The Designer 10c, or 80c a Year, postpaid to any address

In answer to hundreds of inquiries by mail and otherwise, we want it understood that WE WILL FILL ALL MAIL OR 'PHONE ORDERS from any part of the United States or Canada at the SLAUGHTER PRICES made during the GREAT DISLODMENT SALES. Our purpose in making such prices is to dispose of all our present stocks, not merely to draw the enormous crowds to the store. Every article in the house remember (contract goods excepted) is pitilessly cut in price to effect this end. No prudent person will go elsewhere and pay regular prices during the run of these sales.

# The Mark of Emphasis Is Placed Over This Fact—ABSOLUTELY EVERY ARTICLE IN THIS STORE IS REDUCED

During the Great DISLODMENT SALES—a few contract goods alone excepted—Reduced beyond all precedent

No Sale ever held in all the Northwest even approached this one here—now—either in scope, magnitude or mighty volume of bargain giving. Mere announcements go for naught now—the multitudes have learned the facts and have nobly responded to aid us in our dilemma of unloading hundreds of thousands of dollars worth of merchandise in a limited time. Reckless cutting and slashing of prices, forgetfulness of former prices, of all profits and of costs, prove powerful levers. The sale is without precedent, a generous, bountiful bargain feast that people are enjoying to the utmost. All selling records are broken and new precedents formed. Scores of extra salespeople hired in the month of June to wait on the throngs. Not only present stocks are included but as fast as new goods arrive—goods ordered months ago for Midsummer selling, when fair profits were expected—go at once to the bargain tables. The specials below merely show the trend of price making throughout the house. Remember EVERYTHING IN THE HOUSE IS UNSPARINGLY REDUCED IN PRICE.

THE JANUARY SALES ECLIPSED by UNPRECEDENTED BARGAIN GIVING!

## ROYAL WORCESTERS

The Best American Made

## Corsets

All Reduced—Strikingly.  
We've always sold Royal Worcesters because they are the best Corset made in America and better in every way for the figure of the beautiful, natural American woman than any French make. Not until we had obtained samples from every leading maker of American Corsets, and proven satisfactorily that Royal Worcesters outstripped all others, did we decide on the line, knowing them to be designed, cut and put together by the most expert corset-makers in America, in the best-appointed factory in the world.

Royal Worcester Corsets never get "crooked," as many other American makes, improperly cut, do. They never rip out. If a fault should happen in the material we are always ready to make it good. All the models have the desirable curve at the back and are straight and flat across the front. Last, and not least important, the price of the Royal Worcesters—starting at 50c and going up to \$12.50, brings them within the range of every purse.

The past year we have sold more Royal Worcester Corsets than all other makes added together sold by any other two Portland stores. This is not bragging, but known fact. Occasionally we hear of people going to other stores asking for Royal Worcester Corsets. These famous Corsets cannot be bought in Portland outside this store. The models are made exclusively for Royal Worcester patrons, and are never used in any other make.

At \$1.00—now 85c, we show six styles.  
At \$1.25—now \$1.05, we show ten styles.

Lightweight Summer Corsets, in 12 grades, at 12 prices, in every way equal to the best netting, fine silk-embroidered Batiste—all reduced.

The lines include everything from a short girdle to the long Corset, with deep laces, designed for the woman who wants a Corset to reduce her size. EVERY PAIR AT EVERY PRICE REDUCED.
