GOOD PROSPECTS

INGLESERING WORKS HELARGE THEIR PLANT—BEAVY PREIGHT SHIPMENTS IN AND OUT-PAS-SENGER TRAVEL INCREASING PRYSICAL EXAMINATIONS MADE.

(Special Dispatch to The Journal.) Baker City, Or., May 2 .- The manu facturing industries of Baker City open up this spring with the very fairest prospects. The Baker City Engineering Works is running a full force of men manufacturing and repairing mining machinery, engines, boilers and castings. They have just enlarged their plant and report that the outlook for the year is

nost flattering. The Blue Mountain Iron Works has large force of men employed and have just finished installing a 15-horse power electric motor in the shop, furnished by the Rock Creek Power & Transmission company of Baker City. They report that they are busy on all kinds of machinery and repair work and have

orders far ahead in the season. The Baker City Gas & Electric company and the Rock Creek Power Transmission company, Manager Welch, report that they have orders shead for the installation of electric power and lights in a number of manuacturing plants and numerous mines They are just completing the installa tion of their water power plant on Rock creek, the last two carloads of machinery having been received this week, and oon the juice in Baker City will be furnished on the cheaper basis, the company having the advantage of both water power and steam power plant for

use in case of emergency. Boads Are Improving.

Now that the snow is going off the mountains and the roads are improving in condition, freight shipments in and April 15, to Mr. and Mrs. C. H. Wheeler, at in condition, freight shipments in and 432 East Seventh street, a daughter.

April 6, to Mr. and Mrs. J. W. Kiljon, at jout of Baker City are largely increasing. Ser. East Taylor street, a daughter.

April 26, to Mr. and Mrs. A. A. Heinrich, is very heavy and local travel is above to the average, a good many people comting the property of the average and the average are all the average. ing here direct from the east to invest gate agricultural and mining opportuni-

ties for investment. The big Oregon Lumber company's mills, Stoddard Bros., Shockley & Mc-Murren, Bennett & Sons and the Sumpter mills are shipping to the east an average of 10 carloads of eastern Oregon pine every day. Three cars of ma-chinery for the Wisconsin & Oregon Lumber company were received today, a car of wagons for Jennings and a car of wagons for the Portland Trading company at Richland, and 10 carloads of miscellaneous freight over the O. R.

There is being loaded out a large boiler and a carload of brickmaking machinery for the Sand Lime Brick company, Portland, recently established there by Elmer E. Angell of Baker City, the boiler being furnished by the Baker City Engineering Works. The shipments of concentrates from the mines continue to be an average. The Sumpter Valley railway is handling a large busi-ness between Baker City and the mountain camps and travel over the line is very heavy.

Employes Stand Test.

Assistant General Superintendent M J. Buckley and Dr. Bacon, surgeon of the O. R. & N. Co., arrived in the city today on a special and made a physical examination of all the employes here, under the new rules or the company The only ones exempt from examination were warehousemen and clerks in the office. The agent, operators, baggagemen and yardmen were thoroughly examined and it is understood all of them stood the test and no changes will be made here in the employes on account of physical disability.
