

MASONS GATHER FOR GRAND LODGE

ADVANCE GUARD OF DELEGATES ARRIVE FOR SESSION BEGINNING TOMORROW—ABOUT 500 WILL ATTEND—SESSIONS OF BODIES NOW HERE—GRAND BALL TONIGHT.

More than 400 Masons, leaders of that order in the state, who are delegates to the grand lodge of the order, which convenes in the Masonic temple tomorrow are expected to reach the city tonight and on the early trains of tomorrow. These delegates come from the southern part of Oregon as well as from the extreme eastern part—from mountain and plain, from mine and farm.

In addition to the number just named more than 120 delegates who comprise the grand chapter, the law-making branch of the order, who convened yesterday, have remained over for the special exercises.

Anticipating the coming, S. M. Yoran of Eugene, grand master of the lodge in the state, is at the Imperial hotel. He said today:

"This seems destined to be the biggest meeting we have ever held. It will be big because of the general prosperity of the state; and because of the exceptional prosperity of the order in the state during the past year. During that time we have taken in more than 600 new members in the blue lodge alone. During the year three flourishing new lodges were organized—at Sumpter, at Cloverdale, Tillamook county, and at Toledo, Lincoln county.

"In Eugene we are proud of our lodge, which is the second largest in the state, with a membership of 240."

J. F. Robinson, grand secretary of the blue lodge, of Eugene is another grand officer at the Imperial. He said: "By noon tomorrow a total of more than 500 delegates is likely to be present. These will take part in the annual election of officers at 3 o'clock in the afternoon. I have word that an exceptionally large delegation of Masons is coming from the eastern part of the state and another big delegation will come in on the Southern Pacific from the south."

Still another big Mason at the Imperial is E. W. Davis, formerly of Union, now register of the La Grande land office. Mr. Davis is ex-grand high priest or presiding officer, and is said to know the history of Masonry in Oregon from the beginning. He said: "It is true that Masonry is flourishing all over the state. The past year has been exceptionally encouraging for the order. In La Grande the local organization is in a most satisfactory condition."

"Aside from lodge work La Grande is looking forward to the most prosperous year in its history. The beet sugar crop is the largest acreage and promises to give the biggest yield yet recorded. Wheat prospects are also first class."

In the Eastern Star meeting, Sellings-Hirsch building, the forenoon was devoted to reports and discussions, and this afternoon the election of officers takes place. Tonight at 7:30 o'clock in the Masonic temple the order will conduct its ritualistic work, the work being exemplified by Tualatin chapter of Hillsboro, and floral work will be exemplified by Alpha chapter, No. 1, of Astoria. Later many of the members are likely to attend the grand ball of the Scottish Rite Masons in their cathedral on Fifteenth street.

At the Scottish Rite meetings today degree work took up the time, the degree being the 18th of knights or the Rose Croix, and the 31st or Prussian knight, a new degree that is said to be most beautiful. This afternoon the 30th degree will be given and tonight it will be the 32d, to be followed by the grand ball at 9:30 o'clock.

For the grand ball the reception and floor committee will consist of Col. William F. Tucker, E. S. Jackson, George E. Chamberlain, George G. Bingham, T. C. Taylor, Dr. E. B. Pickett, W. I. Vawter, E. A. Sherman, Mr. J. B. Allen, Dr. Albert E. Mackay, W. E. Grace and Oscar Hayter. The music committee will be R. W. Hoyt, Dr. W. A. Cumming and G. W. Stapleton.

STOLEN FURS ARE TO BE RETURNED

Not only has John McCarthy been allowed to plead guilty to the charge of stealing G. P. Rummel and Sons' furs and everything possible done to keep his confession a secret, but the furs have been returned. The reason for this procedure is that McCarthy has agreed to see that the furs are returned to their owners. The man has been held at the county jail two weeks since entering his plea and during that time has been negotiating with his comrades to return the goods in order that he may receive a lighter sentence.

It is said that the plea of McCarthy is conditional. In case the goods are not returned he will be returned to the privilege of withdrawing it and standing trial. At least he makes this claim, saying that such an agreement has been made with the officials.

"I am not the real criminal in this matter," said McCarthy. "The men who took the furs, however, are my friends and I pleaded guilty with the understanding that leniency would be exercised if the goods are returned. Rather than see me get a heavy sentence my friends will 'blow back' the furs. In fact, the goods are now on their way to the city."

BOY SHOT IN LEG.
(Special Dispatch to The Journal.)
Uniontown, Wash., June 14.—Will Mier, aged 17, was wounded by a bullet from a small caliber rifle this afternoon. Young Mier accidentally discharged the rifle, the bullet penetrating the leg just above the knee, inflicting a flesh wound. He was taken to Genesee to have the bullet located with an X-ray machine.

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing. My face was full of pimples and black heads. After taking Castoria they all went. Continuing the use of them and recommending them to my friends, I feel free when I rise in the morning. Hope to have a chance to recommend Castoria."
