Fifth and Washington Streets

"THE DIFFERENT STORE" Largest "Daylight Store" in the Northwest Home of Quality and Fashion WHERE THE WALLS ARE COMING DOWN

STERN NECESSITY KNOWS NO LAW!

Every one who reads or shops knows the predicament this great store is in. Knows that in the midst of the biggest selling season in all the store's history we are compelled to depart from every precedent, sacrifice profits and even prune the costs of the most seasonable and desirable merchandise; stylish to the minute—merchandise that would stand the fair profits of storekeeping, and mercilessly slaughter every article under the great roof. There is absolutely no alternative—but 30 days, or thereabouts, remain in which to dispose of hundreds of thousands of dollars' worth of goods.

BEFORE THE FALLING WALLS COMPASS THEIR DESTRUCTION

We prefer to do business this month at a loss, our patrons reaping the benefit, rather than chance the damage in moving, during the alterations and expansion incident to moving and enlarging all departments—barring two—in the house, and adding new ones as we connect the "Old Homestead" Shop with the new Sixth street annex. Already carpenters and electricians are littering up ever/where about the store, but the vast throngs of eager buyers seem rather to enjoy it than not. The mutilated prices are the magnets that draw and hold the crowds. Thousands of "extra specials" are indicated about the store by THE GREEN PRICE TICKETS OF THE GRAND DISLODMENT SALE! but the GREATEST FEATURE OF ALL IS THE FACT THAT (barring a few contract goods only)

EVERY ARTICLE IN THE HOUSE IS RADICALLY REDUCED!

The January Sales are SURPASSED IN SCOPE AND IN MAGNITUDE OF MATCHLESS BARGAINS. This page contains mention of but few of the many rare values that await your coming tomorrow. Read every item or you'll omit a saving in your Saturday shopping.

YESTERDAY'S GREAT SALE OF PETTICOATS

CONTINUE—SHOWING THIS STORE'S MIGHTY RESOURCEFULNESS. THE BIGGEST PETTICOAT BARGAINS IN TOWN.
To vehemently assert a thing is one thing, to prove it, another. We're going to prove the assertion at the top of this paragraph, tomorrow to the unquestioned satisfaction of every woman who will compare values offered. These Petticoats were made to our order in one of the best undergarment factories of America. Under hygienic conditions, by skilled needle-women, with even more skill and care than you could possibly exercise yourself in home sewing. They were made to sell at \$2, and contain full 200 cents' worth of value, each and every one. To further demonstrate our leadership in value-giving over all other Portland stores, we shall offer them tomorrow—buy as you wish, at \$1.99. See them in Fifth-street window. A word of description:

- \$2.00 Petticoats 89c
- Ladies' white Cambric Petticoats, 20-inch umbrella flounce, with three clusters of six fine tucks each, and 8-inch hem or deep flounce with cluster of four wide tucks, and 5-inch-wide Valenciennes lace edging, or deep flounce, with cluster of hemstitched tucks and 6-inch embroidery edge. Regular price \$2.00—Special at . . . 89c

There's No Copyright on White Sales

The name is common property, used and abused the world over. Not long ago the writer picked up a paper published in London; it contained an advertisement announcing a "White Sale." All look alike—in the newspapers. It's easy to copy phrases, descriptions, etc., and varnish a page all over with black ink. Many of our announcements and phrases have been copied verbatim, as tho' there was a mystic charm in the words, but protection lies in the merchandise itself. Our Undergarments are never duplicated locally, for no other local store could dispose of the quantities necessary to secure the prices we obtain. Then, again, our undergarments are made in healthy, hygienic factories where labor is skilled, clean and well paid. Right in material, style, trimming and price. With cotton among the clouds in price it is the part of prudence to lay in at least six months' supply, whether your need be immediate or not. All our garments are made full in width and length, even the lowest in price is cut as liberally as those that sell for three times as much. All sorts of white goods are included in the great "DISLODMENT SALE."
