in today and trounce the Oaklanders.

The Oakland squad arrived on the same train, and aside from Dunleavy, who has a bad knee, the whole nine felt in good shape. Moskman will fill the cleve center fielders' position. It is feared that Dunleavy will not be able to return to the game for some time.

According to the Portland players, the Browns should have captured five out of the seven games played, but indifference on the part of a few "disgruntled" proved costly. Manager Ely was on hand early this morning and looked over the situation. Phil Nadeau was benched at once. Jake Thielman will be sent to the field and pitch in his regular turn. Jake is in prime condition now and anxious to perform the double role.

Nadeau's benching should be a sufficient hint to several other men on the team who have openly violated the rules of training and the regulations of baseball. The management appears to have been too lenient with the offenders, and Nadeau's suspension will be the cause of a general awakening. Druhob will pitch this afternoon, and Buchannan will oppose him.

Today's lineup is as follows: First base, Drennan, c. f. McCredie, f. c. Freeman, 1b. Steelman, c. Beck, 2b. Thielman, i. f. Francis, 3b. Druhob, p.

WHITMAN'S BALL NINE GETTING IN FORM

(Journal Special Service.) Whitman College, May 3.—Intercollegiate baseball opens in earnest east of the mountains next week. The first game played will be here in Walla Walla, when Whitman college and the University of Washington will cross bats for the first time in many years. The state universities will make a sufficient number of the eastern Washington and Idaho, playing besides two with Whitman on next Friday and Saturday, two each with the University of Idaho, the Washington Agricultural college and the Lewis Normal school. The state university is reported to have a fine team and good hard games are expected on Whitman-diamond next week.

Whitman's prospects are improving. Under the rigid batting practice inaugurated by Captain Brown the average is steadily creeping up. The work of the team has been strengthened by Coach Barnes of Walla Walla, who gets out on the field and helps the boys nearly every night. Barnes is an old Northwest coach and Harvard player as well as being one year on Chicago National in the outfield.

A new find is Dallas Garred, who seems destined to fill the weak spot in the team hereafter—the pitcher's staff. Although never twirling before he did fine work in the game with Milton last Tuesday and in the game against the fort yesterday afternoon. He is marked by better playing errors and harder batting than any of the season. The score was 10 to 2 against the college but at times the boys held the colored troopers down without a tally. The fort has probably the best amateur team in eastern Washington.

The large new grandstand capable of seating several hundred people has been placed on Ankeny field. It will be finished this week. The field and fence are now in fine condition for the spring meets.

The holding of the big track meet is still a problematical matter. The meet will be placed in condition and the meet will be held on the new track. A large number of colleges send delegations.

EUGENE LOANS TWO MEN TO VANCOUVER

(Journal Special Service.) Eugene, Ore., May 3.—Carpenter and O'Day, two members of the Eugene team of the State league, have been loaned to Manager Peble until Frable can again build up his team to what it was before he was thrown down by the commandant at Vancouver barracks not allowing a number of the members of the team to leave the post to play professional ball.

The Roseburg "Shamrocks" arrived in Eugene yesterday and are ready to open this week's series of games with the Blues on Thursday. The Shamrocks were defeated by Salem three times in succession, but Manager Morrow attributes the defeats more to luck than to superior playing.

DIAMOND GLISTENINGS

The supreme test of the Browns will come during the next 18 games, scheduled for the home ground. If the members of the Portland ball team are wise they will steer clear of "Knockers' Corner" in the future. A crowd fair to your face and untrue to your back can never do good for anybody.

Danny Shea has been playing in any good form that he should be given more work behind the bat. Danny is always willing to do his best, and that's saying more than enough. V. H. Ewingman, A. S. usual Francis assumed the pose of an animated pedestal in yesterday's game. He let easy chances develop into hits with blushing regularity. Castro has been playing in spirited fashion during the past two weeks. Keep your eye on Castro.

Nadeau's benching came as a surprise to Whispering Phil. The only regrettable feature of the suspension is that it didn't come sooner.

FROST DAMAGES DAYTON HOP CROP

J. C. Nichols, a business man of Dayton, Or., who is a guest at the Belvedere, while serving on the federal grand jury, brings word that the frost of a week ago Friday night damaged the hop crop in the Dayton district.

"It is too early to tell the extent of damage that was done," said Mr. Nichols, "but there is no use disputing the fact that the crops are not looking as well as they did this time last year. Neither are they looking as well as they did three weeks ago. The unusually wet spring has also done some harm, and everybody is hoping that the weather will now be warm and clear. Fortunately, it is so early that the crop may come out all right."

"In a commercial way, Dayton is prosperous this spring. The merchants are all doing a good early season trade. The new water system, which is to be as good as can be found anywhere, will be finished by the middle of next month. The town just now is going in extensively for telephones, and, although the population of town and adjacent districts is not more than 700, the company has installed more than 100 phones. The rural delivery service is also proving a success story this way, and has resulted in farmers getting prompt service of their daily papers. The delivery is once each day, except Sunday."

CRIMINAL CASES ON MAY DOCKET

The large amount of criminal work practiced in the city in the last few weeks is shown by the fact that out of about 30 cases to be heard by justices during the May term of the circuit court about three fourths are prosecutions by the district attorney. This is the largest percentage of criminal cases to be heard at one term of court noted in years.

Out of 48 jurors impaneled for the May term, only 24 responded yesterday. Many were not summoned on account of being out of the city and others are on the sick list.

The following appeal cases from the municipal court were filed with H. C. Smith, the deputy county clerk, yesterday:

R. I. Gannon, fined \$50 for assaulting Ralph Almetzer; Walter Smith, fined \$100 for being in a room where opium was smoked; Joseph Grice, fined \$25 for larceny; H. Allenbeck, fined \$50 for assaulting Chin Dong; W. E. Barrel, fined \$100 for larceny; C. Watson, fined \$100 for selling morphine to J. L. Lawrence; Irene Crawford, sentenced to serve a year in the county jail for stealing \$10 from Alex. Croft; Beatrice Lewis, fined \$50 for being a disorderly housekeeper; Casper Kuffler, fined \$50 for assaulting Barbara Kuffler.

He brings with him some of the best pictures ever seen in the class of entertainment. These together with John P. Baale & Co., Lombard Bros., Myrtle Franks, George A. and Lissie Bird, Austin Sisters, Lester and Lester, Mann and Frank and Miss Cad. Frank in illustrated songs make up a splendid vaudeville bill.
