DROPS DEAD OF HEART DISEASE

EDWARD M. SARGENT, PROMINENT EAST SIDE BUSINESS MAN, FALLS ON STREET AND EXPIRES—WAS VETERAN OF CIVIL WAR AND WELL KNOWN.

Edward M. Sargent, a prominent east side banker and real estate man, died suddenly of heart disease this morning at 9 o'clock. Mr. Sargent had not been in the best of health for some time and probably exhausted himself somewhat

by the active part he took in making arrangements for the G. A. R. memorial service held Monday afternoon at Lone Fir cemetery. Yesterday he complained of not feeling well, but this morning started for his office as usual. While on Grand avenue, between East Washington and East Stark street, he suddenly fell over and before help could reach him he was dead.

Dr. G. E. Nottage was called and had the body removed to F. S. Dunning's undertaking establishment, 414 East Alder street. No inquest will be held, but this afternoon Coroner Finley will hold an autopsy to ascertain the cause of death.

Mr. Sargent had lived in Portland for over 20 years. At the time of his death Mr. Sargent was in partnership with Albert W. Lambert in the real estate and insurance business, at Union avenue and East Washington street, and held interests in the Citizens' bank. He was prominent in Scottish Rite Masonry, having taken his 32d degree, and was well known in Knights of Pythias circles. He was a member of Sumner Post No. 12, G. A. R., and at the time of his death was senior vice-commander of the post. He took a deep interest in all the affairs of the post and will be much missed by his comrades.

He leaves a widow and two children—Persis and Curtis—both grown up. Curtis Sargent is manager of the Citizens' bank, and is a well-known member of the Multnomah Athletic club.

E. V. ALLEN IS UNDER ARREST

E. V. Allen, who was accused of having attempted suicide, and who was a member of Multnomah camp, W. O. W., was arrested this morning and put in the county jail. His wife was also taken into custody, but was afterward released.

KINCHOU LOSS HEAVY.

(Journal Special Service.)

St. Petersburg, June 2.—A semi-official estimate of the Russian casualties in the battle of Kinchou places the killed and wounded at 30 officers and 800 men.

A Mukden dispatch dated yesterday reports that Lieutenant-Colonel Gourko has reached there from Port Arthur, passing the Japanese lines. Gourko is the bearer of important information from Port Arthur covering the situation. This was embodied in a long cipher dispatch to the war office today. Gourko also brought accurate reports of the Russian losses in the battle of Kinchou, and it is presumed these gave rise to the semi-official statements.

EXPERTS FIND YAMHILL COUNTY OFFICERS' BOOKS IN FAIRLY GOOD CONDITION—RAIN PLEASES FARMERS—M'MINNVILLE ALUMNI WILL BANQUET TONIGHT.

(Special Dispatch to The Journal.)

M'Minnville, Or., June 2.—Prof. J. C. Hodson of Newberg and Hon. C. E. Dukenfield of this city have filed their report of their examination of the books of the various county officials. The report covers the last three years, and finds the books of County Treasurer Foster absolutely correct, the accounts of J. L. Hoskins, county recorder, short $3; of Sheriff Sitton short $3; of ex-County Clerk J. H. Nelson short $18.50; of his brother, Ira G. Nelson, who succeeded him in office, $122 short. Friends of the officials reported short say that many of the items charged against them properly should not be, and that the court will doubtless allow them.

The annual meeting of the McMinnville High school Alumni association will be held this evening at the High school building. The annual banquet will be held at the conclusion of the program. The toastmaster will be C. R. Eberhard of the class of '98. The toasts are as follows:

"Father Time," Miss Alta Booth, '95; "Our Secrets," Miss Mary Hutchens, '96; "Our Pictures on the Wall," Miss Minnie Schenck, '97; "The School Board," Director Leroy Lewis; "Happiness," Miss Mabel Neal, '98; "Ambitions," Miss Kathleen Bird, '99; "Forgetting," Claud Sparks, '00; "To a Heaven-Born American," Aden Stephens, '01; "To Fair Graduates," Merle Nelson, '02; "Good Wishes," Letha Henry, '03; "The Class of '04," Lyle Hendricks, '04.

The annual picnic of the Yamhill County Pioneer association was held at Amity yesterday. Judge J. C. Moreland of Portland delivered the address. A large crowd was present.

Rain fell here last evening, much to the delight of the farmers. Crops have been rather slow for about 10 days and this insures a fine growth.

L. S. Haynes of 328 Burnside street, who is now retired, says: "I can speak of Doan's Ointment in the highest words of praise. I used it several years ago, when living in Michigan. Itching hemorrhoids had annoyed me for years, and during that time I had considerable experience with remedies recommended for that painful and aggravating complaint. They did me little or no good. I finally heard of Doan's Ointment and began its use. The first few applications gave me relief and it only took a short continuation of the applications to make a good, permanent cure. I know it is a permanent cure, for it is now over six years since I used it and up to the present time there has not been the slightest symptom of a recurrence. I have also used two boxes of Doan's Kidney Pills and was so greatly benefited that I bought a box at the Laue-Davis Drug Co.'s store, corner of Yamhill and Third streets, and sent them to my son, who lives up on Hood River. He wrote back to me and praised the remedy highly. I never expected to allow my name to be used as a public endorser of any medicinal preparation, but when two articles are up to the representations made for them like Doan's Kidney Pills and Doan's Ointment I think the public should know about them."

Sold for 50 cents per box by all dealers. Foster-Milburn Co., Buffalo, N. Y., sole agent for the United States.

Y. M. C. A. MEETING AT GEARHART PARK

THIRD OF SERIES OF LECTURES ON NORTH AMERICAN PROBLEMS GIVEN BY SECRETARY STONE—MUCH INTEREST IN THE BIBLE CLASSES—GOOD ATTENDANCE.

(By Frances E. Seiwert.)

(Special Correspondent of The Journal.)

Gearhart, Or., June 2.—Interest continues unabated at the daily meetings of the Pacific northwest student conference now in session here, and many visitors attend the exercises.

Much attention having been paid hitherto to the needs of the foreign mission field, an earnest and spirit-filled address on "The Needs of the Pacific Northwest" has come in at an opportune time, bringing to the minds of the men with tremendous force their individual responsibility in carrying the gospel message into the unenlightened homes of our own land. Rev. Levi Johnson, missionary of the Presbyterian Sabbath-school missions of Portland presbytery, who has for the past 15 years been a missionary on the Pacific coast, was the speaker. He said:

"There is no place on earth where the right kind of a man can do more in God's kingdom than in the Pacific northwest.

He gave such substantial and conclusive reasons for this statement that those present were made to feel that they were placed in this great field for a purpose, and that they are particularly fortunate in being on the field during their years of preparation for service, that they may study its needs.

The speaker said that so far as he has been able to discover there are but two ministers at work in the whole of Harney county. Other territories in the northwest were also mentioned where the Bible is rarely taught—a condition of affairs which might readily be changed if Christian workers would strive for a hold in the way-places instead of crowding into the cities.

Spiritual Meetings.

One of the most spiritual meetings of the conference followed the life-work service. Secretary Cooper spoke on "The Conquering Life." The temptations of college life and the satisfaction of overcoming them were discussed in a way that struck home to the heart of every listener. Many were moved to tears. As the delegates passed through the hall after this service some one in the parlor began to play, "I Need Thee Every Hour." The men crowded in and soon a prayer meeting long to be remembered was in progress. Late in the evening the voices of men at prayer, struggling for victory, were still to be heard. Finally "Just as I Am, Without One Plea," was sung, and the delegates, with unusual quiet, dispersed to their rooms.

The third of the series of lectures on "North American Problems" was given by Secretary Stone. He discussed the educational work among young men.

Much interest is being manifested in the three Bible classes. One of the principal results of this work will doubtless be the preparation of the men to teach similar classes in their respective colleges next year. The spiritual side of the studies is being made very emphatic.

An enthusiastic discussion of "The Financial Side of the Y. M. C. A." was led by Director I. B. Rhodes of Portland.

Rev. John M. Dean, pastor of the Tabernacle Baptist church, Seattle, gave an eloquent address on "The Place of Forgiveness in the Gospel of Christ."
