CITY NOTICES.

PROPOSED IMPROVEMENT OF HOOD STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 4th day of May, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Hood street from the 115 feet south of the south line of Porter street to 225 feet southerly therefrom, in the following manner, to-wit:

First—By bringing the street to the grade according to the stakes set by the City Engineer, with good clean earth, clay, gravel, earth or other suitable material.

Second—By constructing sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Third—By planking the roadway in accordance with the City Engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 30th day of April, 1904, as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying within the district bounded and described as follows:

Commencing at a point in the westerly bank of the Willamette river at low water mark, where the same would be intersected by the southerly line of Harrison street extended easterly in its present course; thence westerly along the southerly line of Harrison street and said extension to a point at its intersection with the easterly line of Fourth street; thence southerly along the easterly line of Fourth street to a point at its intersection with the division line between Finice Caruthers and Stephen Coffin donation land claims; thence westerly along said division line between Finice Caruthers and Stephen Coffin donation land claims to a point at its intersection with the westerly line of block 38, Caruthers addition to Caruthers addition to the City of Portland; thence southerly along the westerly line of said block 38 to a point at its intersection with the northerly line of block 37, Caruthers addition to Caruthers addition to the City of Portland at the westerly line of said block 37; thence southeasterly in a straight line to a point in the south line of Finice Caruthers donation land claim, where the same is intersected by the division line between sections 9 and 10, township 1 south, range 1 east Willamette meridian; thence southerly along the division line between sections 9 and 10, 16 and 15, 21 and 22, township 1 south, range 1 east Willamette meridian to the southern boundary of the City of Portland; thence easterly along the southern boundary of the City of Portland to its intersection with the west bank of the Willamette river at low water mark; thence northerly along the west bank of the Willamette river at low water mark to the place of beginning.

The Engineer's estimate of the probable total cost for the improvement of said Hood street is $8,000.00.

The above improvement is to be classed as a plank roadway improvement and shall be maintained by the city for a period of five years, provided, that the owners of a majority of the property benefited by said improvement or any portion thereof shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the City Engineer for the improvement of said Hood street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of Portland.
May 7, 1904.

PROPOSED IMPROVEMENT OF MORRIS STREET.

Notice is hereby given that at the meeting of the Council of the City of Portland, Oregon, held on the 4th day of May, 1904, the following resolution was adopted:

Resolved, That the Council of the City of Portland, Oregon, deems it expedient and proposes to improve Morris street from the east line of Union avenue to the east line of Albina, in the following manner, to-wit:

First—By grading the street full width with full intersections to the subgrade as given by the City Engineer.

Second—By bringing the street full width with full intersections to the established grade with gravel.

Third—By constructing artificial stone sidewalks in accordance with the City Engineer's plans, specifications and estimates.

Said improvement to be made in accordance with the charter and ordinances of the City of Portland and the plans, specifications and estimates of the City Engineer filed in the office of the Auditor of the City of Portland on the 29th day of April, 1904, indorsed: "City Engineer's plans and specifications for the improvement of Morris street from the east line of Union avenue to the east line of Albina, and the estimates of the work to be done and the probable total cost thereof."

The cost of said improvement to be assessed as provided by the city charter upon the property specially benefited thereby and which is hereby declared to be all the lots, parts of lots and parcels of land lying between a line 100 feet north of and parallel with the north line of Morris street and a line 100 feet south of and parallel with the south line of Morris street, and between the east line of Union avenue and the east line of Albina.

The Engineer's estimate of the probable total cost for the improvement of said Morris street is $2,820.00.

The above improvement is to be classed as a gravel improvement and shall be maintained by the city for a period of five years, provided, that the owners of a majority of the property benefited by such improvement or any portion thereof, shall not petition for a new or different improvement before the expiration of such period.

The plans, specifications and estimates of the City Engineer for the improvement of said Morris street are hereby adopted.

Resolved, That the Auditor of the City of Portland be and he is hereby directed to give notice of the proposed improvement of said street as provided by the city charter.

Remonstrance against the above improvement may be filed in writing with the undersigned within 20 days from the date of the first publication of this notice.

By order of the Council.
THOS. C. DEVLIN,
Auditor of the City of
