THE OREGON DAILY JOURNAL, PORTLAND, WEDNESDAY EVENING, MAY 4, 1904

CITY OFFICIALS SAT THE UNANI-MOUS PROTEST OF PROPERTY OWNERS MAY NOT DEFEAT THE BRFORT OF THE VIEWERS BRING ADOFTED-COURTS AMBITRATORS

If any of the Alder street residents are laboring under the impression that any amount of protest against the re-port of the viewers who reported in favor of paying \$16.000 in damages will in itself secure the defeat of the report, or of the assessment, they are destined by the assessment, they are destined pontnted.

But it transpires that the report of viewers is on a different question a different method of procedure must be taken to defeat the proposed sment. The question is whether roperty needed to extend Alder to Washington shall be confiscated and on questions of confiscation the courts are the final authority.

City Auditor Devlin said this morn ing, when asked if the protests of the property owners against the Alder street report would defeat the assess

"It will not in itself. If every propowner on the street should strongly chiect it would make no difference so far as the adoption of the viewers' re-port is concerned. The proper mode of edure in such cases is an appeal to. the courts.

"But will the councilmen feel like receiving the report after such a strong and unanimous protest has been filed against it?" was asked. "I do not see how the councilmen can be blamed for such action. The re-

can be biamed for such action. In the brack of the class has bade days some port is regular and, according to the regular procedure, could be received by According to the story being told the council without finally settling the matter. The only interest the city has in the question is to insure the payment of law had convinced her that other peothe expenses of viewing the property. ingineer's work, and similar necessary repenses. If the report of the viewers a rejected the city loses this amount, as the property owners escape assessment, but if the report is accepted the city will receive the costs of the work done and the taxpayers coheerned will not be bound to accept the decision of the view-

bound to accept the decision of the view-ers, as the court is the authority pro-vided for such cases." Mayoe Williams was of the opinion that the council would not approve the report of the viewers and considered it likely that the residents of Alder street would not have to take the question to the courts. courts.

There were not enough protests filed gainst the improvement of Front street o defeat the proposed betterments, al-bough several objections to the imwere presented to the
