FIFTH AND WASHINGTON STREETS WHERE THE WALLS ARE COMING DOWN FIFTH AND WASHINGTON STREETS

Every Article in This House (Contract Goods Alone Excepted) Is Mightily Reduced During This Sale

ALL MAIL ORDERS
Will be promptly filled at the advertised SLAUGHTER PRICES during the run of the great DISLIDGMENT SALE. Every article in the house, basement to roof—except contract goods—stands wonderfully reduced. Write us your orders, which will be filled at once by expert shoppers.

CREDIT DEPARTMENT
Everyone whose responsibility entitles them to credit should open an account—the terms being during a month being charged and a bill sent on the first of the following month. These are accounts payable. It isn't a question of a patron being rich, but being prompt. All our prices are based on quick cash, and we do not encourage long credits. But those who hold CREDIT ACCOUNTS help the purchaser and help to quicker and more accurate service. Handy during the summer—when one needs so many little things—these accounts are a great help. Write us with a "charge" the worry is done away with.

This Great Slaughter Sale
is being held for the purpose of selling all present stocks. If you can't come or phone, write.

Phone Your Orders
We cordially invite our patrons and the general public to make use of the additional convenience of our telephone system whenever a personal visit is inconvenient. Call "Private Exchange 12"

SATURDAY every advertised special of the week is included in the great slaughter of prices caused by the Dislodgment Sales.

PLEASE NOTE
That on Saturdays, as on every other business day of the year, the closing hour of this store is at 6 P. M. We ask our patrons to co-operate with us in this modern movement for shorter store hours. It may mean, perhaps, arranging to shop a little earlier in the day, but they will doubtless be glad to do this when it is realized that early closing means rest and recreation for hundreds of hard working employees.

\$1.73 Buys Women's New \$3 Oxfords
"An ounce of prevention," etc. We've a double reason for this exceptional offering in Women's Smart Summer Oxfords. Firstly—10 cases of these handsome Oxfords went astray for weeks on route from a Lynn, Mass. factory. They were traced up and arrived here late. We made claim on the railroad company, which was gladly paid—that lessened the price of the shoes to us. Secondly—We've got to get rid of our enormous shoe stock right quick, for where they are being sold today is where the walls will be torn away for the monster new elevators and the avenue that will connect the "Old Homestead" store and the new Sixth street annex. Ridiculously low prices are ridding us of the stocks and adding to our list of friends. Such a price is placed on these swell and stylish Oxfords for tomorrow's selling from 3 to 4 p. m. The Oxfords are of new vic kid stock, some have patent tips, all with soft, easy flexible soles, neat round toes, very newest laces and in all sizes. Very dressy—\$3.00 values—for the hour at.....\$1.73
