THIS CANDIDATE A BORN DEMOCRAT

J. E. SIMMONS.

J. E. Simmons, the regular Democratic nominee for congressman in the second congressional district, was born in New Hampshire in 1857. When 11 years of age his parents moved to Rhode Island, where they now reside. Mr. Simmons received his early education in the common schools of his native state. While yet a youth he was thrown upon his own resources. Mr. Simmons moved to Oregon about 12 years ago. In 1894 he took a course at the Portland Business college. Since becoming a resident of this city Mr. Simmons has been identified with various public interests. He is now president of the Arlington & Pacific Coast Railway company. Although always a Democrat from conviction, Mr. Simmons has never before aspired to office. He has made a special study of financial and labor problems. He has for years advocated a national banking system, a federal eight-hour law, the restriction of Japanese and Chinese immigration and the election of United States senators by the direct vote of the people.

MRS. S. M. KERN IS BURIED TODAY

The funeral of Mrs. Sarah M. Kern, the prominent W. C. T. U. worker, who died Wednesday evening at her home, 831 East Kelly street, after a brief illness, was held this afternoon at 2 o'clock from United Evangelical church, East Sherman and East Tenth streets.

Mrs. Kern left eight children, all of whom were with her at the time of her death. Her brothers, Dr. Richmond Kelly and Penumbra Kelly, were present, but her three sisters, who live in California, did not arrive until yesterday. The funeral was largely attended and many beautiful floral offerings were received. The monthly meeting of the W. C. T. U., which was to have been held at St. Johns today, has been indefinitely postponed on account of the death of Mrs. Kern.
