WHERE THE WALLS ARE COMING DOWN

FIFTH AND WASHINGTON STREETS

"This Store Is Growing Every Day"

This store, now in process of dis-
ruption of departments and dis-
lodgment of stocks, preparatory to
adding another building that will
mean one-fourth additional selling
space, states a positive truth at the
head of this column. If the same
can be as truly said of would-be
competitors there are about 150-
odd "Misadventurers" now adjourning
in this beautiful "New City" that
will have to be shown. The fol-
lowing TRUE INCIDENT, which
occurred in another store the other
day, shows the trend of public
opinion on the subject.

Enter a lady, formerly a constant
patron, but somewhat of a stranger
of late—approached by a member
of the firm. "Why Mrs. S., quite
a stranger, what can we do for you
today?"

"Nothing, I think, just dropped in
to look around."

"What is the reason we don't see
more of you lately, anything the
matter?"

"Well, you look so lonesome
here, I like to shop where there's
more people. One always finds hosts
of bargains where there's throngs
of people. Guess I'll go over to the
"Different Store," where the crowds
are." And she came and told of
the incident. It's one of many simi-
lar ones, getting to be an everyday
story. "Where shall we go today,
wind blows," and the trade winds
are blowing the clouds this way,
where everything in the house is
price reduced.

The Greater Slaughter Sales Continue

Everything in the House Startlingly Reduced A Few Contract Goods Alone Excepted
A Monster Money-Saving Event for Olds, Wortman & King's Patrons

THE ABSOLUTE CLIMAX OF BARGAIN GIVING STARTED TODAY!

Remember the foundation of the mighty value sacrificing event is EVERY ARTICLE IN THE HOUSE sweepingly reduced! Price tickets, but note the de-
gree of reduction. No January Sale ever reached this merciless massacre of rare values, either in scope, magnitude or depth of price-cutting. Competition stands
appalled! We cannot help the sacrifice—there's no alternative but loss through damage during the sweeping alterations and enlargements at hand. We'd rather
lose to you and trust to your generous remembrance later, when we're fairly installed in THE GREATER OLDS, WORTMAN & KING STORE.

The Crowning Values of the Great Dislodgment Sales Are Here This Week

SOME MAY LAST ALL WEEK. EVERY ARTICLE IN THE HOUSE—BASEMENT TO ROOF—REMEMBER, REMAINS MIGHTILY RE-
DUCED! (Contract goods alone excepted.) A full page of this paper fails to furnish space for even a tithe of the tremendous swam of bargains this sale
has gathered. This not from choice we sacrifice profits and chop costs so mercilessly; the issue is forced and we prefer our public should benefit than the
goods be damaged during the alterations due to expansion and adding our new Sixth street building. We expect reward in your continued patronage during the
years to come in the GREATER OLDS, WORTMAN & KING STORE. The supreme feature of the sale is the fact that the merchandise offered is, of the
same quality and service-giving sort for which this store is famous. You can practice practical economy here. We would far rather have a reputation for
dependability than for "cheap" prices—for what does low prices signify if quality be sacrificed to obtain them? The items below are for all week selling. Thou-
sands more do not reach print.
