

HAM BEATS OLD TEAM MATES

Edited by J. A. HOBAN

'FRISCO PLAYERS DON'T LIKE 'HAM'

BRING SHOTS OUT THE SHAYS FOR THE SECOND TIME IN A WEEK—PORTLAND'S SURE GAME BY SURVEILING KITS AT THE RIGHT TIME.

(Journal Special Service.) San Francisco, May 25.—Hamberg, for the second time this week, downed his old team-mates in decisive fashion, whitewashing them to the plaintive melody of 5 to 0. Portland started in its win, and after disposing of the Sals in two innings began to annex tallies. In the third Francis lined out a double and Murphy duplicated the trick, scoring the first run. Portland's batting was so good that the first moved Murphy to the third station. Shea's bunt was returned quickly to the plate and Murphy was tagged after having a terrific collision with Gordon. The latter was forced to retire in the next inning on account of the jar he received by getting bumped by Murphy. Heir slammed out a beauty and sent Danny to third, and Drennan sent the two men across the pen with a sliding two-bagger.

SKAT TOURNAMENT AT ST. LOUIS FAIR

(Journal Special Service.) St. Louis, May 25.—Devotees of the great German game of skat are rounding up in the world's fair city for what promises to be the most notable tournament of the kind ever held outside of the realm of the Kaiser. More than a year ago the North American Skat League took the initiative in a movement which had for its object the holding of a great skat tournament in St. Louis during the exposition period. Invitations were sent to clubs and individual players throughout the United States and Canada, and a general invitation was sent also to the German skat leagues. The number of acceptances has exceeded the hopes of the promoters of the tournament. It is estimated now that no less than 2,000 players will be on hand Monday to take part in the contests for the various prizes.

The Schillers' lineup is as follows: Catcher—H. Lettow; First base—H. Lettow; Second base—H. Lettow; Third base—H. Lettow; Shortstop—H. Lettow; Left field—H. Lettow; Center field—H. Lettow; Right field—H. Lettow; Pitcher—H. Lettow.

LIVELY BOUTS AT COLUMBIA CLUB

TRACER'S AMATEURS HOLD INTERESTING BOXING GARNIVAL LAST EVENING, MUCH TO THE DELIGHT OF ASSEMBLED SPORTSMEN—WARREN'S SECOND BLUNDERS.

(Journal Special Service.) Amateur night at the Columbia club witnessed the usual packed house, and the hundred or more fight fans who were packed in the small place went away thoroughly satisfied that they had received their money's worth and a trifle more. Tommy Tracey deserves a medal (leather one or otherwise) for the amusement he is furnishing the hungry sports of this city. Last evening's card was of the usual standard and was heartily enjoyed. The first event on the program was a four-round bout between Curley Seelye and Frank Watkins. The latter clearly outpointed his opponent, and Referee Goodman declared in favor of Seelye with the approval of the crowd. Watkins is a rattling good fighter for a beginner, and should be able to put up a good fight with either Sullivan or Warren, the principals in last night's exhibition. Young Tracey (Beckman) and Kid Harrison met again, and the young Australian edition of the former Australian was once more victorious. Harrison is a game youngster, but Young Tracey has it on him. George Kelly and Ed Brown put up a fast bout which was declared a draw. Then Stage manager, Master of Ceremonies, and Referee Sam Goodman trotted out the principals in the main event of the evening, Jack Sullivan and Tommy Warren. This was the second meeting of these two clever lads, and the bout was every bit as interesting as their previous one. Warren's gameness earned him a slight advantage in the first four rounds, and he might possibly have received the decision at the conclusion of the extra round had not one of his seconds, laboring under the misapprehension that time had been called, jumped into the ring. This piece of stupidity was enough to disqualify Warren and give the bout to Sullivan, but as it was an amateur bout and Warren had made such a good showing Referee Goodman very conscientiously overlooked the breach of ring etiquette and called the affair a draw.

McFARLAND BATTED IN HIS FIRST GAME

(Journal Special Service.) Eugene, Or., May 25.—Roy McFarland, an amateur from Lebanon, pitched for Eugene yesterday against Roseburg, and the Shamrocks lay upon him for two safe hits, netting them eight runs, an against five hits and three runs for Eugene. The game, like the one on the day previous, was slow and devoid of interesting features. The score:

POLICE NOW USE DETAINING STATION

The new detaining station for patients afflicted with contagious diseases at the central police station was used for the first time yesterday in the case of George Chapman, 39, who had measles. He was examined by Dr. Samuel C. Slocum, the assistant city physician, and ordered sent to the police station. Later he was transferred to the pest house, as he has no other place to go. He is here alone from Kansas. The detaining station consists of one small room, and can be closed so that contagion cannot spread. After a patient is removed from it the jaller disinfected the room and it is ready for another. The detaining station is a part of the new jail being made under the direction of Chief of Police Hunt. It is in the addition to the old building, for which an appropriation has been made. Until the present time there was no place where patients with contagious diseases could be kept while waiting to be conveyed to the pest house, and it used to be the custom to drive them across the street into a hallway of a Chinese building.

BLOOD

On account of its frightful hideousness, blood poisoning is commonly known as the King of All Diseases. It may be either hereditary or contracted. Once the system is saturated with it, the disease may manifest itself in the form of Scabies, Eczema, Rheumatic Pains, Stiff or Swollen Joints, Eruptions or Copper-Colored Spots on the Face or Body, Little Bumps in the Mouth or on the Tongue, Sore Throat, Swollen Glands, Falling out of the Hair or Eyebrows, and finally a Leprosy-like Decay of the Flesh and Bones. If you have any of these or similar symptoms, get BROWN'S BLOOD CURE, immediately. Its treatment is practically the result of life work. It contains no dangerous drugs or injurious medicines of any kind. It goes to the very bottom of the disease and forces out every particle of impurity. Both every sign and symptom disappears, completely and forever. The blood, the tissues, the flesh, the bones and the whole system are cleansed, purified and restored to perfect health, and the patient prepared for the future and pleasures of life.
